AFFAIRS AT HOME.

MORE CARE .- We are lucky ! A few days since a bright little face appeared at our door and delivered us a package, which, upon being opened, proved to be another excellent cake sent us by some unknown fair one. We tender the donor our hearty thanks, and exp ress the hope that she may succeed in doing all ther things as well as she succeeded in making the aforesaid cake !

Is IT DRY ?- Everybody says it is, and so it must be true. The earth has but little moisture, notwithstanding a number of showers have fallen within the past few weeks. If we do not soon get some copious rains, vegetation of all kinds must be materially injured. The heat for several days during the past week was intense, and well calculated to test one's powers of endurance.

THE YEARLY County Association of the Regnlar Baptists, was held in this place, during the past week. There was preaching on Friday, Saturday and Sunday, and considerable interest manifested, among the ministers and members of the church, for the spread of the gospel. The members contemplate building a house of worship, during the ensuing summer. We wish them success in their laudable enterprise.

AMBROTYPES .- By reference to card of P. C. Purviance, it will be seen that he is now prepared to take Ambrotype Likenesses, as well as Daguerrean. We have seen several of his pictures, and would say that they are, truly, most magnificent. Persons desirous of having a good likeness of themselves, or friends, can procure the desired object, by calling at Mr. Purviance's Gallery at his residence, on 2d street.

CO-PARTNERSHIP .- It will be seen, by refering to the new advertisements in to-days Jour- Kansas. nal, that a partnership has been entered into, between Doctors LORAIN & HARTSWICK. Dr. Hartswick is a young man of fine talents, and, no doubt, an excelient physician, and well worthy the confidence of the afflicted public.

WE would call attention to the advertisements of L. J. Crans, administrator of John Scott, dec'd, and Auditor for the distribution of the proceeds of said estate, among the legal heirs. Also to "Pay up," of W. A. Wallace, and the notice of the Glen Hope and New Washington Plank Road Company.

A RECORD OF KANSAS RUFFIANISM. That there has been falschood as well as \$1, no matter where resident, who will swear truth sent over the telegraphic lines, by the to uphold the Fugitive Slave Law and Ne-Missourians who have charge of them, is braska bill, unquestionable. But these false statements do not invalidate or diminish the real catalogue of crime. To enable our readers to keep the latter in memory we subjoin below a list of a few occurrences, which are authenticated by legal evidence, and which are not even attempted to be denied. There are five times as many similar ones reported, and tolerably well authenticated. But we wait until they shall be officially and legally confirmed before adding them to the list :

HUMAN LIFE SAVED!

Dowagiac, Mich., March 11, 1856 J. A. RHODES, Esq : Dear Sir-As I took your medicine to sell on consignment, "no cure no pay." I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received :

W. S. Conklin told me-"I had taken nine bot-tles of Christie's Ague Balsa n, and continually run down while using it until my lungs and liver were Congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill .-The doctors too did all they could for me, but tho't I must die. Nothing did me any good until I got Rhode's Fever and Ague Cure, which at once relieved me of the distress and nauses at my stomach and pain in my head and bowels, and produced a permanent cure in a short time

H. M. Conklin says : "I had been taking mediwithout any good result, from 25th August to 17th But seeing how nicely it operated on December. my brother, I got a bottle of Rhodes' Fever and A-gue Cure, which effected a permanent cure by using two-thirds of a bottle. . M. Conklin was not here, but both the other brothers say his case was the same as H. M's. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity, and I might so specify. Yours with respect. A. HUNTINGTON. The above speaks for itself. Goog proof as it is. it is of no better tenor than the vast number of like certificates I have already published, and the still greater amount that is continually pouring in to me One thing more. Last year I had occasion to caution the public in these words :-"I noticeone form who have taken one of my general circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence end their pamphlet with the exclamation. Let the proprietor of any other medicine say as much if he dares "de Now I take pleasure in saying that the caution referred to the same "Dr Christic's Ague Balsam" hat is mentioned in the above certificate. There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antilete to Malaria, except the certificates of cures, and the certificate of the celebrated Chemist, Dr. James R. Chilton, of N. Y., in favor of its perfecty harmless character, which is attached to every bottle. These will always serve to distinguish my medicine from imitations. JAS. A. Os the 11th of June, inst., by the Rev. W. Sterling, Dr. J. G. HARTSWICK, of this place, ing in Kansas. The idea is a good one. to Miss KATE HUSTON, of Centre county.

MR. CRITTENDEN, of Ky., submitted a resolution to the Senate of the U.S., June 10, requesting the President to send Gen. Scott to Kansas, with a sufficient military force for the restoration of law, peace and harmony there. In the course of his remarks, on presenting the resolution, Mr. Crittenden said, "it seemed to him that the Senate had but very seldom under their consideration a subject of more importance than the affairs of Kansas. It was enough to make them feel ashamed for the spectacle now presented in that territory .---They had been in session six months, and not one step has been taken by them to remedy this disgraceful evil, which was growing day by day, spreading wider and wider, and inflaming passions already too much excited. Not only is the peace and quiet of Kansas disturbed, but the peace of the entire country is egsazetly." threatened. Of debate there had been enough, but not of a kind to contribute to an impartial judgment, but that rather which led to crimination and recrimination. He wanted to see a broad, general and fraternal peace, and that must be the ambition of all. Gen. Scott is the man who carries the sword in his left hand, and in the right Peace, gentle Peace, and by his voice, trumpet-tongued, will do more than a thousand bayonets. His object was to put an end to anarchy in Kansas."

FOREIGN NEWS .- The steamer Arabia, arrived at New York on the 13, with Liverpool dates up to May 31. Peace rejoicings still fill the English newspapers. There is much anxiety felt respecting the American difficultics. The news of Padre Vijil's reception following so close upon Lord Charendon's amicable advances increases the excitement.
