son of the widow Spackman, of Boggs township, was thrown off what is called a "flying horse," and had the base of his skull fractured. Me bled profusely at the ears and mouth. The professional services of Dr. Crouch, of Curwensville, were called into requisition, but the lad's recovery is considered doubtful.

A Snow Storm .- On last Monday, the 6th April, we had a regular old-fashioned snow storm. It "blew, snew and friz," and by noon the ground was covered with snow, the atmosphere was cold and chilly, and everything looked and felt like winter. Yesterday the snow nearly all disappeared, but the air was months. raw and disagreeable.

Men often mistake notoriety for fame, and would rather be remarked for their vices and follies than not to be noted at all.

Boston folks are talking of indicting the Speaker of the lower branch of the Massachusetts Legislature for "keeping a disorderly house."

Der England, France and China .- A letter from Paris says it is now certain that England and France have agreed to act jointly in the China affair. France will furnish twenty thousand troops against England's superior naval force; and England allows France to introduce a clause into the arrangement in favor of the Catholic religion.

THE KANSAS CENSUS .- A letter to the N. Y. Tribune, dated Lawrence, March 19th, says :-"I have just been down to the Miami Islands, and find them in the same situation as the Shawnce. More than one half of the month devoted to taking the census is gone, and I have not seen a census taker or his deputy, or heard of them, nor have I been able to find any man who has. By one section of the census law no man arriving in Kansas after last Sunday can vote at next June election. On that day there were not 300 voters on all of these border reserves, but I am advised that they will contain a sound listed population of voters of upwards of 3000. Feeling is getting more excitable on the border. A few days ago a gentleman driving his team through Westport saw a crowd. Some of these hailed him, and asked him if he was "Law and Order."-He replied in the affirmative, and added that he had sworn to support the Constitution of the United States four times. This was unsatisfactory. "Was he sound on the goose?"—
"Yes he was," he responded. "Well," they added, "we have got 3500 men here who own claims in the Territory, and who are listed by the Sheriff, and will vote."

HOLLOWAY'S OINTMENT AND PILLS, are astonishing Remedies for Bad Breasts .- The wife of Mr. John Langton, of Cincinnati, Ohio, had a remarkable bad breast, in which there were two large running wounds, to what cause attribute it, the doctors did not know, but advised the adoption of a variety of remedies, which were of no use. At last Mr. Langton determined to try what Holloway's Pills and Ointment would do, he fortunately purchased a quantity, and after his wife had used them for three weeks, a visible improvement took place; by continuing them for two months, ment can attend, if they see proper.

So he was acquitted.
