DR. Avin: Your Pills are the perfection of medicine.
They have done my wife more good than I can tell you.
She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dyscatery. One of our neighbors had it bad, and my wife cared him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cared entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excelent agent in Ealtimore, Dr. Mackenzie, I tried your Filis. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the plaints have made it already known. Nay, few are the families in any eivilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangeous diseases of the throat and lungs.
