GENERAL ORDERS.

Harrisburgh, July 22, 1814.

To JOHN M HYNEMAN, Adj. Gen.

IN conformity with a requisition by the President of the United States, dated July 4th, 1814, and to me directed, you are commanded to have in readiness to march at a moment's warning, the militia within the divisions as numbered within the act entitled "An act for the regulation of the militia of the commonwealth of Pennsylvania," passed the 9th April, 1807, to wit, 1, 2, 3, 4, 5, 6, 8, and 9, heretofore drafted for the service of the U. States; and immediately to proceed to have drafted agreeably to law, a number more as added to existing drafts (except such as may have served a tour of duty) shall amount to 14,000 men; and to have them, as soon as possible, mustered armed and equipped within the Brigade, regimental or battalion bounds, as shall be most convenient and best adapted for the service, and placed under their proper officers; but not to be considered as in actual service, until directed by subsequent orders to take the field.

Animated, as I believe they will be, by the example of our volunteers and drafted militia who have sought and beaten the enemy without our territory, those sons of Pennsylvania, who have hitherto reposed in the lap of security, but whose distinguished characteristic is known to be love country; it is confidently anticipated will, at this important crisis, when a ferocious and powerful enemy dictates as their terms of peace, "unconditional submission," be prompted by a voluntary tender of service, to supercede the necessity of any draft.

It is with pride and with pleasure the commander in Chief refers to those corps, who in General Orders of the 25th of August and 5th of September, 1812, by name are handed down to posterity on the splendid roll of Fame, as the first fruits of Patriotism.

The Governor embraces this occasion to signify his acceptance of the tender of services of the following corps, made subsequent to General Orders of the 5th of September, 1812, by the following commanding officers:

- Thomas Walker, Captain of the "Harrisburgh Volunteers," 1st brig. 6th division.
- Clement C. Biddle, do. "State Fencibles," 1st brig. 1st division.
- Andrew Mitchell, do. Rifle Company, 1st brig. 7th division.
- Henry Reed, do. "Benevolent Blues," 2d brigade, 1st division.
- James Noble, do. Light Dragoons, do. 1st 7th division.
- Nicholas Beckwith, do. Rifle Company, 2d brig. 12th division.
- Samuel Dunn, do. Rifle Company, 2d. brig. 7th division.

And to express also the high gratification he feels, that now the occasion having occurred, they will, one and all, with the determination of Freemen, realize the patriotic professions in their several communications contained.

As evidence of unabated zeal and patriotism, he refers with exultation to the result of a meeting by the generals and other officers of the 1st division, held on the 20th of June last, breathing sentiments honorable to, and can emanate only from the bosoms of those who are determined not to live, but under fair Freedom's sway. Do so likewise.

SIMON SNYDER,
Gov. Commonwealth Pennsylvania.
N. B. BOILEAU, *Aid-de-Camp.*

A detail of the quota of 14,000 militia to be detached and Organized according to law, from the 1st to the 9th divisions, inclusive, the seventh excepted, under the general orders of the commander in chief of the 22d July, 1814, 1,400 of which are to be artillery, and 12,600 infantry. Deficiencies of artillery must be supplied by equal numbers of infantry; and the rifle corps will be received in lieu of infantry.

The apportionment will be as follows:

July 22d, 1814,

Sir—You will make the General Orders known to the Brigadier Generals, to the field officers, and commanders of companies in your brigade. You will use all the means in your power to have your quotas detached and organized with the least possible delay; and when in readiness you will transmit to the Adjutant General proper muster-rolls or returns of the companies respectively, designating the brigade and division to which they belong.

Tender of service by volunteer companies or other corps, are to be forwarded by the proper Brigade Inspector to the Adjutant General; and it is desired that it be signified whether any such tender is to be considered in substitution for the draft of any company, regiment, &c. or independent thereof.

The officers and men must be armed and furnished blankets and knapsacks, and mustered in brigade, regimental or battalion bounds, as most convenient, and prepared to march whenever called upon.

For your more particular instructions, you are referred to the act of the General Assembly for the regulation of the militia of Pennsylvania, passed the 9th of April 1807, and the several supplements thereto.

J. M. HYNEMAN, Adj. Gen.
