

THE JOURNAL.

LOCAL AND GENERAL NEWS.

By Divine permission, the Rev. Mr. Thompson will preach in the Presbyterian Church in Curwensville, on next Sabbath, at 11 1/2 o'clock.

The North Western Conference of the Lutheran Church, will meet in Clearfield, on Thursday evening next. Business transacted with open doors. The Lord's Supper will be celebrated on Sabbath next. All persons are invited to be in attendance.

DEDICATION.—The new M. E. Church at Tyrone City, Blair county, will be dedicated on the second Sabbath in December, being the 11th day. One of the Bishops is expected to preach the Dedicatory sermon. Rev. J. A. Collins, A. Cookman, D. D., and other distinguished ministers from a distance will be present.

HOW TO KEEP WARM.—Go to Merrell & Carter's and procure one of their excellent stoves—and then make a good fire in it, of course.

HOW TO TELL!—If you are desirous of ascertaining the best place to buy good articles at low prices, consult the columns of the Journal and see who advertises. Business men who are liberal, always give notice of what they have, and when they have it for sale.—Buyers should remember this.

IMPORTANT TO EVERYBODY!—When cash is scarce, as it now is, it is a matter of importance to everybody to buy as much and as good and serviceable articles as possible for their money. By referring to our advertising columns it will be seen that Wm. F. Irwin has received his stock of Fall and Winter goods, which he will dispose of at the most reasonable prices.

UP-SET.—On last Thursday, as the stage from Tyrone to this place was within about a mile of Philipsburg, a bolt sprung loose, which caused the top to swing over and upset the coach. A gentleman named Carney, from Ohio, had his leg broken above the knee; the driver received some severe injuries, and another passenger was somewhat bruised—no other injured, we believe. We understand that Mr. Carney is doing as well as might be expected.

REPAIRING THE COURT HOUSE.—The Grand Jury last week recommended, we believe, that some repairs be made to our Court House, suggesting that the rear of the building be torn out and an extension be built up. We don't know with what favor such a proposition will be received by the citizens of Clearfield county, but it seems to us, if anything is to be done, that an entire new Court House should be erected; for but an indifferent job could be best made by patching—besides the expense incurred in repairing would make a nice item in putting up a new building.

LUMBERMEN'S MEETING.—An adjourned meeting of the lumbermen, was held at the Court House, in this place, on Tuesday evening, 18th inst., for the purpose of considering the subject of log-floating. Judge Leonard, President, in the chair, and D. W. Moore, Secretary. The proceedings of the former meeting, and the memorial to the Legislature, prepared by the Executive Committee appointed at the previous meeting, were read. After which addresses were delivered by J. Cuttle, Esq., and John M. Chase; and after the transaction of some other business the meeting adjourned to meet at the call of the President.

GOOD NEWS!—TYRONE AND CLEARFIELD RAIL ROAD.—Last Friday was the day fixed upon by the officers for the letting of a portion of the above road. A large number of persons were in Philipsburg at the time indicated. We have the cheering announcement to make that Messrs. Brady, Maurer and Lingel contracted to grade and make ready for the ballast that part of the road from the town of Philipsburg to within three miles of Tyrone city, for the sum of \$90,000. It seems to us that the company are getting the grading done at a very reasonable rate. At the same time we trust that the contractors have such a bargain as will induce them to push the work with vigor to an early completion. The making of the Tyrone and Clearfield Railroad is thus reduced to a certainty, and too much praise cannot be bestowed upon the officers and others who took an active part in having a portion of it thus early put under contract.

PROCEEDINGS OF COURT.—Court called on Monday and remained in session until late on Friday night. The following business was disposed of:— In the Court of Quarter Sessions.—William Miller was tried for passing counterfeit money and acquitted. McCullough and Swoope for Com.; Wallace, Hale & Crans for Deft. David Hockenberry plead guilty to a charge of larceny, and was sentenced to imprisonment for six months, &c. James Fullmore, John M. Scott, John Looker and John Briggs, who were charged with an assault and battery in putting Jacob Thurston out of church, were tried and acquitted, and the prosecutor sentenced to pay the costs. McCullough and Wallace for Com.; Crans for Defendants.

The Democratic party now consists of the slave power of the South, allied with the Catholics of the North, with just enough of dough-faces thrown in to give a triangular variety to the mixture. In Greenup county, Kentucky, Fremont's vote equals the whole Fillmore majority, the Republican party having very nearly the "balance of power." The vote stood: Fillmore 866, Buchanan 865, Fremont one.

NEW YORK.—Full returns from the several counties of New York foot up as follows:—Fremont 275,353, Buchanan 194,908, Fillmore 124,656. Fremont's majority over Buchanan, 80,445. That will do very well for one State.

SAMUEL SWARTWOUT died at New York on Friday in the 73d year of his age. He was Collector at that port under Gen. Jackson, and his immense defalcation while in office was the result of his being victimized by designing men.

THE THREE BROTHERS WASHINGTON.—Every one of the three Washburns is re-elected to the next Congress. Israel, in Maine, by 5,000; Caldwell, in Wisconsin, by 5,000; and Eliza B., in Illinois, by 11,551 majority. All Republicans.

HON. STEPHEN A. DOUGLASS was married in Washington last week to Miss ADA CUTTS. She is 24 years of age. She is a daughter of James Madison Cutts, who is a nephew of the celebrated Mrs. Madison. Douglas was a widower.

ONE OF THE TOWNSHIPS.—In Beninger, Elk Co., Buchanan had 245 votes, Fremont 1, Fillmore 0. Reason—all Catholics, except that one. We should like to see the man that had the courage to vote against the Locofocos in Beninger township. He must be possessed of

JOHN H. EATON, formerly of Tennessee, died at Washington city on Monday last week. He was a member of Gen. Jackson's Cabinet when the disruption took place in 1831, on account of some difficulty which occurred among the ladies of the other Cabinet officers, their refusing to associate with Mr. Eaton's wife, who, before her marriage, was a gay young widow.

LOSSES ON THE LAKES.—The disasters on the Lakes this season far exceed those of former years in number and fatality. The Chicago Tribune gives an imperfect list of the totally lost vessels, making an aggregate of six steamers, nine propellers, two tugs, five brigs and twenty-eight schooners. At a low calculation two hundred lives have been lost. Several of the vessels have disappeared and never been heard from.

SWIFT RETRIBUTION.—When they do nab a scoundrel in England whose crime can be legally punished, they make short work of him. About the same time that Huntington, on the great forger, was arrested in New York, a man named Robson, who had defrauded the Crystal Palace at Sydenham of £10,000, was arrested in England. The City of Washington brought the intelligence that Robson has been indicted, tried, found guilty and sentenced to 20 years' imprisonment. Huntington, on the contrary, has not yet been indicted.

A WILL CASE.—The Columbia South Carolina states that the celebrated case of Mr. Willis, who took a colored woman to Ohio, freed her, and bequeathed to her and her children (who were also his own) all his property in South Carolina,—has just been decided by Judge O'Neal, at the late term of the Court at Barnwell. The jury gave a verdict against the validity of the will,—partly on the ground that it was procured by fraud and insanity, and partly because it was opposed to the policy of the State, as declared by the act of 1841. It has been appealed.

SOLD HER NIGGERS.—Miss McDuffie, of S. Carolina, John Van Buren's bride elect, has sold her niggers at an average price of \$700, preparing herself for companionship with a Buchanan Free-Soiler! She need not have done that, for John is so debauched in political and moral sentiment, that, despite his old-time horror of slavery, we believe he would just as soon raise niggers for the market as pigs, and doubtless, in view of the trade he might drive in this line, we question if he does not feel that the lady has compromised his expectant fortune by disposing of her human stock at so low an average.

Holloway's Ointment and Pills, an astonishing Remedy for Erysipelas.—Mr. Henry Turner, of Dover, Maine, was afflicted with Erysipelas, large purple blotches came on his face and neck, and all parts of his body, and despite of the many remedies he tried, he was not benefited. At length he had recourse to Holloway's Ointment and Pills, and made up his mind to persevere with these remedies, which he did. The result was, that in a few weeks he was perfectly cured, and his general health wonderfully improved. This case has created quite a sensation in Maine.

THE FIGHTING EDITOR.—Mrs. Prewett, address of the Yazoo City (Mississippi) Banner, writes concerning the fighting editor of that paper, as follows:—"Some misapprehension seems to exist about our editor, Mr. Smith. We are constantly receiving business letters addressed to him. He is only the fighting editor, and has nothing to do whatever with the money matters of this concern. Challenges may be addressed to him as heretofore, and other warlike missives, insults, denunciations, &c., &c. We have no objections to having dans included in the category, as we regard dans as personal, and particularly offensive.—Persons having business of this sort with this office will please address Mr. Smith, the fighting editor."

MARRIED.—On the 20th inst., by the Rev. John Flegal, Mr. Jacob Booth to Miss ELIZA MINNIE, both of Jefferson county, Pa.

A MARVELLOUS REMEDY FOR A MARVELOUS AGE! HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY. By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these the Ointment when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt is freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means. ERYSIPELAS, SALVARIUM and SCORBITIC HUMORS.

No remedy has ever done so much for the "cure" of diseases of the skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Itch, Scald Head, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS. Some of the most distressing diseases now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, ulcers, wounds, glandular swellings, and tumors. Professor Holloway has by command of the Allied governments, dispatched to the hospitals of France, large quantities of this Ointment, to be used under the direction of the Medical staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even 20 years standing.

PILES AND FISTULAS. These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and the following is the printed direction for each part:— Rub in the Ointment and the Pills should be used in the following cases: Punctures, Mercerial Eruptions, Swelled Glands, Burns, Chapped Hands, Sore Throats, Chilblains, Rheumatism, Ulcers, Fistulas, Salt Rheum, Venereal Sores, Itch, Scald Head, Scrofula, Scrofula, Scrofula, Lumbago, Wounds of all kinds, Scalds, Piles, Sore Breasts, Sprains, Scalds, Sores of all kinds, Sore Throat.
