NOTICE.—THE UNION DISTRICT INSTITUTE. comprised of the districts of Clearfield, Curwensville, Lawrence, Pike and Penn, in concert with your Co. Superintendent, deem it expedient to call the teachers and friends of education, in the county, together this winter, in a County Institute, having for its object, the mutual improvement of teachers, the advancement of the cause of popular education throughout the county, and effecting of a permanent County Institute organization. The undersigned were appointed a committee to fix upon the time and place, and issue the call. After consultation, we have agreed upon the twentyfirst and twenty-second of January, (Court week,) to meet in the Town Hall in Clearfield Borough, at 10 o'clock A. M. Teachers of the County are all earnestly solicited to be present, to aid in furthering the interests of that great work in which they are engaged.

Fellow Teachers-arguments need not be presented to induce you to come. You are presented to induce you to come. You are engaged in a work sufficient to tax your energies, demand your highest abilities, and call for all the facilities with which you can avail yourselves. The importance of Institutes, wherever the public mind is properly aroused to the interest of education, is universally felt and acknowledged. Institutes and Associations are formed and attended with enthusiasm, generally, throughout the State. In comparison with their value, the time and expense are minor considerations. Come up, therefore, fellow teachers. Come, and give each other the friendly grasp and social greeting. Come, and feel that you are brothers, having one great aim and common sympathies. Come, and gain new energies and aspirations for your work, by your intercourse and united deliberations; and let your minds be fired to pledge perpetual allegiance upon the altar of popular education. L. L. STILL, W. B. THOMAS,

C. B. SANFORD, Jan. 6, 1858. SCHOOL DIRECTORS OF CLEARFIELD COUNTY: A call has been issued to the Teachers of the County to assemble in Clearfield Borough, on January the 21st and 22d, in the Town Hall, at 10 A. M., for the purpose of holding a County Institute. I cordially invite you to attend .-Come and see what we are doing to improve the system of teaching, to benefit you and your children. In some parts of the county the Directors value the Institutes so highly that they give the teachers their time to attend them. I hope this will be made a uniform rule throughout the County.

A NEW COUNTERFEIT DETECTOR .- About the most useful thing that any person in business, can have in these times, is a correct and reliable Counterfeit Detector and Bank Note List. This want is now to be supplied. Messrs. T. B. Peterson & Brothers have just commenced the publication of "Peterson's Philadelphia Counterfeit Detector and Bank Note List"-a monthly quarto publication which contains all the information that can be obtained in regard to all Counterfeits, Broken Banks, and the rates of discount on all the Bank Notes of the country. Messrs. Drexel & Co., the well known Bankers and Brokers, of Philadelphia, will supervise it and make the corrections in each number of the list, so that it may be perfectly relied on, while the well known house of E. W. Clark & Co., Commission Stock and Exchange Brokers, will correct the Stock List. Not being intended to subserve the purpose of any banking house, as most of the Detectors foot was lifted, a large gold ring, worth \$8, was do it will be a useful and reliable publication discovered safely lodged in the free foot. do, it will be a useful snd reliable publication to the whole business community, and we would advise all of our readers to remit the price of one year's subscription to the pubtishers at once for it. OPENED AGAIN .- Our fellow townsman, H. Hays Morrow, has taken the old HEMPHILL Hotel, and, as will be seen by an advertisement in another column, will be prepared to accommodate guests during the ensuing court week. We have no doubt that he will keep a good house, and render satisfaction to all who may favor him with their custom.

AMPUTATED .- We understand that a Mr. Sulsbach, near Woodland, in Bradford town ship, this county, had one of his legs amputated above the knee, yesterday. Some weeks since he cut his knee, and mortification ensued, which rendered amputation necessary to save his life, if possible.

If any of our readers want a good musi cal publication, we refer them to the advertisement of the New York Musical World, in

Our thanks are due Hon. J. L. Gillis, M. C., for favors received.

HAY \$200 A Ton .- There is now at the Auditor's Office, in Washington, a box, some three feet square, containing vouchers of accounts allowed by the Commission on the Rouge River Indian (Oregon) war claims, to the amount of six millions of dollars ! Some of the items consist of hay at two hundred dollars per ton!

Acquisition of Cuba .- The usually well informed Washington correspondent of the New York Courier and Enquirer has received evidence that the negotiation for the acquisition of Cuba has been renewed, and that a sum has been named so enormous as to stagger even Castilian pride, in view of the necessities of Spain.

Funs, to the amount of \$150,000, have been experted from Minnesota Territory during the past year.

Bellefonte, April 29, 1857-if. ROBINS' EXPECTORANT.

COMPOUND SYRUP OF WILD CHERRY. FOR THE CURE OF Bronchial affections, Coughs, Colds, Pleurisy, Broa chitis, Asthma, and all other diseases of the threa and lungs, except Consumption. This invaluable remedy is no quack nostrum, but is prepared from the recipe of a regular physician, who during a practice of twenty-five years, used it with unpar-alleled success. It is a combination of expectorant remedies, simple in their character and used by every educated physician. It is easily taken. produces no nausea or other disagreeable effects, and gives almost immediate relief. In this everchanging climate, where coughs and colds so frequently end in consumption and death, no family

ould be without this CERTAIN CURE. It would be easy to follow in the wake of the venders of patent medicine, and multiply certificates got up for the occasion, of miraculous cures, but no such adventitious aid is necessary in introducing this preparation to the public. Its real value, and never failing success, in accomplishing all promised for it cannot but give it a wide circulation, and recommend it to all those afflicted with diseases for which it is a remedy. DAILY TELEGRAPH FOR THE SES. SION.—PROPOSED ENLARGEMENT.

The Harrisburg Daily Telegraph is now in the second year of its existence. It started last fall rather as an experiment, and has succeeded beyond the most sanguine expectations of its publishers. It has gradually won its way to public favor, until it has placed itself upon a firm and sure basis, and is now one of the permanent "institutions" of the Capitol. It shall be the effort of the publishers to continue it in the spirit in which it has been conducted, to add to its general and local interest, and to merit its steadily increasing patronage; and should its increased patronage in subseription and advertising be commensurate with their hopes and expectations, it is their intention to enlarge it about the first of January next, by the addition of four more columns. This will give us additional room for our advertising patrons. without intrenching upon the space allotted to the reading matter. During the Legislative session BRILLIANT PROSPECTUS! reading matter. During the Legislative session it is the most desirable paper in the State. The paper will be strictly neutral in politics.

During the approaching session of the Legislature, it is our intention to make the "DAILY TELegnaret and reliable exponent of the doings of the Legislature of Pennsylvania. With this view, a corps of competent Reporters will be employed in each House. The session will be one of more than ordinary importance. The derangement of the currency, and the peculiar position of the Banks, will require, or, at least, will excite much legislation. Incorporated companies for manufacturing, mining and other purposes, will also require much legislation. It shall be our province to present to the readers of the Telegraph full and impartial legislation upon these and all other subjects, wherein they may be interested. Business men throughout the State, who desire

a correct knowledge of the doings of their representatives during the sessions of the Legislature, and there are many such, do not properly appreciate the *Telegraph* Through its columns they can obtain this knowledge, and also receive the very latest news of the day, domestic and foreign, by telegraph and mails; and will be a perfect mirror of the news throughout the world. Per-sons who desire correct information, and who once take the Telegraph, would not do without it again. The Local department will be attended to sual, and will give a faithful record of everything
