THE RAFTSMAN'S JOURNAL,

THE JOURNAL.

CLEARFIELD, PA., APRIL 29, 1857.

REV. DR. GIBSON will preach in the Presby-terian church in this place next Sabbath.

NEW ADVERTISEMENTS .- A large number of new advertisements appear in to-day's paper, to which we direct attention.

Wm. Irvin, Esq., having purchased the stock of goods lately owned by H. D. Patton, at the old Corner Store in Curwensville, is ready to supply customers with anything in his line. Thomas Burnside has opened a Leather and

Hide Store in Bellefonte. L. H. Turner, adm'r of Wm. Barr, dec'd, of-

fers for sale a house and two lots in this town. A stone-ware pottery, in Brady township, can be purchased by applyidg to L. J. Crans, Lag., Clearfield borough.

The stockholders of the Tyrone and Clearfield Railroad will find a notice of some interest to them.

James Mullen advertises a strav horse. Wm. M. Cathcart publishes a caution. Several other advertisements also appear.

ATTEMPT TO BREAK JAIL ._. On last Thursday night the two prisoners in our jail, charged with horse stealing, made another attempt to break out. They had dug a hole through the back wall large enough to escape through, and concealed it by replacing the heavy plank with which the room is lined. The stone they placed under their beds to avoid detection. About 12 o'clock on the night named, one of them succeeded in forcing the heavy iron door of his cell from its hinges, but before he had proceeded any farther the Sheriff entered the room, put a stop to his operations, replaced the door, and secured the prisoners.

Too TRUE .- All doubts as to the fate of Mr. Flannegan, who we mentioned in our last as being probably drowned, are removed-he, beyond all question, having found a "watery grave." He leaves a large family to mourn his death. Search has been made for his body without finding it. Truly, "in the midst of life, we are in death." *

NEW POSTMASTER .- Charles D. Watson has been appointed Post Master for this place, in the place of John H. Hilburn, removed. He will take the office in a few weeks.

The attention of School Directors is called to the fact that next Monday is the day fixed upon for electing a County Superintendent.

sketch of his sojourn in Kansas as its Governor, and that it will make a profound impression upon the public mind and heart. Let it all out, Governor, hit where it may.

Gen. Walker offers a very large bounty to those who will join his fortunes in Central America. Those who go thither will doubtless come in for a liberal share of the newly grabbed territory, (six feet by two at the very least) without counting such luxuries as yellow fever, knife wounds, &c.

17 The "fair election" promised Kansas, is just such an one as Louis Napoleon had when he was "elected" Emperor. "Jemmy," said Paddy, "you may have your choice of the two mares, but, be the Howly Virgin, Pll have the gray one." They may "elect" to stay at home or be cheated and perhaps murdered in the bargain.

HOW SOME THINGS ARE DONE.

We stated a few weeks since that the "side-door" leaders were resorting to every means to get names to their call for a State Convention. The following letter shows that the name of Mr. Abr'm Hoyt, who resides in Lawrence tp., was attached without hisknowledge or consent. Mr. Hoyt authorized us to also make a statement to that effect. He has too much spirit and good sense to allow himself to be made the tool of low and base political tricksters. We copy the letter

From the Harrisburg Telegraph.

CLEARFIELD, April 21, 1857. MESSES. EDITORS :-- I see a call published in the Philadelphia Daily News, for what purports to be an American State Convention at Lancaster, on the 20th of May, to nominate candidates for State offi-ces. I take this method of stating that I neither placed my name to the call nor authorized it to be used in that connection. I would also state that I have no affinities with that clique of disorganizers who are at the head of the movement; on the contrary, I am honestly and sincerely opposed to Lo-cofocoism, and will co-operate with the great body of the Opposition, in its efforts to overthrow the sham Democracy.

Respectfully yours, A. G. HOYT.

FROM THE STATE CAPITAL.

HARRISBURG, April 25th, 1857. MR. EDITOR OF JOURNAL-Dear Sir :- The House did not take up the bill to prevent throwing obstructions in to the Bennet's Branch of the Sinnamohoning on last Monday. What was the reason ? It was made the order of the day, and it requires a two-thirds vote to suspend the order. The reason is simply this. No one called for the orders of the day, and it slipped. Mr. Backus attempted to call it up on Thursday, but failed, there being not two thirds in favor of suspending the orders of the day for this purpose. He had, however, permission of the House to make a statement, and read quite a lengthy speech on the bill, and was followed by Mr. Petriken on the opposite side, by like permission of the House .-There was some merriment in the House while Mr. Petriken was speaking, when he would refer to the bill before the House, the cry from different parts of the House was heard, "What Bill ?" there being no bill before them, and

Mr. Petriken speaking by permission. The storm on last Sabbath and Monday, the 19th and 20th, was very severe and general .--It commenced here on Saturday evening, and

chitis, Asthma, and all other diseases of the throat and lungs, except Consumption. This invaluable remedy is no quack nostrum, but is prepared from the recipe of a regular physician, who during a practice of twenty-five years, used it with unpar-alleled success. It is a combination of expectorant remodies, simple in their character and used by every clucated physician. It is easily taken, produces no nausea or other disagreeable effects, and gives almost immediate relief. In this everchanging climate, where coughs and colds so frequently end in consumption and death, no family should be without this CERTAIN CURE.

It would be easy to follow in the wake of the venders of patent medicine, and multiply certificates got up for the occasion, of miraculous cures, but no such adventitious aid is necessary in introducing this preparation to the public. Its real value, and never failing success, in accomplishing all promised for it, cannot but give it a wide circulation, and recommend it to all those afflicted with diseases for which it is a remedy.
