CLEARFIELD, PA., MAY 20, 1857.

COMMUNION SERVICES .- Rev. Mr. Hamtaill, of Boalsburg, will preach in the Presbyterian church in Clearfield borough, on the 5th Sabbath in May, on which occasion communion will be held. There will be preaching at 2 o'clock on the preceding day.

MEETING POSTPONED .- In consequence of the adjournment of Court this morning, the American Republican meeting called for this evening, is postponed to Wednesday evening of August Court, at the Court House.

COURT PROCEEDINGS .- The Court this week was very slimly attended, and Judge Burnside portant cases on the argument list and the following in the Sessions were disposed of:

Charles Pierce and Wm. Smith, charged with stealing a horse and sleigh, last winter, from John Shaw, Sr., plead guilty, and were sentenced to pay a fine of \$100, restore the property, and undergo imprisonment in the Western penitentiary for the term of three years. Com. vs. Jos. White. Larceny of shoes, pro-

perty of Hile & Bro. Tried, and Defendant

The Grand Jury found several true bills for nuisance against those engaged in floating loose logs, and also a bill for riot against those who made the attack on the floaters of Clearfield Creek. Court adjourns to-day.

THE WAR ON CLEARFIELD CREEK .- We received, a few days since, a communication from Woodward township, signed "A Citizen," giving the Log-floaters version of the difficulof public sentiment in favor of the floaters a complete success cannot properly be said. has taken place in consequence of the extreme measures resorted to by the former, and thinks the latter should have a fair hearing. No reasonable man would object to that; but inasmuch, however, as the communication contains some inferences which, in our opinion, would only embitter the parties against each after turning everything topsy-turvy, carried other, and as the matter will be judicially investigated and the facts fully brought to light sad made public, we deem if prudent and best, has not been heard of since. When last seen with all due deference to the writer, to omit it. he was sitting on the abutment of the dam a-

PAY OF COUNTY COMMISSIONERS, WITNESSES AND JURORS .- We see it stated that an act has passed both branches of our State Legislature, and received the Governor' signature, which provides that from and after its passage, the Commissioners of the counties of Westmoreland, Delaware, Elk, Luzerne and Clearfield shall receive two dollars per day, witnesses attending Court one dollar per day, and Jurors one dollar and fifty cents per day, with mileage, payment to be made as directed by exist- at Danville, caused by the death, under suspiing laws relating thereto.

township last week, stole \$20 in money from which was hanging in a room up-stairs. A stranger who had lodged at Mr. D.'s the night previous, is suspected. People should be watchful of such fellows.

THE RIVER was in good rafting order during the latter part of the past, and the beginning of this week. On Sunday we observed several rafts passing this place, and we presume that very few, if any, this season, will fail to be run to market. The freshets were, however, late in the season, and money matters are yet stringent in this county; but we may, in a short time, when our lumbermen return, expect to experience easier times.

THE WEATHER .- The atmosphere has continued cool during the past six or eight days, with frosts at night; but we believe no injury has resulted from the frosts, though they have had the effect of retarding vegetation. The season is very backward, and farming operations have advanced but little in this county. A great deal of rain has fallen within the two last weeks. It rained all day yesterday.

POCKET PICKED .- Yesterday evening, Mr. Zachariah Ogden, of Lawrence township, had his pocket picked of \$54 in money, whilst attending an auction in this borough.

A FARM, in Ferguson, and 50 acres of land, in Pike township, are advertised for sale by L. J. Crans, Esq.

WASHINGTON COUNTY .-- The Commonwealth of the 13th. says :- There is no doubt in the public mind as to the guilt of Fife, Stewart and Charlotte Jones, in the Wilson McMasters butchery; indeed, it is shown, by the testimony of Margaret Tuton, that this murder was plotted before the White murder took place. The perpetrators of the White murder are not so clearly shown, but we think enough has been elicited to lead to the detection of the authors of this horrid crime. A rumor has een circulated that Bill Jones has made a confession, but this is untrue. He preserves a moody and dogged silence. William is still at large, and we fear he will, if he has not already, make his escape. Our officers are exercising the utmost vigilance, and should anything of importance transpire we shall take the earliest moment to spread it before our

TIO RIVERMEN .- THE COLUMBIA PIER COMPANY has erected a Pier in the River, opposite Columbia, about 400 feet in length, 200 yards from the shore, and 200 yards below the Columbia Bridge, for the hitching and securing of Rafts, Arks, &c., and of capacity sufficient to hold securely, and at any stage of water, any number of crafts likely to stop here at any one season.

The depth of water immediately around and at

great distance in every direction from this Pier. at a low stage, is seven feet; so that there is not the slightest danger of becoming fast aground at any time By running in the usual course to the oridge, and then heading out, the Pier can be reached by crafts without the slightest difficulty. A second Pier is about being erected a short disance below the present one, and is expected to be so far completed as to be ready for use during this

This, the company feel assured, will be the very best and most advantageous landing on the river. No property landing here need be molested, or get aground and be sacrificed on account of a sudden falling of the water; but can remain here secure. whilst the owner may be trying to sell in the va-rious markets to which he has access; and he can leave here at any time, and at any stage of water, with his property, if he can do better in another market, either by river, canal, or railroad—for Baltimore, Philadelphia, or any of the various markets elsewhere—having his own time in which to do so.
