THE JOURNAL.

CLEARFIELD, PA., OCT. 28, 1857.

TEMPERANCE MEETING .- The Washingtonian Temperance Society will hold their quarterly meeting on Monday the 9th November next, in the Court House, at early candle light, when the good old practice to sing temperance songs will be renewed, as we got a supply of song books. The public are kindly invited to at-G. P. GULICH, Prest. October 26, 1857.

SEVERAL additional Sheriff's sales appear in this week's paper.

ACCIDENT .- A little daughter of John F. Weaver, Esq., of this Borough, broke one of her arms on last Sabbath forenoon, by falling against the parlor door.

BEARS .- We understand that a couple "bruins" were killed during the last week in Bradford township, this county. One, we are told, weighed 400 lbs.

THE EFFECTS of the "hard times" are beginning to show themselves plainly in this county. Business of all kinds is very dull, and there is a general disposition to contract operations. The prospects for our lumbermen are rather poor, and the chances are that but a light business will be done next spring. At present the saw mills are nearly idle; indeed. we do not know a single mill in all this region that is sawing lumber to take to the lower

Epirons Electen .- We notice that quite a number of the editorial fraternity in Pennsylvania have been chosen for various positions of trust and responsibility. G. Nelson Smith, of the Johnstown Echo, is re-elected to the Legislature from Cambria, as is also John Hodgson, of the Jeffersonian, from Chester county, J. Heron Foster, of the Pittsburgh Dispatch, and Col. A. K. McClure, of the Chambersburg Transcript, the latter beating Sansom, of the Fulton Democrat, about 100 votes. E. J. Keenan, of the Greensburg Democrat, Register and Recorder of Westmorland county, Col. T. B. Searight, of the Genius of Liberty, Prothonotary of Fayette county, and Ed. Scull, of the Whig, Prothonotary of Sommerset county. J. C. Hays, of the Crawford Journal, is elected Treasurer of that county, and C. P. Ramsdell, of the Venango Citizen, and G. P. Shaw, of the Newcastle Gazette, re elected to the legislature. There will be at least seven editors in the House this winter.

THE RESULT OF OUR PANIC IN ENGLAND .-The Europa, which brings our latest dates, sailed on the 10th, on that day the Persia had arrived at Liverpooi, her advices announcing the suspension of the Rhode Island, Philadelphia and Maryland banks-which was merely the beginning of the troubles on this side. The news of what followed, culminating in the suspension of the New York banks, the fatlure of a number of leading railroads, and the general smash up among merchants, would not reach there until some two weeks later. and we shall have to wait some time before we learn the full effect of all our disasters upon the puplic mind of England and Europe. The first item of news, however, that to which we have alluded above-the mere harbinger of disasters which no one there had yet anticipated-produced the greatest excitement in all quarters, and on that day-the 10th-led to a general suspension of business in Liverpool

Musr Come Down .- A New York exchange says L Yes, fellow citizens, rents must come down. The high rates of the flush times of 1856 cannot long co-exist with the levelling tendencies of the revulsion of 1857. Rents must come down-fast horses must come down--fast young men must come down from their fast horses, and stretch their legs by a little wholesome walking. Provisions must come down-hotel charges must come down-the pew as, well as other charges of our fashionable churches must come down-bread must come down, and the late enormous spread of crinolines must come down, notwithstanding the awful letting down in dry goods. Every luxury and almost every necessity must come to the new specie standard excepting perhaps lager beer, which will probably remain at four, five and six cents a mug.

ADVICE TO GRUMBLERS .- Mind your own business. Attend church and live up to the rules laid down by the preacher. "Love thy neighbor as thyself." Don't fret. Take things coolly. Pay your debts, not forgeting the printer. Finally be an honest man, and when you go home kiss your wife, but don't spank the babies. If you do all of these, a ray of happiness will penetrate into your heretofore darkened soul.

N. B .- If you havn't got a wife of your own, kiss somebody's daughter. And if you can't kiss somebody's daughter-then what ?

nanchor to windward .- The eight savings banks of New York city, have on deposit an aggregate of twenty nine millions of dollars. This is "something for a rainy day," and will go a good way to keep poor people Gom starving the coming winter.

DruJohn," said a father to his son, one day when he caught him shaving the "down" off his upper lip, "don't throw your shaving water where there are any bare-footed beys, for they might get their feet pricked."

The report of the Treasury shows a balance of \$10,632,000-a reduction of \$1,620,000; drafts issued, \$2,069,000. One million of the payments out were for the public debt. The receipts for the past month have been \$3,600,-000; payments, \$10,600,000.

CLIPPINGS AND SCRIBBLINGS Scarce-Benton "mint-drops." DF Plenty-duns and promises to pay. Blustery-the weather and certain selfmportant busy-bodies.

BF High-the river, flour and provisions generally. DF Low-our wood-pile and the chap wo

rolled into the gutter the other night. BFRich-to hear an inordinate blast puff-

ing himself. Drevailing here-a sort of influenza. Wonder whether it isn't the Packer grip. DF As a nation we have run in debt this

ear alone about \$125,000,000. Plenty-Pheasants, if we can judge from the number our town Nimrods have been shooting recently.

DOBINS' EXPECTORANT COMPOUND SYRUP OF WILD CHERRY.

Bronchial affections, Coughs, Colds, Pleurisy, Bron chitis, Asthma, and all other diseases of the throa and lungs, except Consumption. This invaluable remedy is no quack nostrum, but is prepared from the recipe of a regular physician, who during a practice of twenty-five years, used it with unpar-alleled success. It is a combination of expecto-rant remedies, simple in their character and used by every educated physician. It is easily taken, produces no nausea or other disagreeable effects, and gives almost immediate relief. In this everchanging climate, where coughs and colds so frequently end in consumption and death, no family

should be without this CERTAIN CURE.

It would be easy to follow in the wake of the venders of patent medicine, and multiply certificates got up for the occasion, of miraculous cures, but no such adventitious aid is necessary in introducing this preparation to the public. Its real value, and never failing success, in accomplishing all promised for it, cannot but give it a wide circulation, and recommend it to all those afflicted with diseases for

which it is a remedy. Proce 371 Cents per Bottle.
