AFFAIRS AT HOME. C. J .- We have received your communication, but it is unavoidably crowded out. It shall appear in our next.

WE direct attention to the card of Doctor J. S. Love, of Pine Swamp, Centre county, in to-day's Journal.

AMENDMENTS TO THE CONSTITUTION .- The proposed amendments to the Constitution of the State of Pennsylvania, published by authority, will be found in our advertising columns.

A VIOLENT STORM of Rain and Hail passed over our borough on last Sunday afternoon, which did considerable damage to the gardens, and must have injured the corn and wheat crops, more or less, wherever it extended.

RUN-OFF .- As Mr. John McClelland, of this borough, was driving in a buggy up-street, on his return from the celebration in Bradford on the 4th, his horse took fright and ran off .-Mr. M'C. had with him his wife and child .-When opposite the jail, the affrighted animal turned quickly to the right, and after crossing the plank side-walk, Mr. McClelland succeeded in running him against the jail with such force as to throw him. The buggy was broken, and the horse received some injuries. It seems almost miraculous that Mr. M. and his family escaped without serious injury.

GREAT DEMOCRATIC MEETING .--- A grand "Rally" of the Democracy took place at the Court House in this Borough on the evening of the 4th of July. The gathering was immense! there being actually twenty-four persons present, five of whom were Americans, character. Judge Barrett was called upon and responded in a lengthy speech. We are of opinion, as His Honor himself intimated in the beginning of his remarks, that it was highly improper for him, occupying a position on the Judicial bench, to take an active part in politics. He, however, seemed to have soon forgotten this, and warming up, delivered himself of "that same old tune" he has been in the habit of playing for over a quarter of a century. Perhaps he had some Democratic like Buchanan, wished to let it out. The "large and respectable audience" was further entertained by Wm. A. Wallace, Esq.; and Mr. Bartles, from "the Jarsies," was called upon and administered a dose that made the faithful squirm. He said he was just from the land of Stockton, and was a warm personal friend of the Commodore, but as he had fallen into bad company, he now intended to support Buchanan. That before he came to Pennsylvania he supposed every person was for the "favorite son," but on his arrival in Huntingdon, where he first stopped, he found no Buchanan men there. He proceeded to Tyrone and found none there-came on to Philipsburg and found none there, but on getting in the stage at that point he actually found one man that had the courage to vote for Buchananand he was a Mr. Koontz from Clearfield county. That he was at length glad to meet with so large and enthusiastic an assembly of the supporters of Buchanan ! "The faithful" tried sticks in their "craws" and produces a choking sensation whenever it is alluded to .--They'll choke worse yet before they get the "favorite son" entirely off their stomachs and we very much fear, notwithstanding they are provided with a "pump," that they'll have to get either Fremont or Fillmore to work the handle. We have no doubt either of them could successfully perform the operation, and restore, not only them, but the country, to a sound and healthy condition.

(We would here state that it is impossible to publish the toasts and speeches, of celebrations, as they would fill our entire paper for weeks. We trust this explanation will suffice as our excuse to all.]

THE CELEBRATION in this borough was of a party had been got up, but in consequence of the rain which fell during the previous night, it was thought advisable to have the dinner in the Town Hall. At 12 o'clock a large number of ladies and gentlemen had assembled there, and soon after all were seated around a table laden with one of the best dinners it has ever been our good luck to assist in eating .--Mr. and Mrs. Bradley, who prepared it, are deserving of much praise for the manner in which it was got up. About 4 o'clock a large party took a trip to Curwensville and back in carriages. "Young America," in the meantime had also been busy, and congregating at "Liberty Spring," had a "high time" of it .--In the evening a large crowd met in the square in which the Town Hall is situated to witness a brilliant display of fire-works. After the pyrotechnic exhibition was over H. B. Swoope, Esq., was called upon and delivered a terse and appropriate address. The crowd then dispersed with three hearty cheers.

THE "CLUB."-The "Buchanan club" held a second meeting on Monday night. The original «twenty-four," including boys and Americans, were present. An individual known, we believe, as "Corporal" Rote, delivered himself, pronouncing Buchanan "not only the flower of his State, but the flower of the Union." The "corporal" himself is a "blossom" in full bloom. He was followed by Col. Cuttle, the defeated aspirant for District At-The proceedings were of a little the raciest torney, and T. J. McCullough, Esq., whose speeches we didn't hear, being compelled to leave, but have no doubt they were equally as good as that of the illustrious "corporal."

ACCIDENT .- As Joseph C. Brenner, Esq., of Morrisdale, with his two sons and Mr. James Thompson, was descending the first hill on this side of Kylertown, on his return from the celebration at that place, something got wrong with the harness, which caused the horse to run off. The buggy, striking a tree, was broken to pieces, and the persons in it were blood in his veins that was troubling him, and, thrown out. The youngest lad, aged 5 years, had his shoulder dislocated and his head and face much bruised, and Mr. Brenner received some severe bruises about the limbs. His other son and Mr. Thompson escaped with but slight injuries. The horse was not found until the following day.

LUMBERMEN'S MEETING .--- In pursuance of public notice previously given, a large and respectable meeting of the lumbermen of Clearfield. Centre and Elk counties, convened in theCourt House in the borough of Clearfield, on the 4th inst. On motion, Hon. JAS. T. LEONARD, Was appointed President ; C. Kratzer, Jas. A. Reed, Win. Porter, Vice Presidents, and James Irwin and D. W. Moore. Secretaries. The object of the meeting having been stated, W. A. Wallace, Esq., addressed the meeting in favor of legislative action to prevent the floating of loose logs, &c., and concluded by moving that there be a committee of seven appointed, to report proceedings expressive of the sense of this meeting. Whereupon the chair appointed the following named gentlemen said comhard to swallow the bitter pill, but it still mittee, William Stewart, Daniel Rhoads, and Dr. Jas. Irwin of Centre, and Wm. Powell, A. B. Shaw and Josiah Willhelm, of Clearfield, and Robert Rothrock of Elk. On motion the meeting adjourned until half past six o'clock. HALF PAST SIX, P. M .-- The meeting re-assembled, when, on motion, Hon. G. R. Barrett addressed the meeting, urging the importance of united action on the part of all persons interested in the prosperity of Clearfield county, to the end that the rights of our lumbermen may be fairly protected. This, he thought, could be accomplished without any injury to the rights, or without demanding of others anything more than our lumbermen are compelled to do. When the Judge concluded. the committee reported the following preamble and resolutions, which were unanimously adopted :

ed, it was with three hearty cheers, in which old and young participated. We would be an even of the purpose of securing these loose saw logs, have become no less an obstruction to the nav-igation, and should be abated as a nuisance. CLEARFIELD LODGE No. 198 I. O. of O. C. F. meets every Saturday evening, at 7[±] o'-clock, at their Hall in Merreil & Carter's new builigation, and should be abated as a nuisance. It is not possible to so construct them as to arrest the descent of the logs without injuring the descending navigation of our rafts, There-

Resolved, That we will petition the Legisla-ture to pass no further laws authorizing the rather diversified character. A large pic-nic election of booms in the Susquehanna river, for the reason that experience has proven them to be a nuisance. Resolved, That we will urge upon the next

Legislature the passage of a law compelling the owners of saw logs, before navigating the stream with them, to raft them together in the usual way of rafting timber. Lides taken in exchange. July 15, 4854. Resolved. That we will use all peaceable and

lawful means first, to obtain our rights in the navigation of our public highways, in the hope of obtaining legislative action to that end ; but that peaceably or forcibly, the nuisance must be abated. It the Legislature, to whom we have a right to appeal, turn a deaf ear to us, we must take other means to redress our their office opposite Dr Lorain's residence, and wrongs. We cannot allow our mills to rot night, at the house of Mr. Richard Mossop. down, and our property to be rendered worth-less, until we have made the last effort to save ourselves.

After the adoption of the foregoing procee dings, on motion, the following named gentlemen were appointed a committee to superintend the carrying out of the objects of this meeting, viz; Ellis Irwin. Daniel Rhoads, William Stewart and G. L. Reed.

On motion, Resolved, That when this meeting adjourns, it be to meet again on Monday afternoon of the next August Court. On motion, Resolved, That the proceedings

of this meeting be signed by the officers, and their publication requested in the several pa-pers of Clearfield, Elk, Centre and Clinton counties. JAS. T. LEONARD, Prest.

TIONICS WON'T DO !- They never did do I more than give temporary relief and they never will. It is because they don't touch the CAUSE of the disease. The CAUSE of all ague and billous diseases is the atmospheric poison called Miasma or Malaria. Neutraliza this poison by its NATURAL ANTIDOTE, and all diseases caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmloss medicine. The cer-tificate of the celebrated chemist, J. R. Chilton of New York, to this effect, is attached to every bottle; therefore if it does no good it can do n harm

This is more than can be said of Quinine, Arsen ic, or any tonic in existence, as their use is ruin-ous to the constitution and brings on DUMB AGUE. which never allows a person to fell perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received rom a Physician :

GEORGETOWN, OII10, March 17, 1856. JAS. A. RHODES, Esq.-Dear Sir: Yours of 2d inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to try it was greatly increased from the fact that a remedy had been introduced which was growing in favor with the public, as being better than using Quinine,-not knowing. I presume the remedy they used to escape taking Quinine, contained the drug itself ! The remedy, (known as "Smith's Tonic," would invariably break an ague, but it did not cur it, as it would return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your cure. The following is the result : Three persons took your "eure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing. They had tried quinine, and other remedies, occasionally missing a chill, but it was (as in all such cases) slowly wearing them out, and aying the foundation of other and severer mala dies. I did succeed in effecting a radical cure in all three cases with your remedy, after "Smith's and Summer Goods, which I will sell a little lower Tonic" had failed. I think there will be no difficully now in giving to your "Cure" the vantage ground of any other remody now in use here. &c. WILLIAM BUCKNER, M. D.

THE FOURTH .- The 80th Anniversary of American Independence was celebrated at a number of places in this county. In Bradford township there was a fine celebration, between 800 and 1,000 persons being present. Several Sabbath Schools had joined, and together with the citizens generally, assembled on the old camp-ground, near Lowndsberry's, where appropriate addresses were delivered by Rev. Crowl and Rev. Bonewell and H. B. Swoope, Esq. A most excellent dinner had been prepared for the occasion, and was eaten with the liveliest relish.

AT KYLEBTOWN there was also a very spirited celebration, at which Mr. Isaac England acted as Marshall of the day. Eloquent addresses, appropriate to the occasion, were delivered by J. C. Brenner, and H. B. Swoope, Esqs. The proceedings were characterized by the utmost good feeling and harmony. In the evening, it was contemplated to have a brilliant display of fire-works.

At CORWENSVILLE, we understand, there was an appropriate and interesting celebration, at which Rev. Mr. Still delivered the oration. It was well attended, and in the evening was wound up by a display of fire-works.

MOUNT JOY CELEBRATION .- Agreeably to previous arrangement, the citizens of Mt. Joy, Paradise and Mt. Zion, met on the 4th at Mt. Joy. L. R. Carter was chosen President, John Shaw, Sr., Wm. Wallace, Wm. Ogden, A. G. Welch, John Owens, Hugh Orr, Martin Kline, John Young, Martin Nichols and George Carter, Vice Presidents, Richard Shaw and A. L. Ogden, Secretaries, and Nathaniel Rishel, Chief Marshall. After the officers had taken their seats, Mr. John W. Owens sung an anthem and delivered a prayer, and J. B. Shaw Nathaniel Rishel. A sumptuous repast had been prepared for the occasion, and was heartily partaken of by about two hundred and fifty persons. After dinner the assembly was again called to order, and addressed by Mr. John W. Owens. A series of regular and a large number of volunteer toasts were then read, which we are compelled, for want of room, to ing prevailed, and when the meeting adjourn- Susquehanna ? WHEREAS, it has been fairly demonstrated that the floating of loose saw logs on the Susquehanna river and its tributaries, and running rafts in the usual way, cannot be carried on at the same time. One or the other must cease, and it becomes a question only, of whether the free and uninterrupted navigation of these valuable highways shall continue open for the enjoyment of the mass of the people, or be monopolized by a few. For more than half a century the Susquehanna has been navigated by quantities of boards and square timber, well rafted in rafts, navigated by skillful pilots, and men sufficient to command them so as to have due regard to the safety of the prosperity of each other. Millions of dollars worth of lum-

ber has thus found its way to market. No one claimed the right, nor would he have been suffered to cast his lumber loose into the stream, to obstruct the lawful and fair business carried on upon it. Upon the truth that a highway so long and profitably used, would continue to be enjoyed, more than three hundred saw mills have been crected in Clearfield county, besides a large number in Centre and Elk counties, and are now in successful operation,

which if log floating is continued, must cease to do business and prove utterly valueless. A very large amount of capital has been invested in the erection of saw mills that will be entirely lost. A large population have been brought

here, accustomed to the business of manufacturing lumber, and relying upon it for the support of themselves and familiess who will be driven out of employment, and compelled, in poverty, to seek a home elsewhere. Hundreds of instances occur where men, in the hope of continuing in a laborious, but honest calling, have invested all they are worth in a saw mill and timber, who, if rafting must cease, will be ruined. Must all this be borne by the residents of the lumbering region? those who pay the taxes, and have supported the country, from its infancy to the present, merely to gratify a few timber owners, who have no interest in common with us ? The lumbermen ask no read the Declaration of Independence. An monopoly-vo protection of any kind that appropriate address was then delivered by Mr, they do not award to others. They are compelled to raft their lumber, place pilots and men upon each raft and so navigate the stream as to allow others to do the same with a common degreee of safety. All they ask in return is that those who choose to navigate it with round logs, be compelled to raft them together, and navigate the stream in the same way. There is no hardship in this, and by pursuing that course the interests of all parties will be protected equally. On the which we are compelled, for want of room, to omit. The greatest cordiality and good feel-are rafted together, and why not upon the
