MONICS WON'T DO !- They never did do I more than give temporary relief and they never will. It is because they don't touch the CAUSE of the disease. The CAUSE of all ague and billous diseases is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its NATURAL ANTIDOTE, and all diseases caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The cer-tificate of the celebrated chemist. J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruin-ous to the constitution and brings on DUMB AGUE. which never allows a person to fell perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician :

GEORGETOWN, OH10, March 17, 1856. JAS. A. RHODES, Esq.—Dear Sir: Yours of 2d inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to try it was greatly increased from the fact that a remedy een introduced which was growing in favor with the public, as being better than using Quinine,-not knowing, I presume the remedy they used to escape taking Quinine, contained the drug itself! The remedy, (known as "Smith's Tonie,") would invariably break an ague, but it did not cure it, as it would return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your cure. The following is the result: Three persons took your "cure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing. They had tried quinine, and other remedies, occasionally missing a chill, but it was (as in all such cases) slowly wearing them out, and laying the foundation of other and severer mala-I did succeed in effecting a radical cure in all three cases with your remedy, after 'Smith's Tonic' had failed. I think there will be no difficulty now in giving to your "Cure" the vantage ground of any other remedy now in use here, &c WILLIAM BUCKNER, M. D.

Rhodes' Fever and Ague Cure, or Antidote to Malaria, the only harmless remedy in existence, is equally certain as a preventive, as a "cure." Take it when you feel the chill coming on, and you will never have a single one. JAS, A. RHOADS,
