CLEARFIELD COUNTY. All persons in Clearfield county favorable to the above call, and who are sincerely opposed to Locofocoism, are requested to meet in County Convention in the Borough of Clearfield, on Saturday the 21st day of March, at 2 c'clock, p. m. to select one Senatorial and one Representative Delegate to the above Convention, and to transact some other business of importance. Each Borough and Township are requested to send three or more delegates. MANY. March 11.

To CARPENTERS .- We invite the special attention of carpenters to the advertisement of Wm. Irvin, Esq., of Curwensville, who will receive proposals for the building of a dwelling house, uptil the first of April next.

We direct attention to the card of Weaver, Fitler & Co., of Philadelphia, dealers in Manilla and Hemp Ropes, Carpet Chain, Yarn, done to this structure. Bed-cords, &c., which will be found in the advertising columns of the Journal.

F NEW ADVERTISEMENTS .- L. R. Carter offers a house and lot near Clearfield for sale; Hugh M. Riddle a house and lot in New Washington; J. H. Hommer has grain and merchandise to exchange for boards and shingles; several other notices also appear, to all which attention is directed.

UP-SET .- On Saturday evening, as James B. Graham, Esq., was coming down the hill at the east end of town, in a buggy, the breechband of the harness broke and caused the buggy to run on the horse, who took to his heels, and in attempting to run past a sleigh upset the buggy. Mr. G., and one of his sons, who was with him, fortunately escaped without injury, and but little damage was done, we believe, to the vehicle.

SUSQUENANNA LUMBER TRADE .- The Star, printed at Wrightsville, Pa., in a recent number, states that the price of lumber at that place has varied but little for several months. There is a full supply of cullings there. The Star then goes on to say :-

"Several timber ratts have arrived at our wharves from Northumberland, and we understand there are at Lock Haven some 500 rafts of sawed lumber and timber, a goodly portion of which may be expected to reach this point by Saturday next. It is said the supply of lumber to descend the Susquehanna this season is large, and it might be supposed that prices would abate some, but this, we think, will hardly be the case, as the supply is not adequate to the demand."

The statement that there are 500 rafts at Lock Haven is so egregiously incorrect that it will provoke a smile on the countenance of any individual at any point from Lock Haven to day, April 15th, 1857. the head of the river; but as it is well calculated to mislead persons at a distance, (the paragraph having been copied into Bicknell's Reporter,) we deem it but right, as a matter of candor, to say that not over fifty rafts, if that number, all told, had reached Lock Haven this season. As to the quantity of timber and lumber that is at this time ready to be sent to MARY TAYLOR, of Bradford township. market from the West Branch, we are satisfied, from the best information we can obtain, that it is considerably short of last year's product. The uncertain duration of the recent snow deterred some, who had timber a considerable distance from the river, from hauling it; such, however, as had it convenient to the river, which would enable them to get in enough to construct a raft, have been busy hauling. At this time, we think the entire quantity of lumber at and in the streams will not more in the arms of Him who has said, "Suffer litthan supply the demand, if it will do that.

HOLLOWAY'S PILLS, a most famous Remedy for the Cure of Nervousness and General Debility .- Jasper M'Cann, of Bridge Street, Brooklyn, Long Island, New York, was without doubt a severe sufferer from nervous and general debility, the least thing provoked his taken away-blessed be the name of the Lord. irritability, put him in a passion, and laid him up; this was caused by the bad state of the fluids, and though he tried many remedies for his complaint, he was not benefited. At length he had recourse to Holloway's Pills, which quickly performed their part, by removing the injurious fluids from the system cleared his head, restored tone and vigour to the stomach. and after five weeks perseverance, restored him to the blessings of health.

ROBINS' EXPECTORANT COMPOUND SYRUP OF WILD CHERRY.

FOR THE CURE OF Bronchial affections, Coughs, Colds, Pleurisy, Bron-chitis, Asthma, and all other diseases of the throat and lungs, except Consumption. This invaluable remedy is no quack nostrum, but is prepared from the recipe of a regular physician, who during a practice of twenty-five years, used it with unpar-alleled success. It is a combination of expectorant remedies, simple in their character and used by every educated physician. It is easily taken, produces no nausea or other disagreeable effects, and gives almost immediute relief. In this ever-changing climate, where coughs and colds so fre-quently end in consumption and death, no family should be without this CERTAIN CURE.

It would be easy to follow in the wake of the venders of patent medicine, and multiply certificates got up for the occasion, of miraculous cures, but no such adventitious aid is necessary in introducing this preparation to the public. Its real value, and never failing success, in accomplishing all promised for it, cannot but give it a wide circulation, and recommend it to all those afflicted with diseases for which it is a remedy. Price 37½ Cents per Bottle.
