THE JOURNAL.

CLEARFIELD, PA., FEB. 24, 1858. "Mollis" received and will appear soon,

A. Y. M .- On Monday the 22d inst., R. E. Brown, D. D. G. M., assisted by a number of visiting brethren, organized Clearfield Lodge No.314 A. Y. M., of which Thos. Barnhart is W. M., S. B. Row S. W., John McGaughey J. W., John Patton, Tr., and R. J. Wallace, Sec.

A very pleasant incident transpired in connection with the visit of the members of the fraternity from abroad. On Tuesday, the members of the lodge accompanied the D. D. G. M. and visiting brothers to Curwensville. where they partook of an excellent dinner, at the hotel of Isaac Bloom, which the liberality of Gen. Patton had prepared. Just before dining, the Curwensville Saxe-Horn Band, who made a very fine appearance, presented themseives, and played a number of spirited and elegant pieces, for which they were deservedly complimented by D. D. G. M. Brown, in a few neat and appropriate remarks. After dinner the band, and members of the lodge, escorted the visitors out of town, after which the former returned to the hotel, and after exchanging compliments separated.

ROBOTCH ELECTION .- The election last Friday resulted in choosing Wm. Porter, Justice of the Peace, Wm. Radebaugh, Burgess, and Wm. L. Moore, R. V. Wilson, Wm. H. Robertson, Joseph Goon and Thomas Mills, Town Council. R. F. Ward was elected Assessor, and Wm. F. Irwin and James Wrigley, Assistant Assessors; H. Parks, High Constable; J. F. Weaver, M. A. Frank and Isaac Johnston, School Directors; J. C. Whitehill, Judge, and Miles Kratzer and Wm. R. Brown, Inspectors ; J. O. Lorain, J. G. Hartswick and Wm. A. Wallace, Auditors; Samuel Mitchell and G. W. Rheem, Overseers of Poor.

Tampenance Meeting .- On Monday even ing, the 22d inst., a meeting of the Washingtonian Temperance Society was held in the Court House, which was addressed by J. B. M'Enally and H. B. Swoope, Esquires. The proceedings were much enlivened by vocal and instrumental music. The songs of the choir were excellent and appropriate to the occasion. The Carwensville Saxe-Horn Band, which visited our town on that night, were Pittsburg. The estate is valued at \$700,000; the present, and their performances elicited the great bulk of which is bequeathed to charitable unqualified praise of the large, intelligent and appreciative audience.

For the Journal. B. COARIA ELECTION .- In Beccaria township, the election held on the 19th was made a political contest, and resulted in the success of the entire American ticket-the "Dimmykrats" being beat about three to one. Last spring considerable beasting was done about that lock-jaw ensued, terminating fatally. the success of the Democracy in the township, when there had been no political contest. Wonder whether they'il crow any over the re-Yours.

ACCEPTABLE .- Our friend J. C. Moore, of Penn township, presented us yesterday with half a bushel of the finest apples we have seen for some time. They are very large and "not hard to take," and Mr. Moore will please accept our thanks for the same.

"You Haven't, HAVE You?"-While in a store, the other day, we saw a neat-looking old lady enter, with a basket on her arm and spectacles on her, nose, looking for all the world, as if she had popped out of a band box, so clean and tidy was she. She stepped up to the counter, and the following dialogue took place between her and the clerk :

Old Lady-"You haven't any butter, have you ?"

Clerk-"Yes, ma'am, some nice and fresh, just received."

Old Lady-"You don't sell it at twenty-five cents yet, do you ?"

Clerk-"That's our price, madam." Old Lady-"You couldn't let me have

couple of pounds, could you?" Clerk-"Oh, certainly." Taking the plate he weighed out the butter, and she threw

down a half dollar, which he scrutinized closely. Old Ludy-"You don't think that's bad, do

Clerk-"Yes, ma'am, I do."

Old Lady (much excited)-"You wouldn't take this truck back again, would you."

Clerk-"How do you know I wouldn't?" and taking the butter, he dashed it back into the firkin. The old lady seized the plate and the bogus half, and started to leave, but when she got to the door, she turned around and said, in the way of a final clencher:

"You're not in any ways riled, I reckon,

FIRST BLOOD IN THE MORMON WAR .- By way of California we have news that on December 7th Col. Alexander with the 6th dragoons attempted to force their way through Echo Canon, and that in the attempt four dragoons were killed. Thinking it impossible to force the pass, Col. Johnston, who had assumed command of the troops, retired, and in a few days dispatched Gol. Alexander, with twenty-eight dragoons as an escort, to St. Louis, to obtain supplies. The news is up to Dec. 18th, at which time the troops were well supplied with fuel and provisions, and were comfortable.

APPROPRIATELY REFERRED .- In the Kansa Legislature, Mr. Moore introduced a bill proposing to change the name of Lecompton, so long the seat of rascality, and to call it henceforth Redemption City. The bill was referred to the committee on Vice and Immorality. CLIPPINGS AND SCRIBBLINGS.

ROBINS' EXPECTORANT COMPOUND SYRUP OF WILD CHERRY.

FOR THE CURS OF Bronchial affections, Coughs, Colds, Pleurisy, Bronchitis, Asthma, and all other diseases of the thron and lungs, except Consumption. This invaluable remedy is no quack nostrum, but is prepared from the recipe of a regular physician, who during a practice of twenty-five years, used it with unpar-alleled success. It is a combination of expectorant remedies, simple in their character and used by every educated physician. It is easily taken, produces no nausea or other disagreeable effects, and gives almost immediate relief. In this everchanging climate, where coughs and colds so freenanging crimate, where consumption and death, no family should be without this CERTAIN CURE.

It would be easy to follow in the wake of the venlers of patent medicine, and multiply certificates got up for the occasion, of miraculous cures, but no such adventitious aid is necessary in introducing this preparation to the public. Its real value, and never failing success, in accomplishing all promised for it, cannot but give it a wide circulation, and recommend it to all those afflicted with diseases for which it is a remedy. Price 371 Cents per Bottle.

July 29, 1857-4m. THE NEW-YORK STEAM SAW-MILL AND MACHINE COMPANY .- CAPITAL \$250,000-This company has been organized with the above capital for the purpose of supplying the demand for the Combination PORTABLE STEAM SAW-MILL, and other Improved Machinery. They have purchased the entire machinery business heretofore carried on by J. M. Emer-son & Co., also the Montgomery works at Yonkers, on the Hudson, near this city, and with the experience and facilities combined in its organization ere prepared to furnish machinery of all kinds at more liberal rates, than has ever been offered at

any other establishment. THE COMBINATION SAW-MILL, was patented October, 1856, and is now generally acknowledged to be the cheapest, most practical, and efficient lumber manufacturing machine in the world. A large number of them are in successful operation in different sections of this country, Canada, Cuba, and South America, and wherever their merits have been tested they are being adopted by lumber

manufacturers in preference to all other mills.

The following letter expresses the general opinon of those who are using the Combination Mill: Messrs. Emenson & Co-Gentlemen: I have tried the saw-mill purchased of you, and will say that it performs well, and more than meets my expectations. I am well pleased with its performance. I set it up on a small stream that afforded constant water about as thick as my little finger, which was much more than sufficient to supply We are able to cut 3,000 feet of beautiful lumber in 12 hours, with something less than one cord of wood. It is the very thing we have needed in our county for a long time. With a little trouble and expense, we are able to move it from five to ton miles per day, and set it up in the heart of the timber, which saves the great burden of hauling the logs a long distance to the mill.

Yours, respectfully, JESSE KERR, JR. Louisville, Tennessee The Company have purchased Land's Patens Feed Arrangement, which is illustrated and des-cribed in the 'Scientific American' for October 24. This adds greatly to the efficiency of the mill. The Combination Mill, with all the recent im-

provements, and steam power of fifteen horses, is capable of sawing from 3,000 to 4,000 feet in 12 urs, and is sold for 1,650. THE NEW YORK CIRCULAR SAW-MILL Is manufactured only by this Company. It is of superior construction, and sold for 25 per cent less than other mills of no greater capacity. A mill with 35 to 54-inch saw can be sold for \$450 to \$500.

and with a 20 horse engine and boiler is sold for Steam Engines and Boilers; Engines of from I to 100 horse power; Locomotive, Tubular, Flue and Cylinder Boilers furnished at greatly reduc-

ed prices from former quotations.

Drawings, with plans and specifications for buildings and machinery, furnished gratis to our customers. Competent mechanics are sent out to put up and set in operation our machinery when required.

We also manufacture Shingle Machines, Planing Machines, Sugar-Mills, and machinery in general. Special attention paid to getting up Shafting and Pullies for manufactories, and all

kinds of Mill-wright work. This company are selling in great numbers a Patent Conical Burr-Stone Mill, for flour, cornmeal, and all kinds of feed, which is pronounced by experienced millers, both in this country and arope, The Best Mill over constructed. It will grind more grain in the same time, and with half the power of any mill of the same price in the We also furnish other styles of Great-Mills when required.
