THE LUMBER BUSINESS .- But little timber has as yet been hauled to the river bank, in consequence of the scarcity of snow, and unless we should have considerable winter between now and spring, our castern friends won't be bothered much with a superabundance of lumber this season, from Clearfield county.

PROCEEDINGS OF COURT .-- Court called on Monday, and remained in session until Friday night. Owing to the illness of his Honor, Judge Burnside, but little business was transacted on Tuesday. In the Court of Common Pleas there were only two causes tried, and they occupied near all the time the Court was in session, viz:

James McManus vs. Frederick Fishel et al. This was an action of ejectment to recover 40 acres of land, which was part of land purchased by Plff. at Sheriff's sale as property of George Snyder. The defendants alleged that the land was embraced in a purchase made by Rorabaugh, under whom they claimed, prior to Sheriff's sale. A verdict was rendered for the Plaintiff for the premises, to be released on payment of \$220. McEnally and Linn for Plf., W. A. & R. J. Wallace for Defts.

Mitchell & Mchaffey vs. Salmon J. Tozer et al .- Ejectment for land surveyed on warrant to Henry Musser. S. J. Tozer and D. Woods limited their defence to the land embraced in the John Carmody survey, and the other defendants to the land included in survey in name of Henry Buffin. Plaintiffs claimed under a sale for taxes in 1822. On the part of defendants it was contended that the two tracts were so located there was no interference of surveys; if there was an interference, the sale for taxes did not convey title to the interference, and that they were protected by the statute of limitations to the land contained within their lines on the ground. Verdict for defendants. W. A. & R. J. Wallace for Piffs. Crans and Cuttle for defendants.

The following were also disposed of : Geo. L. Reed vs. Wm. Martin .- Defendant confessed judgment for the premises. W. A.

& R. J. Wallace for Plif., Crans for Deff. John England vs. Crowther & Galer .-- Defendants confessed judgment as per statement

filed. Crans for Plff., Swoope for Deft. Sorver & Co. vs. Michaels et al .- Motion by Deft. to set aside award of arbitrators. Award set aside. Swoope for Plfls., Crans for Deft. In the matter of the application for removal of the School Directors of Boggs township, and an injunction to prevent the collection of taxes assessed. The court set aside the application of removal at the costs of complainants, and decreed that so much of said tax as
