

THE JOURNAL.

CLEARFIELD, PA., MARCH 18, 1887.

STATE CONVENTION.

The citizens of Pennsylvania who are opposed to the extension of slavery and to the equally obnoxious principles of the incoming National Administration, as announced in the Cincinnati platform, are to meet in the union of church and State, the exclusion of the Bible from our common schools, and in favor of protecting the ballot box from the corrupt influences by which the will of the people was defeated in the recent State and Presidential elections, are requested to elect delegates, equal in number to the present representation in the Senate and House of Representatives, to meet in the Hall of the House of Representatives, at Harrisburg, on Wednesday the 25th day of March next, at 12 o'clock M., to nominate candidates for Governor, Judge of the Supreme Court and Canal Commissioner, to be supported at the ensuing October election.

David Taggart, John R. Harris, James J. Lewis, De Lorna Imbrie, Paxson Vickers, W. Warner, John H. Winthrope, A. W. Crawford, A. Hine, C. S. Kaufman, John C. Sloan, Jonas Augustine, C. S. Eyster, Joseph Brown, Jos. D. Fownall, John B. Peters, Nich. Voeghtly, Jr., James Peurose, John Purcell, James M. Sellers, John Withrow, Chas. B. Penrose, George T. Thorn, S. B. Chase, David Mumma, Jr., John M. Gibney, Henry Southern, W. E. Stevenson, John W. Killinger, D. A. Finney.

CLEARFIELD COUNTY.

All persons in Clearfield county favorable to the above call, and who are sincerely opposed to Locofocoism, are requested to meet in County Convention in the Borough of Clearfield, on Saturday the 21st day of March, at 2 o'clock, p. m., to select one Senatorial and one Representative Delegate to the above Convention, and to transact some other business of importance. Each Borough and Township are requested to send three or more delegates.

According to a report made to the Board of Revenue Commissioners at Harrisburg, Clearfield county is the fourth in the State in respect to the number of acres within her boundaries, having 750,000. Those having a larger number of acres are: Luzerne 895,000, McKean 805,000 and Bradford 751,000. The valuation agreed upon by the Board, fixes the amount of property in this county subject to taxation at \$1,432,615.

THE WEATHER, during the last few days, has moderated considerably, and the snow, under the warm rays of the mid-day sun, has to a great extent disappeared. The dams in the river were still covered with ice on yesterday, but the action of the water was wearing it away rapidly. With the present stage of water, it will doubtless require some rain to make a good rafting flood.

We understand that the Presbyterians of Clearfield and Curwensville have finally determined upon giving Rev. James H. Baird, formerly of Toledo, Ohio, but more recently of Philadelphia, a call as pastor for the congregations at the places named.

GONE TO IOWA.—Hon. Alex. Irvin, J. B. McNally, Esq., and Mr. David B. Rodkey, of this place, started this morning for Iowa. They contemplate purchasing lands and locating warrants. We wish them good luck.

CAGED.—A man named Dunham was lodged in the jail in this place, on last Thursday evening, charged with improper intimacy with the "better half" of another man, who lives out in Sinnamahoning.

During rating, it is likely that we will miss issuing the Journal one week.

Congress, on adjourning, appropriated \$20,000 to renew the furniture in the Executive mansion; also \$11,000 for the repair of the public grounds in Washington.

An idea of the amount of letter writing in the United States may be inferred by the number of postage stamps sold, which, during the last year was one hundred and fifty millions.

The Northern Independent, a progressive Methodist paper, started to represent the more decided anti-slavery sentiment of that body, has in six months attained a circulation of 10,000. The principal editor is the Rev. William Hosmer.

Holders of Lancaster Bank notes, says the Lancaster Examiner, should understand that if they demand payment at the bank, and have an endorsement to that effect made by the cashier, the notes so presented will bear six per cent interest until paid—or until a final dividend is made of the assets. The notes, it will be understood, will bear interest only from the time payment is demanded: and those on which no demand is made, will of course not bear interest.

The New York Tribune says, that the Pope has made to us another assignment of a portion of his refractory subjects. Fifteen men, released from prison and sent to this country at the expense of the Papal treasury, have just arrived. These exiles will forthwith be forwarded to Scranton, Pa., to join their compatriots, where employment will be given them—the expense of their transit being defrayed by the American Industrial Association.

The question of pay and allowances to Lieut. Gen. Scott was fortunately settled during the closing hours of the late session of Congress. The arrearages due the veteran, it is understood, will amount to about thirty-two thousand four hundred dollars, and his annual pay and emoluments will hereafter be fifteen thousand dollars. A grateful nation, we are sure, says the National Intelligencer, will cordially approve this proceeding, and deem it far less a measure of liberality than of justice.

CLIPPINGS AND SCRIBBLINGS.

Not as pleasant as it might be—to edit a paper and work all day at "case," having at the same time a cold that makes ones head feel as big as a lager-beer barrel.

The Secretary of the Navy has ordered the steam frigates Niagara and Mississippi to be equipped with dispatch, to assist in laying the Atlantic telegraph cable.

Henry S. Magraw was re-elected State Treasurer on last Wednesday, by a vote of 68 to 67 cast for Jacob Dock, a member of the House from Philadelphia.

On the 8th ultimo, Mrs. Mary Taylor, of Hampshire county, Va., seeing an eagle making havoc among a flock of geese, seized a club and striking the national bird, killed it on the spot.

W. A. Williams, Esq., of McKean county, has been appointed Representative Delegate to the Union State Convention, on the part of McKean and Elk counties, and John F. Donaldson, of Tioga, as Senatorial Delegate, by Tioga, Potter, McKean and Elk.

Long John Wentworth, as he is familiarly called, who was formerly a locofoco member of Congress, and a leading politician of that party in Illinois, but now a Republican, was elected Mayor of Chicago on the 3d inst., by a majority of 1,100; the balance of the Republican ticket has still a large majority.

The Legislature of South Carolina has amended the Constitution so as to require a previous United States citizenship of ten years, as well as a previous residence in that State of two years, as a qualification for voting. The bill was passed by a large majority. Well done for the locofoco State of South Carolina.

We find that some persons have fallen into error relative to the extra session of the U. S. Senate, supposing it to be an extra session of Congress. The 34th Congress expired on the 3d of March by Constitutional limitation, and the extra session of the Senate was necessary to confirm the Cabinet nominations, &c.

A great bargain.—The ship Adriatic, of New York, of 2,600 tons and only five months old, which was lately stranded near Dungarvon, Irish Channel, was sold, hull and cargo, for £1510 and has since been got off and taken into Queenstown. When repaired and rigged afresh, it is thought she will be worth fully \$50,000.

John C. Patterson, an eminent lawyer of Wilmington, Del., assisted by his friends gave a French gentleman from New Orleans an awful beating one evening last week, because he had been in the habit of walking out with his, the lawyers wife, late at night. Mrs. Patterson, one of the most beautiful women in the city, has gone home to her parents.

The annual Appropriation Bills which passed the House of Representatives before its adjournment appropriated over \$35,000,000. This includes \$13,000,000 for the army; \$12,000,000 for the navy; \$1,500,000 for steam mail lines; \$2,000,000 for fortifications; and \$5 or \$6,000,000, for civil services, such as coast surveys, capitol extension, custom houses, &c.

A Monster Gold Nugget.—The Sidney "Morning Herald" states that a nugget of gold was recently found at Louisa Creek, New South Wales, the value of which is estimated at \$20,000. It weighs about five hundred, but there is very little gold visible on the surface. This is the largest nugget of gold yet discovered in the world. Its discovery produced quite a sensation.

The three candidates on the locofoco State ticket were all formerly printers. Gen. Packer began life as a printer boy; Judge Lewis started in life as a printer, and for a time edited a paper in Lycoming county; and Mr. Strickland was for fifteen years editor of the West Chester Republican. This, taken in connection with the fact that our new U. S. Senator, Gen. Cameron, as well as his competitor, John W. Forney, were formerly both printers, looks as if our profession was not only much respected, but very influential in the Keystone State.

Has a time of it.—The editor of the Warren Ledger, in trying to collect. After two days' unceasing effort, he got a note from a chap who owed him, and traded it off for a pair of "butes," in which he determined to give his delinquents chase as long as they will hold together. In his last paper he gives two of his Democratic legal patrons a "dig." One owed him \$10.50 and the other \$4. He says he came pretty near trading off the large account for a jack-knife, but as he gave the sharp dealer the choice, he took the smaller bill, and so has it on hand yet. Rayther hard collecting out in Warren, we should think.

ROBINS' EXPECTORANT.

AND COMPOUND SYRUP OF WILD CHERRY.

For the cure of Bronchitis, Coughs, Colds, Pleurisy, Bronchitis, Asthma, and all other diseases of the throat and lungs, except Consumption. This invaluable remedy is no quack nostrum, but is prepared from the recipe of a regular physician, who during a practice of twenty-five years, used it with unqualified success. It is a combination of expectorant remedies, simple in their character and used by every educated physician. It is easily taken, produces no nausea or other disagreeable effects, and gives almost immediate relief. In this ever-changing climate, where coughs and colds so frequently end in consumption and death, no family should be without this certain cure.

It would be easy to follow the tracks of the vendors of patent medicine, and multiply certificates got up for the occasion, of miraculous cures, but no advertisement need be necessary in introducing this preparation to the public. Its real value, and never failing success, in accomplishing all promised for it, cannot but give it a wide circulation, and recommend it to all those afflicted with diseases for which it is a remedy. Price 37 1/2 Cents per Bottle. Prepared exclusively by THOMAS ROBINS, Druggist, Clearfield, Pa. March 4, 1887-4f
