THE JOURNAL.

LOCAL AND GENERAL NEWS.

Next Sunday night being the 16th inst., the Rev. Dr. McLeod will (Providence permitting) preach a Sermon to the Young-young men and women. As it is ruled by the Vestry of the Church that hereafter the Pews and Sittings in the Church are all free, any one has a perfect liberty to sit where he pleases.

Also-On Thanksgivings day, the 20th inst., being the day appointed by the Governor of the Commonwealth, Public Worship will be held in the same Church, and a discourse suited to the day will be preached.

EXPIRED .- The term of Robert Mahaffey, Esq., as County Commissioner expired last

"JACK FROST" is on hand, and within the last few days the atmosphere has been quite

Good.-The receipts of the Virginia State Agricultural Society during the recent fair amounted to \$7,500.

Swonx-Ix .- John Irwin, Esq., the new County Commissioner was sworn in and entered upon the duties of his office last Friday.

OYSTERS .- The lovers of oysters will find our friend Robbins, across the way, ready and willing to supply them every evening.

Iowa .- In 1840, the population of Iowa was 78,988. The estimate of the present year is 600,000. The increase, last year was 274,000. Sr. PAUL .- By a census recently taken, the

9,978 souls. The Pioneer and Democrat vouches for its accuracy.

THE WEATHER-has been rather moderate and favorable this fall in this region of country. Recently, however, some rain has fallen and caused muddy roads.

LARGE FLOCK .- Mr. McConnell, of Sangamon county, Illinois, has the largest flock of sheep in the United States. It numbers, 21,000, and all of the choicest merinoes.

ABOUT .- It is said that another individual, partaking of the ubiquitous character of 'Sam,' and, like him, death on Locofocoism, is beginning to make his appearance in different sections of the country.

HEAVY BUSINESS .- The Wheeling (Virginia) Times states that an average of 70 car loads of produce and merchandise is now daily transferred at Benwood and Bellair, the railroad people being kept busy.

What it Costs .- The aggregate salaries of the persons connected with the Police Department of Philadelphia, exclusive of the Mayor, Marshall of Police, and the Mayor's clerk, amounted, last month, to \$30,976 96.

A FACT-That decidedly the largest and best stock of Fall and Winter Goods ever brought to Clearfield county can be seen at the store of H. D. Patton in Curwensville. He has almost everything that can be thought of, which is required in this country. Give him a call and see for yourselves.

TURKEY .- Since the publication of the new toleration law in Turkey, one hundred and six Christian churches have been repaired or constructed. The Sultan alone contributed \$5000 to one building. In fact, everything is done by him and his government to conciliate his subjects in this respect.

THE NUMBER OF VOTERS .- The whole white male population of the United States, for instance, over 21 years of age, and, to be presumed, entitled to vote is about 5,100,000, and yet the votes cast at a Presidential election seldom exceed 3,100,000, leaving 2,000,000 of inhabitants who do not use their franchise.

NICARAGUA .- In Granada, Nicragua, a few weeks since, Col. Alexander Jones, Paymaster of Walker's army, was married to Miss Mary H. Musgrove, of N. York. Col. J. was one of the original "fifty-six" who entered the country with Walker. This is the firstAmerican marriage that has taken place in Nicaragua.

SMALL Notes .- In accordance with the law of the last Tennessee Legislature, on and after September 1, 1856, the issuance or circulation of small notes of a less denomination than \$5, by any bank except the Bank of Tennessee, is made an indictable offence, punishable by a fine of not less than \$500, nor more than

NOVEL BET .- A couple young ladies in our town allowed themselves to become excited about politics so much as to make a wager on the result. The one was a friend of Mr. Fillmore's, and was so certain of his success that she bet her "hoops" against the bonnet of the other, who was an admirer of Mr. Buchanan We fear that the "hoops" are gone.

"A KICK UR" AMONG THE COLTS .- The N.Y. Post says that some difficulties have sprung up between Mr. James Colt and Col. Samuel Colt, his brother, and that the former, to enforce his claims for \$750,000, has attached the property of the Colt Manufacturing Company, of South Hartford, Connecticut, which will be contested in a court of law. The sudden decease of Mr. Jocelyn, the Treasurer of the company has, in the absence of the Colonel, created some impediment in the management of the Company.

AN AMAZON .- There is said to be living upon Bate's Island, in CascoBay, off the coast of Maine, a woman of the most wonderful powers of hardihood. The island contains about five acres, the largest portion of which she has put under cultivation, raising handsome crops of potatoes and other vegetables yearly. The land never was plowed, but has been thoroughly hoed over by her. The remaining portion she devotes to raising hay of a very superior quality, every crop of which she has moved and cured with her own hands. The early part of the day she devotes to fishing, going through the breakers in a fragile skiff, rowing single handed, where many a strong man would quail and hesitate. The results of her day's fishing she exchanges for money and greceries, with dealers who visit the island, from Portland,

were shipped from Philadelphia, by packets and steamers, to England, over 80,000 bushels of wheat, 50,000 bushels of corn, and 10,000 barrels of flour.

The soldiers of either service are, therefore, equally entitled to bounty land. A large number of claims that have been suspended, pending the decision of this question, will now be satisfied.

The City of Rhodes was in ruins. Some damage was also done in Smyrna. Fortunately but few lives were lost. He respectfully solicits a share of patronage.

It seems that he suspected the two slaves for harboring a runaway, and to prevent the continuance of the practice, had for several nights locked them up in an outpopulation of St. Paul, Minnesota, amounts to house. On the fatal night, however, he was stunned by a blow, and a large pot of boiling water, which had been prepared for the purpose, was poured through a funnel down his throat, until life was extict.

A BUNDLE OF ELOPEMENTS .- The Buffalo Express gives the following chapter of domestic difficulties ;-Mrs. King, near Kingston, was recently taken sick, and her husband seized the opportunity to elope with a handsome servant girl named Martin.
