THE sciences of Chemistry and Medicine taxed their utmost to produce this best, make purgative which is known to man. Innumerable process are shown that these Price have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are with and piessant to take but powerful to cure. Their pentrating properties stimulate the vital activities of the body. remove the obstructions of the organs, purify the blood, and expel disease. They purge out the foul lumors which broad and grow distances, simulate sleggish or discredered organs into their natural action; and impart healthy tone with strength to the whole system. Not only do they care the every-day complaints of every body, but also formidable and dangerous diseases that have teathed the best of human shill. While they produce powerfu, affects, they are at the same time, in dissintshed doesn, the safest and less physic that can be employed for children Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of learn.
