CLEARFIELD & TYRONE RAIROAD. - The charter for this company having been procured, an election for officers, for its permanent organization, is advertised to be held at Philipsburg on the 5th May, as will be seen by a nopany is fully organized, active measures will be adopted for raising the requisite amount of stock, and for putting the road under contract. Too much commendation cannot be bestowed upon those who took an active part in pushing forward this enterprise, and the energy and determination which have already been manifested give bright promise that, in a few years, the snort of the "iron horse" will be heard reverberating amidst the hills and dales of Clearfield county.

THE RIVER, last week, was too high for running rafts, the water having surmounted the banks in many places. On Friday it had fallen a little, but on the evening of that day and during Saturday some rain fell which caused it to rise higher than it has been for several years. Much drift-wood floated down. On Monday the water commenced falling and continued doing so until Tuesday morning ; during which time it fell about 3 feet 3 inches. Notwithstanding the high stage of water, a few rafts were "pulled out" for the "Island." It is rather unsafe to run now, but it is expected that in a day or two the water will be in a good rafting condition.

THE WEATHER, during the past week was pleasant, the sun shining with much warmth, which had the effect of melting away the greater portion of the snow which had accumulated Se in the woods during the winter to an unprecedented depth. On Friday evening and on Saturday, there were a number of warm showers. Spring seems to have fairly set in, and in a short time the husbandman, will be enabled to commence farming operations.

TIMBER ON THE SINNEMAHONING .- We learn that there has been got out on the Sinnemahoning only about one-third the quantity of square timber, and nearly the same amount of boards there was last year. As the season for hauling has been good, the lumber has all been got in, beside a large amount of saw logs for floating, and stock for home manufacture.

THE number of taxables in Clearfield county amounts to about 3,300 or 3,400. This, under the new license law, will entitle the licensing of 21 or 22 hotels, for the entire county, which shall be apportioned, according to the law, with reference to the convenience of the public, and the accommodation of strangers, travellers and sojourners.

A MARVELLOUS REMEDY FOR A MARVELLOUS AGE !! HOLLOWAY'S DINTMENT. THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin. is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affec-tions of the Heart, inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt living body, curing the most dangerous inward complaints, that cannot be reached by other means. ERYSIPELAS, SALT RHEUM AND SCORBUTIC

HUMORS. No remedy has ever done so much for the jeure of diseases of the skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS. Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, ulcers, wounds, glandular swellings, and tamors. Professor Holloway has, by command of the Allied gov-ernments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing. PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot. Both the Ointment and the Pills should be used in the following cases : Mercurial Eruptions, Swelled Glands, Bunio

BACK AGAIN .- Wm. H. Bloom, who, a short time since, bid a rather unceremonious goodbye to Sheriff Reed, was brought back here on last Saturday morning. He had gone to Baltimore, was there taken and placed in sidurance vile" until Mr. Reed sent for and, by very urgent solicitation, induced him to return.

WENT OVER .- On Monday, whilst a number of hands were engaged in constructing a board raft in Shaw's dam, the rope became unloosed and before any one was aware of it the raft had got into the current and was carried over the edge of the dam; no special injury, however, that we heard of, was done.

GONE .- A large number of saw logs which Mr. Archibald Shaw had run into a pond at his mill, were carried out into the river on Saturday night, in consequence of the high water creating a current, and were drifted down the stream. We presume he will loose the greater part of them.

ON LAST FRIDAY, Mr. Miles, of Brady township, whilst engaged on a raft on the opposite side of the river at this place, dropped his pocket book, containing some \$75 in gold, into the water, but fortunately succeeded in recovering it again.

A FIRE-ALMOST .- On last Thursday at noon one of the out-buildings on the premises of Hon. G. R. Barrett was discovered to be onfire, but before any serious damage was done the flames were extinguished.

A number of building and pasture lots, and several desirable farms and pieces of timber land, are offered for sale by L. J. Crans, Esq. See advertisement.

Among our new advertisements will be found the legal card of H. B. Swoope, Esq. He requests us to say that he contemplates remaining here permanently.

Should no Journal appear next week, it must be attributed to the fact that we have gone down the river.
