WANTED-In payment of subscription-at this office-grain, potatoes, wood, &c.

THE Washingtonians will hold a meeting in thief captured in Ridgway within 2 months. the Court House, on Monday evening, November 17th, at early candle-lighting.

PUTNAM, HOUSEHOLD WORDS and SCHOOLFEL-Low, for November, are on our table, filled with choice and interesting matter.

BURNT TO DEATH .- Three men and a woman travelling in an ox-wagon were burnt to death by a prairie fire near Bruckheat Grove, Ill.

AT THE Ohio State Fair, a brass wire screen was exhibited that was so fine that in a single inch of its surface, there were 25,000 meshes.

Connon Schools .- We have the Report of Dr. Schryver, the Superintendent of Common Schools in Clearfield county, on hand and will

School Teachers is called to a notice of the Directors of Brady township, who wish to employ six competent teachers.

pistols, a revolver, and a raw hide.

drain on its coffers, caused by the exports of the gennine. gold to India and other quarters.

Loss by Fires .- The total loss by fires in the United States during the last month, so far as ascertained, is \$1,336,000; making the total for the year thus far \$15,390,000.

GRAHAM'S MAGAZINE .- Under the control of the new proprietors, this magazine is gaining popularity, and deserves to be ranked among the first class monthlies of the country.

A Speculaton in Liverpool, England, has offered the city authorities \$5,000 per annum for the use of the lamp-posts, to post advertising bills on! The offer was not accepted.

IRELAND .- Accounts from Ireland state that the failure in the potato crop this year will be by no means so great as was anticipated at the early re-appearance of the mysterious blight.

LARGE SQUASH .- Mr. George Horne, of Darby township, Delaware county, raised, the past season, a Valparaiso squash, weighing ninetythree pounds, and measuring 5 feet both ways.

LARGEST SQUASH .- Mr. Samuel Hoard, of Chicago, has raised a squash in his garden, this season, which weighs 186 pounds. This is probably the largest squash ever grown in

GALE .- The late gale on Lake Michigan has been most destructive. The propeller Toledo was totally lost off Port Washington, with six-

bama advises persons smoking hams, to throw ventive against skippers.

Snow .- On last Friday morning, the 31st October, there was a fall of snow in this re-"Old Winter is coming."

AN OLD MILL .- The first grist mill ever erec- civilization, commercial and religious, have ted in Pennsylvania, is still in existence. It found their way, ring with the fame of these is a quaint old stone building, and bears date all-conquering remedies. There is no written about 1680. It is located on a small stream language in which he cannot produce testimonear Germantown, and some of the original niais of their efficacy, no printed one in which machinery imported from England, is still re. | they are not advertised and recommended .tained in the mill.

FEMALE TEACHERS .- Ex-Governor Slade, of Vermont has just sent out another company of female school-teachers to the West. There were twenty-five in the company, going to Illinois, Indiana, Missouri and Iowa, and they swell the total who have thus gone out under system of popular dispensaries is now in this Gov. Slade's auspices to 420.

THE SCALPEL .- This quarterly has been changed to a monthly, and is published at 10 cents a number or \$1 a year. Dr. Dixon is tenders in the profession. His periodical is, discovered and applied the true and only ways welcome it to our sanctum.

ARRESTED .- The Elk Reporter says that a horse thief, named John Keef, was arrested in Ridgway, on Monday the 13th Oct. He was arrested on suspicion, but about two hours after he was arrested a Mr. Brooks, of near Cuba, N. Y. rode up in pursuit of the thief, and identified the horse. This is the second horse

WE HEAR very distressing verbal accounts of suffering in Michigan, in consequence of the dense smoke from the marsh and bog fires. In the vicinity of Battle Creek it is said that consumptive persons have died in spasms, cattle have suffocated, and poultry have dropped dead. Thousands of acres have burnt over, and immense damage had been caused to pro-

As ice machine has just been completed at the Cuyahoga iron works, Cleveland, Ohio, which is capable of producing one ton of solid erystal ice in twenty-four hours. A trial has recently been made with the above result, while the mercury stood at eighty degrees in the apartment. The estimated expense of School Teachers. - The attention of manufacturing ice by such a machine is \$5 per ton, one-fourth of a cent per pound.

A New Counterfeit .- A new counterfeit ten dollar bill on the Girard Bank has made THE PROPER of South Carolina have return- its appearance, which may deceive the unwary. ed Hon. Preston S. Brooks to Congress, and It is easily detected, however, by its having armed him with seventeen canes, a brace of on the right hand end of the note a group consisting of a man and woman in a lovelike atti-THE BANK of England has raised its rate of tude, in place of the medallion head of Steinterest to six per cent., in consequence of the phen Girard, which appears on both ends of

> COPARTNERSHIP .- It may interest our brethren of the press to know that Dr. J. C. Ayer, of Lowell, (Cherry Pectoral and Cathartie Pills,) has associated with him, his brother Frederick Ayer, Esq., long and favorably known as a leading merchant of the West .-Mr. Ayer will conduct the widely extended business of the firm, which now reaches to the commercial nations of both hemispheres, while the Doctor will devote himself to the scientific investigations and pursuits .- Merc. Jour.

> CANNEL COAL .- In 'Lesley's Manuel of Coal and its Topography', it is stated that "this artiele is carbon, nearly pure from clay and sand; while black slate is characterized by it excess of clay. When black slate is charged with from 30 to 50 per cent. of carbonaceons matter, it greatly resembles and has been repeatedly presented for true Cannel Coal. The uncommon and rare qualities of Cannel, together with its acknowledged scarcity, has stimulated the monopolizing speculation spirit of the day to the trial of its representatives whenever they appear, and announcements have repeatedly been made of the discovery of enormous beds of it, which were, in fact, nothing but beds of compact black slate.

Apart from a chemical analysis, three convenient tests may easily be applied by any one in doubt; the weight of blackslate is plainly greater than that of cannel coal: a splinter of it will not light and blaze like one of can-SMOKING HAMS .- A farmer in southern Ala- nel coal, but merely glow in the flame where it is held; and thirdly, a heap of it on the ground upon the fire occasionally a handful of china will not make a fire unassisted by wood or berries which, he says, will be an effectual pre- coal, whereas a single lump of cannel laid upon an ember will be entirely consumed.

Cannel, Glance, Splint, Bony Coal, Blackslate, are but so many gradations in a mixed gion. In some sections of the county, a suf- and over varying proportionate deposit of carficient quantity fell to cover the ground .- bon and sandy clay of an original vegetation."

MEDICAL ULTREISM .- If there were health in a multitude of medical systems as there is Thurston. said to be wisdom in a multitude of counsel. copathists tell us that the salvation of our lives HAVANA .- Advices from Havana say that a in sickness depends upon influitesimal doses and to be sold as the property of David Wood. tess to rain health upon us from shower baths, burying us up to the armpits in earth-putting LARGE FEE .- Captain Albert Pike, of Ar- both feet in the grave as it were, by way of who are all for bleeding, blistering, and low fortunately, however, for all these theorists that they can show no practical proof of the assumed infallibility of their methods of cure. Not so Professor Holloway, who has really inaugurated a new era in the history of the healing art, and whose medicines for the last twenty years have annually rescued tens of thousands from impending death. This is no assumption, but a fact verified by the unimpeachable evidence of a cloud of witnesses.'-The archives of his central offices in London and New York, contain more than half a million of manuscript certificates, authenticated in the strongest manner, and placing beyond and every country to which the pioneers of Such is the demand for them in all parts of the world that they may be justly called a great commercial staple, and the number of agencies for their sale amounts to tens of thousands!

Professor Holloway, whose comprehensive mind is the motive principle of this immense country. His manufactory for the Continent is at New York, and there is no newspaper in the Union that has not endorsed his preparations: no city or town within the same limits. where they are not known and appreciated .one of the most independent journalists of These facts speak for themselves, and clearly whom we have any knowledge, and slashes show, that while so many medical dogmatists right and left into quackery and bungling pre- have been groping in the dark, he has actually means of eradicating the primary causes of in brief, rich, rare and spicy, and we shall al- disease in the human system .- New York Sunday Times.

AND FOR SALE. -The subscribers offer for sale a tract of land in Penn township. field county, containing 131 acres patented land about 60 acres cleared, the balance covered with timber of good quality. The improvements are a good two story frame house, nearly new, log barn and other out buildings, a never failing fountain of excellent water at the door, a large bearing apple orchard, and 12 acres in meadow. The above farm has many advantages, being in the centre of a thriving neighborhood, about of a mile from Pennsville and the Glen Hope and Susquehanna Turnnike; bounded by lands of Joseph Davis Thomas Wain, Thomas Martin and others. A publie road passes by the door, and is about in mile from the Catholic Church. Terms of sale will be made easy and possession given at any time by application to either of the undersigned

ANDREW MOORE NATHAN MOORE. Penn tp., S mo., 18th, 1856-aug27-3mpd.

MPORTANT TO EVERY-BODY .- For the last three years, I have been engaged in a business known only to myself, and, comparatively few others, whom I have instructed for the sum of \$200 each, which has averaged me at the rate of \$3,900 to \$5,000 per annum; and having made arrangements to go to Europe next Spring, to engage in the same business. I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of \$1. I am induced, from the success I have been favored with, and the many thankful acknowledg. ments I have received from those whom I have in-structed, and who are making from S5 to S15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positive humbug in the matter. References of the est class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a business at which cither ladies or gentlemen can engage, and with perfect case make a very handsome income. Several ladies in various parts of New York State. Pennsylvania, and Maryland, whom I have instructeb, now making from \$3 to \$5 per day at it. It is a general business, and but a few shillings is required to start it. Upon receipt of \$1. I will immediately send to the applicant a printed circular con-taining full instructions in the art, which can be perfectly understood at once. All letters must be NE GOOD TWO HORSE WAGON for sale by addressed to A. T. Parsons, 335 Broadway, N. Y.

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK ? Thas been the lot of the human race to be weigh ed down by disease and suffering. Holdo. WAY'S PHLES are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE. and the INFIRM, of all climes, ages, sexes, and constitutions. Professor Holloway personally su-perintends the manufacture of his medicines in the United States, and offers them to a free and enlight.

ened people, as the best remedy the world ever saw for the removal of disease. THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to enerate on the stomach, the liver, the kidneys the lungs, the skin, and the bowels, correcting any da rangement in their functions, purifying the blood, the very fountain of life, and thus curing discare DISPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these It has been proved in all parts of the world. at nothing has been found equal to them in cases

of disorders of the liver, dyspepsia, and stomed complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed. GENERAL DEBILITY. ILL HEALTH. Many of the most despotic Governments have o ened their Custom Houses to the introduction of hese Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for part sons of delicate health or where the system has

been impaired, as its invigorating properties sever fail to afford relief. Hollnery's Pills are the best remedy known in the

world for the following Diseases: Secondary Symptoms Asthma Diagrhosa Chest Diseases Stone and Gravel Coughs Fever and Agne Venereal Affections Influenza Bowel Complaints Female Complaints Costiveness Inflamation Worms of all kinds Dyspepsia Indigestion Lowness of Spirits Liver Complaints Inward weekness

FOR THE RAPID CURE OF Colds, Coughs, and

Hoarseness. RESPONDED NAME OF THE PROPERTY my practice and my family for the last ten years has shown it to possess superior virtues for the te-atment of these complaints. EDEN KNIGHT, M. D.

A. B. MORTLEY, Especial Uries, N. Y., writes: "I have used your Picturate myself and in my family ever since you invented it, and is lieve it the less medicine for it-purpose ever put out. With a lead cold I should somer pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, Miss., Feb. 7, 1856.
RECTION AVER: I will cheerfully certify your Propose. is the last remedy we possess for the cure of Phosping Coupt, Coup, and the chest discuss of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

BIRAN CONKLIN, M. D. AMOS LEE, Esq., MONTHURY, La., writes, 3d Jan., 1856; "I had a tedrous Influenza, which confined me in doors six weeks; took many nucleitures without relief; finally tried your Protostat by the advice of our cloryman. The first dose relieved the screness in my threat and ungs; less than one half the Lottle made a well. Your medicines are the cheapest as w we can buy, and we esteem you, factor, and your rens-dies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis, WIST MAGNESTER, PA. Feb. 4, 100.
Sin: Your Corner Proposition is performing marvelled
stress in this section. It has reflected several from slots. ng symptoms of consumption, and is new curing a near who has labored under an affection of the longs for the HENRY L. PARKS, Marclosut. last forte years. A. A. RAMSEY, M.D., Atrens, Moveor Co., Invi.,

writes, Sept. 6, 1855. "During my practice of many years I have found nothing equal to your CHERRY PROPERTY. giving case and relat to consumptive patients, or caring such as an curable." We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its

## Ayer's Cathartic Pills.

TALE stiences of Chemis ry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that there i'may have virtues which surress in excellence the ordinary medicines, and that they win unand pleasant to take but powerful to ours. Their pene-'trating properties stimulate the vital activities of the body, remove the platroctions of its organs, parify the blood, breed and grow distemper, stimulate singuish or discrdered organs into their natural action, and impare healthy tone with strength to the whole system. Not only do also f-cratifable and dangerous discuses that have buffled the best of human Skill. While they produce powerful effects, they are at the came time, in demanded doses, the salest and best physic that can be employed for children. Being superscentist, they are pleasant to take; and being purely regetable, are free from any risk of learns. Cures have been made which spreass belief more they not substantiated by men of such exalted position and character as to forbid the suspicion of notruch. Many eminent fy to the public the reliability of my remedies, while oth ers have sent me the assurance of their contlet in that my Preparations contribute immensely to the relief of my

The Agent below named is pleased to fornish gratis my American Almanue, containing directions for their use and certificates of their enros, of the following complaints:-Contiveness, Billous Complaints, Ebsenmajism, Broysy, Heartborn, Headache arising from a foul Stommch, Nansca, Indigestium, Marijal function of the Boxels and Palmisma Interferon, Flataboury, Loss of appetite, all Ulears one and Cutaneous Discuses which require an eragnant Medicine, Scrofnia or King's field. They also, by purifying the blood and sliminating the system, cure many complaints which is would not be supposed they could reach, such as Pouloess, Partial Blindress, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneya, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Costiveness, Billons Complaints, Electricalism, Draysy, Do not be put off by unprincipled dealers with some ther pill they make more profit on. Ask for Ayra's Pills, and take nothing else. No other they can give you compares with this in its intrinsic value or curative

powers. The sick want the best aid there is for them, and they should have it. Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. PRIOR 25 Crs. PER Box. FIVE Boxes For \$1.
