IMPORTANT REDUCTION IN POSTAGE - We congratulate our subscribers and the reading public generally, on the cheapness with which they can now receive our reprints by mail. The postage on Blackwood - though gradually reduced since 1844 - has always operated as a discouragement to its circulation in places inaccessible by express or other modes of regular conveyance. Hence, as yet they have not obtained but a comparative meagre circulation. We hope now that the postage is merely nominal, a new impetus will be given to these valuable works, and that no Post Office within the United States will remain unvisited by at least one copy of the four Reviews and Blackwoods Magazine. The Postage on Blackwood and the four Reviews is now but 72 cents a year, and the subscription price is but \$3, and cannot be taken with any of the four Reviews but \$2, a year! - - - Present subscription prices to the London Edinburgh Westminster, and North British Quarterly Reviews, and Blackwoods Magazine. - - - For any of the four Reviews, \$2.00.
