Ayer's Cathartic Pills, TIME sciences of Chemistry and Medicine have been taxed their atmost to produce this lost, most perfect purgative which is known to man. Innumerable proofs

are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win mi-precedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the four homors which breed and grow distemper, stimulate singuish or disor-dered organs into their intural action, and impact healthy tone with strength to the whole system. Not only do they core the every-day complaints of every body, but also formidable and dangerous diseases that have haffled the best of human skill. While they produce powerfueffects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children Being sugar-coaled, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cure have been made which surpass belief were they not substantiated by men of such exalted position and characte as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent flight names to certify to the public the reliability of my remedies, while oth ers have sent me the assurance of their conviction tha my Preparations contribute immensely to the relief of m afflicted, suffering fellow-men.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for Arm's Prins, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
