

THE JOURNAL.

CLEARFIELD, PA., FEBRUARY 11, 1857.

A MEETING of the Clearfield County Bible Society will be held on Wednesday, February 25th, at 2 o'clock p. m., in the Commissioners office, for electing officers for said Society for the ensuing year.

HORSE AND SLEIGH STOLEN.—On last Thursday night, a bay horse, new sleigh, and harness, the whole worth about \$180, were stolen from John Shaw, Sr., of Lawrence township, this county. Suspicions rest upon two men who had stopped at Mr. S.'s on Thursday at noon. We have understood that the horse and thief have been traced to the Sinnamahoning region, on the way northward.

THE MANSION HOUSE.—We direct attention to the advertisement of Capt. D. M. Weaver, who has taken the above named hotel, in this borough. Dan. makes a gentlemanly and obliging landlord, and will doubtless keep an excellent house. A few days since, he invited us to dine with him, and if the meal of which we then partook is to be taken as a specimen of the eating arrangements of the house, we feel confident that in this respect he will render general satisfaction.

TRAINS & CLEARFIELD RAILROAD.—A meeting of the officers of this road was held at Philipsburg on last Friday, at which time the expenses of surveying, locating, &c., as well as the first estimate, up to the 1st February, were paid. The amount in cash paid to the contractors, after having deducted the retaining per centage, &c., was about \$2,800. This action on the part of the company has inspired all connected with the enterprise, as well as the public in general, with renewed confidence that the work of completing the road will be pushed with spirit and alacrity.

THE WEATHER LAST WEEK.—THE RIVER, &c. In the beginning of the past week, a complete moderation of the cold took place, and on Wednesday a general thaw commenced and continued until the end of the week, during which time the snow melted away entirely. On Saturday the water in the Susquehanna was high and raised the ice, and about 10 o'clock a general break-up occurred in the river. The ice passed off with a rush, and in consequence of gorging for a short time, large pieces of it were forced out over the banks, tearing away fences, doing considerable damage to such parts of the roads as pass close along the river, and destroying quite a number of the little bridges over the small streams that flow into the river.

On Sunday and Monday, the atmosphere was again cold, and yesterday it "snowed and blew fresh." We anticipate some rough weather.

ANTI-LOG MEETING.—A meeting of the citizens of Clearfield County, opposed to floating of loose logs, was held at the office of L. J. Crans, Esq., on Monday, Feb. 9, 1857. Hon. J. T. Leonard took the chair; R. J. Wallace was elected Sec'y. Ellis Irwin, Esq., stated the object of the meeting to be for the purpose of framing a bill suitable to restrain the floating of loose saw-logs in the Susquehanna and its tributaries. L. J. Crans, Esq., J. L. Cuttle, Esq., and Hon. A. Irvin addressed the meeting. A memorial, prepared by a committee appointed at a former meeting, was read by the Secretary.

It was Resolved, That a committee of twelve be appointed to prepare a bill, such as would meet the wants of the community. Messrs. L. J. Crans, J. H. Larimer, J. L. Cuttle, T. J. McCullough, J. T. Leonard, W. A. Wallace, J. F. Weaver, George Walters, Ellis Irwin, G. L. Reed, J. B. Graham and Alex. Irvin were appointed said committee.

It was Resolved, That said committee be instructed to prepare a bill in accordance with the sentiments expressed in the memorial previously read.

Adjourned to 6 P. M., when meeting reconvened. Committee appointed to prepare a bill, reported one, such as the interests of our people demand, which, after being amended, was adopted. On motion adjourned.

R. J. WALLACE, Sec'y.

Holloway's Pills, an unparalleled Remedy for Female Complaints.—The Daughter of Mrs. Henderson, of Waukesha, Wisconsin, was for a long time in a very peculiar and delicate state of health, the mother tried a variety of remedies, but without the young lady deriving any benefit. As a final recourse she tried Holloway's Pills, which she used three weeks—and found they considerably improved her;—by continuing with these wonderful Pills for ten days more, all obstructions were quickly removed, and she has since enjoyed the best of health.

He who is not fair before 20, nor strong before 30, nor witty before 40, nor rich before 50, is one upon whom hops and malt are thrown away.

Coal digging in Pennsylvania is a safer business than gold digging in California, and pays as well. Our coal business amounts to forty millions a year, and California yields but that amount of gold.

The rascals of New York have taken to bagging their victims.—The other night, two of them drew a bag over the head of Thomas Hanna, hauled him into a cellar on the corner of Irving place and Eighteenth street, and robbed him.

A letter postmarked Mountville, Pa., states that the body of an unknown man, apparently 50 to 60 years of age, was found lying on the turnpike road between Columbia and Marietta on the morning of the 30th of January, with the throat cut from ear to ear.

There are tribes in Borneo who have a terrible superstition that leads them to hunt their fellow men in order to get their heads, believing that the souls of the beheaded will be their slaves in another world. If they'd get the souls of some people we know of, what diminutive slaves they would have!

We see by the Hollidaysburg papers that W. S. H. Keys, tried in the Blair county Sessions for assault and battery with attempt to commit a rape, was acquitted on the second charge, but found guilty on the charge of assault and battery. His counsel moved in arrest of judgment, and for a new trial for reasons filed.
