MAHAFFEY "TOOK DOWN." The following disclosure, knocks Mahaffey's exposition of "Know Nothingism" into a 'cock't hat.' The "Sag-Nichts," or "Say Nothings" is a society recently instituted, to regulate the large and rapidly increasing foreign

vote of the Country, and these disclosures are owing to the drunken blunder of a clerk from Washington City, who was sent out to Ohio for the purpose of organizing "Sag-Nicht" lodges. After reading the disclosure, says the Pittsburg Dispatch, we think the "Say Nothings" should add an obligation on their members to "Drink Nothing."

It seems, according to the Bucyrus Journal of the 1st inst., that one G. W. Johns, "an official of General Pierce," and two democrats, Hall and Jackson, started for Richmond by Rail, to form a Sach Nicht Society, and reachand got into a regular spree, "Drunk came," Crawford county Journal."

CALLING FOR THE PROOF. The Roman Catholic Bishop of Louisville, Kentucky, recently published a pamphlet bearing the title of "The Intolerant spirit of the Times," in which he attempts to distort and falsify the oft quoted remark of LAFAYETTE, that "if ever the diberties of this country are destroyed, it will be "by Romish Priests."-In view of this high-handed attempt to falsify the word of a distinguished American citizen and philosopher-Professor Monse-three Protestant clergymen of Louisville have published a card in which they demand of the Romish Bishop, SHALDING, either to authenticate and confirm his statement, or retract it as a forgery. The Presbyterian Herald also denounces this daring forgery in proper terms, and gives the following extract from a letter from Prof. Morse, in regard to the saying of Lafayette:-

"It may not be amiss to state that the declaration of Lafayette, in the matter in question, ed that place, Feb. 16. The faithful met them, | was repeated by him to more than one American. THE KNOW NOTHING REVOLUTION .- In the numerous little town elections which, within a few days past have come off in all parts of the country, we see that the organization of parties is rapidly narrowing down to a struggle between all the remnants or fag ends of the old parties and factions of the day on the one side and the Know Nothings on the other. Another remarkable feature of these local electons is this, that in three-fourths of them the new American party have been victorions. Among these victories they have carried the village of Auburn-the head-quarters of W. H. Sewardagainst all his available forces, and the Van Buren barnburning frac collers combined. In mit to you.
