## THE CANDIDATES FOR CONGRESS

...lon.

As the election is near at hand, it might be well enough for the people to inquire how the candidates for Congress in this District stand on the question of admitting new States with free or slave constitutions. So far as our candidate, Col. James S. Myers, is concerned, we have personal knowledge that he is opposed to the extension of slavery into territory consecrated to freedom, and is consequently in favor of making Kansas a free State. He is perfeetly sound on this, as well as every other question, and as he is that "noblest work of ined the platform upon which Mr. Buchanan God," an honest man, and is possessed of any amount of "backbone," we can assure the voters of the district that they can rely upon him

The Democratic candidate is Hon. James L. Gillis. What position he occupies on this question, as we have no other means at hand to guide us, we must ascertain from the actions of the party who nominated him. The present member, Hon. David Barclay, was east overboard, by them, for doing what? For voting to admit Kansas with the Topeka or Free constitution! That is the unpardonable sin, for which he was rejected. Is it not fair, then, to infer that the man whom they nominated occupies just the reverse position-that he is opposed to admitting Kansas with the Topeka | and are receiving the countenance and encourageor Free constitution? We think so; but besides this, the body which nominated him adopted a resolution in which they "endorse and approve the platform of principles laid of the constitution and the Union, without disdown by the Democratic National Convention, held at Cincinnati." With these facts before him, no voter will be at a loss to know how the candidates stand, or how he shall vote.

## THE OCTOBER ELECTION.

Before two weeks more shall have elapsed, the election in this State will be over. It takes place on Tuesday the 14th day of October. The immense bearing which this election will have on the Presidential election, renders it of the greatest importance that the opposition should poll every vote. Let all who desire the defeat of the old gentleman who has embodied himself in the Cincinnati Platform, bear in mind that the sure and only way to bring about such a result is to turn out to a man, on the second Tuesday of October, and vote for the Union State Ticket. If the the cause, when the meeting adjourned with Locofocos are not successful at the October | three hearty cheers. election, there will be little hope of them carrying the State for Buchanan in November. It therefore behooves every man to go to work and labor zealously for the success of Thomas E. COCHRAN, for Canal Commissioner, DARWIN PHELPS, for Auditor General, and BARTHOLO-MEW LAPORTE, for Surveyor General. Let no lies which Locofocoism can invent induce you to withdraw your support from either of the Union candidates. They are all well qualified to fill the important posts for which they have been placed in nomination, and are well worthy the support of all persons who feel an interest in the future welfare of our good old Commonwealth. We therefore make an earnest appeal to all our readers to prepare for the ery vote out in each town and township, and roll up such majorities as will carry dismay into the ranks of the Buchanan party. Let nothing prevent your attendance at the polls. Rain or shine, be on the election ground on the second Tuesday of October next .- Belle-

Kansas .- Several collisions have taken place between the two parties. Gov. Geary has disbanded some of the Missourians. Lawrence is in possession of U. S. troops, by whom 90 of Gen. Lane's men had been made prisoners. Lane, with the remainder of his troops, fled to Nebraska.

The Brookville Jeffersonian came to us last week with a portrait at its editorial head-but | eussed; the true policy with regard to Kansas, and we have been puzzled to tell whether it is intended for Buchanan, or for Brady, the editor. As the 'pictur' is a handsome affair, it will pass for either.

Pursuant to notice, a large and enthusiastic meeting of the friends of Fremont and Dayton assembled at Centreville, Elk Co., on Saturday, Sept. 20th, to raise a pole and discuss roused to the importance of the ques- the issues of the present canvass. After the pole was raised, the meeting organized by appointing B. P. Little. Esq., chairman, J. R. Hancock, Elijah Meredith, Jacob Taylor and Elijah Bason, Vice Presidents, and Geo. Taylor and Charles McVean, Secretaries.

On motion of George Taylor, Esq., a committee of five was appointed by the chair to draft resolutions expressive of the sense of the meeting, viz :- Albert Willis, R. C. Winslow. Israel Chamberlain, Wm. A. Nichols and John Campbell. On motion of H. Little, I. G. Gotdon, Esq., addressed the meeting. He showed what was Jeffersonian Democracy and what is modern Sham Democracy, tracing the latter down to the smallest point imaginable, until it was entirely lost as to principle in its truckling subserviency to the South, and showed clearly and conclusively the necessity of a thorough reform and the election of Fremont and Dayton. He closed amid the deafening cheers of the crowd.

Mr. Souther being loudly called for, took the stand. He exposed the corruption of the present National Administration and the wrongs and outrages perpetrated upon Kansas, examand Col. Fremont stand, showing clearly that all opposed to the extension of slavery into free territory should support the latter, while the election of Buchanan would undoubtedly make Kansas a Slave State.

R. C. Winslow, on motion, addressed the meeting in an able and spirited manner, totally annihilating the arguments adduced to show that the Republican party was sectional, showed the blighting influence of slavery, and exhorted the friends of freedom to arrest its fur-

ther aggressions. Mr. Willis, chairman on resolutions, reported the following which were adopted: Resolved, That, in view of the manifold aggressions of the slave oligarchy, as exhibited in the repeal of the Missouri compromise and the attempts now being made to extend the evil of slavery into the territory of Kansas, and to drive therefrom, by robbery, arson and murder, all who are in favor making it a free State, (all of which have received

Resolved. That in Fremont and Dayton, standing as they do upon a platform of freedom, broad e nough and strong enough to preserve the Constitu tion and the Union of the States, and, above all the sacred rights they were intended to protect and perpetuate, we recognize worthy standard bearers, and will give them a cordial support.

Resolved. That in Col. James S. Myers, the American Republican nominee for Congress in this District, we have a candidate who can be trusted as a fearless champion of free speech and free territories, and that to him, as well as to all the candidates upon the Union State Ticket, we will give

our efforts and our votes. The meeting was afterwards eloquently addressed by A. Willis, W. A. Nichols, and E. F. Taylor, Esq's. The greatest enthusiasm prevailed during the whole proceedings.

A vote of thanks was given to the speakers, and the proceedings ordered to be published in the 'Raftsman's Journal,' 'M'Kean Citizen, 'Jefferson Star,' and other papers favorable to

The said sinking fund may be increased, from time to time, by assigning to it any part of the taxes, or other revenues of the state, not required for the ordinary and current expenses of government, and unless in case of war, insurrection, no part of the said sink invasion or ing fund shall be u ed or applied otherwise than in extinguishment of the public debt, until the amount of such debt is reduced below the sum of

five millions of dollars. SECTION 5. The credit of the commonwealth shall not in any manner or event, be pledged, or loaned to, any individual, company, corporation, or association; nor shall the commonwealth hereafter be come a joint owner, or stockholder, in any compa
