Citizens of Clearfield county ! look to your own interests, and don't be bamboozled by politicians who ask you to support Packer, the man who boasted that he had helped to defeat a bill to prohibit or restrict log-floating.

Two young females of Harrisburg eloped with a couple of the men connected with Eldred's circus, on Monday night a-week, and have not since been heard from. It seems that glitter and tinsol and gewgawry can't be resisted by the fem- ing, &c. inine gender. It's a pity that good sense is not estimated as highly.

A few days since, a young girl at Fishereek Hill, Virginia, hung herself in consequence of an anrequited love attachment. The superstitious people in the vicinity would not allow her to be buried in the enurch-yard and her remains were interred at the cross-roads, in accordance with a 21st, 1857, between the hours of 1 o'clock and o'clock p. m. L. J. CRANS, heathenish custom and obsolete law.

The revenue of the United States, during the present fiscal year, it is calculated at Washington, will reach eighty millions, or thirty millions more than are necessary. This, added to the twenty millions surplus last year, will make fifty millions. Here is a fine chance for men in office who have an "itching palm."

We have heard a tall story of an Irish knight, who was once disputing with a French courtier as to the age and standing of their fami-I tes, when the latter, as a finisher to the argument, . aid that his ancestors were in the ark with Noah. . That is nothing." said the Hibernian, "for, at the deluge, my forefathers were cruising about in a boat of their own."

17 The Galveston, Toxas Civilian learns that the Rev. Henry Wendt, of that city, who has lately been traveling in Europe, and who is a native of Russian Poland, has been arrested in that country for an alleged political offence, committed ten y cars ago, in the too free expression of republican sufficients. Mr. W. was the pastor of the Evangelical Lutheran church in Galveston.

The Presbyterian Express notices a letter them Norfolk, in which allusion is made to a cololed female servant, named Hessy Kellam, who 1 ad grown very melancholy on account of the relesal of her master to permit her to marry. The e-use assigned for this refusal was that she had a bready led to the altar cloven husbands, all of whom she had seen to the grave. This unprece-d-nted propensity for the matrimonial state would stem almost ineredible.
