THE JOURNAL.

LOCAL AND GENERAL NEWS. St. ANDREW's CHURCH .- The subject of dis-

course for next Sunday night, 21st inst., is: Money-"the root of all evil."

EXPIRED—the term of Wm- Porter, Esq., as Prothonotary, &c., of Clearfield county.

RETURNED-Dr. Rhule to Glen Hope, as will be seen by a notice in our advertising columns. ets scorched.

GEO. WALTERS, Esq., the newly elected Prothonotary of this county, entered upon the duties of his office last week.

T. & C. R. R .- An election for officers of the Tyrone and Clearfield Railroad Company will be held at Philipsburg on the second Monday of January.

WE direct attention to the advertisement of Joshua S. Johnson, who has removed his Cabinet shop to Mr. John Troutman's new building on Market street.

IF "TIME IS MONEY," the place to get the article can be ascertained by consulting the advertisement of Wm. Tinthoff, who has opened a Clock and Watch shop in Curwensville.

SPECIAL ATTENTION is called to the advertisement of Thos. Robbins, who has a general assertment of Books, Stationery, Drugs, Medicines, Jewelry, &c.

SHORTWORK .- By a notice in to-day's Journal it will be seen that Frank Short has removed his shop, and that he is prepared to supply his former customers with new soles, or improve their old ones, at the lowest rates-rew customers same price.

CALIFORNIA.-The steamship Texas from San Juan brings two weeks later news from California. The vote of California stood :-Buchanan 60,000; Fillmore 35,000; Fremont 19,000. The Democrats have a majority in both Houses of the Legislature.

FAST .- As we were passing along the street last Sunday, we heard a knot of Juveniles enumerating the privileges allowed by their worthy sires, one of whom said his father permitted him to "smoke, swear and drink whiskey." Clearfield "Young Americans" are hard to beat.

PAPAL FOLLY .- At New York last week Padre Baldassare, in a melange of poetry and prose, which he delivered as a lecture on the present condition of Italy, told his hearers that one of the most treasured of relics of Naples, was a groan of St. Joseph, carefully secured in a small bottle!

LARGE HALL OF COUNTERPEITERS .- N. York, Dec. 8 .- James M. Taylor & Brothers, Exchange Brokers, corner of Chatham and James streets, and a man named Williams, have been arrested on the charge of dealing in counterfeit money. About\$30,000 in counterfett money was recovered, mostly from\$1 to\$20 notes.

VARIABLE-the weather. We have had within the last week all sorts of weather-in fact we had touches of all the seasons-a couple of the days we were led to fancy "December as pleasant as May," and a few days after we could easily have been convinced that the end of the north pole was punching us in the ribs.

weekly paper, for which the most popular writers in the country contribute, has now attained the extraordinary circulation of One Hundred and Ninety Thousand copies, and subscriptions are continually pouring in. See the Ledger's advertisement in another column.

reliable, it will be unendurably cold in Clearfield, for here the want seems to be universal. We trust the young men will adopt measures

GOLD IN A BRICKTARD .- By the recent news from Californicit is stated that at SanAndreas, during a rain, it was discovered that some brick in a brickyard contained gold, and it being found that the gold was more valuable than the brick, the propertors had turned a stream of water on it, and were washing away the is used in Missouri to have Benton returned to whole brick yard.

Losses at SEA .- The month of November, just passed, has been very disastrous in the way of marine losses. Twenty-six vessels were reported in the newspapers last month, as having been totally lost, involving a loss of property amounting to \$1,375,800. The loss of life by these same disasters was only one-a seaman. Verily, as Captain Cuttle says, the ocean is an "hawlmighty helement" in the destruction of property.

REMOVALS IN KANSAS .- The President has at last removed G. W. Clark, the alleged murderer of Barber, in Kansas, from the office of Indian Agent in that Territory, and appointed Isaac Winston, Whig, of Culpepper Co., Va., in his place. Mr. Clark was shielded by Gov. thus: Shannon and Marshal Donaldson, and he has not been arrested for the high crime alleged against him. Judge Lecompte's turn will their room as they entered it, six for acquitcome next, if President Pierce has pluck e- tal and six for manslaughter. Not the slightnough to remove him.

PORTICAL .- We have within the last week or two received more poetry than would fill the twelve were very properly discharged-one of Journal for a month. We have not had time | the counsel remarking that he considered unto examine the productions, but will do so as der restraint upon jurors, after they officially soon as we can. Some of them may be good, for aught we know, but Snooks we think was be very nigh false imprisonment.

right when he said that "Not every man can be a poet, No more nor a sheep can be a go-at." One of the productions is the history of a love affair. The "lovyer," it would seem, was "cut out" by a rival. He becomes disconsolate and irate. In the words of the writer:

"He swears that his antagonist Shall suffer by his hand; He fears not ferocious beast. Nor yet the face of man." The lady in the meantime has "vamosed," appears by the following stanza: "But she's crossed the Allegheny, A journey for to go, To keep house for a widower, Over in Tuckeyhoe."

Who'll say that that isn't poetry.

Go ir !- An Irish paper is trying to prove that Mr. Buchanan is an Irishman.

On the Eth inst., a collision occurred on the Railroad at Alliance, west of Pittsburg, by which nine persons were killed and 12 or 15

Two swindlers calling themselves Lord Arthur John Hudson and Sir Charles Miller, were arrested at Pittsburg last week. As usual, sundry fools after great men had their pock-

DEMENTED .- Reah Frazer, Esq., of Lancaster, known as "the war horse of Democracy," has gone crazy and is now in the Insane Asylum in Philadelphia, caused by political and financial excitement.

THE Indianapolis Journal says there were 6000 applicants for the post of Messenger to carry the electoral vote of Indiana to Washington. There were applicants from every township in the State but two.

The candidates for the Legislature in a county in Wisconsin were J. M. Root, Democratic; Robert Hogg, Free Soil; T. H. Dye, Know Nothing. So it was Root, Hogg, or Dye, with the voters, sure enough.

PREMONITION OF EVIL .- The singular fact is stated that at Stillwater, Minnesota, Rev. A. G. Nelson, Methodist minister, broke down in his Sunday morning sermon, and was so confounded by the unaccountable and awkward dilemma, that he summarily dismissed his congregation, ran home, and arrived there just in season to save his house from destruction by fire, which was well under way.

A LADY AFLOAT .- After all, hoops are not without their advantages. An English paper tells us that a lady was picked up by a pilotboat in the harbor of Ostend, whose head was kept above water by her crinoline skirts .-When taken into the boat she was in an almost senseless state; but on recovering, refused to tell her name or place of residence. She said she had made her family aware of her intention to commit suicide, and that she would ultimately carry her determination out. We presume that the next time she tries the experiment she will unhoop.

LATEST FROM NICARAGUA .- Critical Position of Gen. Walker .- Latest advices from Nicaagua state that Gen. Walker had been driven from every place except the Transit route, and at last accounts his forces, to the number of four hundred men, were at Granada, surrounded by the Costa Ricans and the forces of San Salvador and Guatemala. The fighting had continued for nine days. Gen. Walker was on board a steamer on the Lake, and without communication with his army. His men were regarded as in a critical position, and were suffering for want of provisions and clothing, and dying off by disease. This news was brought by the steamship Isabel, having obtained it from the passengers of the Tennessee, from San Juan, Dec. 4th, on her way New York.

THE SLAVE EXCITEMENT IN TENNESSEE .- The Evansville Journal is informed by gentlemen direct from Tennessee, that on the 9th, the whole region from Memphis, through Clarksville and Dover, on the Cumberland river, was THE New York Ledger, the great family in a state of the greatest alarm in regard to the movements of the slave population. The jails in all the counties were crowded with the arrested blacks. The county courts had been assembled in each county, and vigilance committees and patrols appointed for each neighborhood and township. Eight more negroes THE Lewistown Gazette gives as a sign of had been hung at Dover, making nineteen in cold weather, that twenty-three young ladies all. No act has yet been committed, out the in that town want partners. If the "sign" is proof of insurrectionary designs is said to be

Col. BENTON IN THE SENATE AGAIN .- The news from Missouri is that a coalition is formimmediately to prevent any disastrons degree ed between the Bentonian and Know-Nothing members of the Legislature, by which Col. Benton and Luther M. Kennett will be elected United States Senators from that State, their being two Senators to elect. This will be a crusher on the ultra border rufflan faction .-There can be no question says the Cincinnati the Senate. The administration papers of the State, whose support to a great extent depends upon official patronage, long so bitter on Benton, are now silent. It is extremely probable -it is almost inevitable-that the Senator for six lustrums will be sent back to his old seat.

> THE BAKER TRIAL .- Who has forgotten the Stanwix Hall Tragedy and the subsequent ovation to Poole the victim of the rlot ? the escape of Louis Baker, the pursuit and capture of him, his trial in New York, the new trial ordered, the change of venue, etc? The telegraph has given us from day to day within a couple of weeks, items relative to the progress of the trial which has at length concluded. The result of it may be summed up

The jurors, after being absent thirty hours in consultation over the evidence, came out of est prospect of any agreement being thus afforded by the lapse of time, the suffering announced "no prospect of agreement," to

In view of the whole case and the charge of Judge Peabody in it; in which he remarked that in cases like the one under consideration the law of self defence is very broad, the New York Times remarks that if another Stanwix Hall shooting scrape comes off, the best way for the Police and citizens to manage the affair will be to bar the doors and have a Kilkenny tragedy among the rioters .- Pittsburgh Daily Gazette.
