CLEARFIELD, PA., DEC. 1, 1858.

\$30,000 CAN BE SAVED BY THE TAXPAY. ERS OF CLEARFIELD COUNTY.

In pursuance of a call, a large number of the citizens of the Borough of Curwensville met in the public school house, on Saturday evening, Nov. 27th, 1858. On motion, Tuos. Ross, Esq., was called to the chair, and A. M. Montelius was chosen Sec'y. The object of the meeting having been briefly stated by the President-which was to take into consideration the propriety of the removal of the county seat from Clearfield to Curwensville-on motion, Wm. Irvin, Esq., B. Hartshorn, Jno. Irvin, Jr., Jos. Peters and Jno. Patton, were appointed a committee to draft resolutions expressive of the sense of the meeting. The committee, after retiring for a short time, reported the following preamble and resolutions, which were unanimously adopted :

WHEREAS, The last two Grand Juries by uinanimous agreement having reported to the Sourt of Quarter Sessions of Clearfield county, that the present Court House is unfit to accommodate the people of said county in transacting their public business and that a new one ought to be built, and the Court having given instructions to the county commissioners to make arrangements for building the same; AND WHEREAS the erection of a building creditable to our county would create a debt of \$20,000 or \$30,000, to be liquidated by the tax-payers of the county : Therefore

Resolved, That a removal of the county seat from Clearfield to Curwensville would give the people of the county a more central location for a county seat, Curwensville being 18 miles from the Centre county line on the east. 18 miles from the Jefferson line on the west. 31 miles from the Cherry-tree and 31 miles from Karthaus-two points on the river near the county line-and also on the main thoroughfare from Tyrone to Erie.

Resolved, That we believe it the interest of the majority of the people of the county to night in her long lifetime. have said county seat removed, and that we will use all honorable means to have a law passed at the next session of the Legislature authorising the people of the county to vote for or against the removal of the said county seat from Clearfield to Curvensville.

Resolved, That in the event of a removal of the county seat to Curwensville, we pledge ourselves to erect all public buildings necessary for county purposes, at private cost, without asking one dollar from the county treasury. Resolved. That we request the taxables in the

townships favorable to a removal to hold meetings, and appoint delegates to meet in Curwensville on Friday the 17th day of December next, for further action. On motion, Wm. M'Bride, Z. M'Naul, and

Dr. H. P. Thompson were appointed a committee on Petitions to be presented to the Legislature.

On motion, Jno. Patton, B. Hartshorn, Wm. Irvin, Esq., Abra. Gates and James Thompson were appointed a committee to solicit subscriptions for the erection of buildings in the event of a removal.

On motion, subscriptions were called for from those present which was responded to in pledges amounting to \$21,500.

DOWNIEVILLE, Cal., Oct. 27, 1858. Dear Sir :- After a long delay, I fulfill my promise of writing to you. I had intended to write some five or six weeks ago, but just then I met with a very severe accident, getting my left leg from the knee to the ankle all mashed and broken to pieces, so that it had to be amputated above the knee. I was hurt on the 15th of Sept., which now lacks only one day of six weeks, and I have not been out of my bed yet. My leg is not near healed up yet; I have suffered very much. I cannot explain to you how I got injured, but if I get home a-gain I will tell you all about it. I intend to start for home as soon as I get able, as I can do nothing here. I am not able to write much, as I am very weak. I am sitting up in bed with a board across in front of me for a wri-

ting desk. I had mined just two months when I got hurt, and was about buying a claim at that time which has since paid pretty well. We have had considerable rain and snow during the last two weeks. Four miles from here the snow is three feet deep, and 10 miles north of this, on the mountains, it is five feet deep. I have not written to any of my triends yet, as I did not want them to know my situation

until I was out of danger. Nearly every per-son who saw me sajd I could not get well; the doctor himself had but little hope of my recovery .- I had promised to write to a good many, especially on Chest creek, but am not able to do so. If they see this note, they will know the reason. I should like very much to hear from my friends, but do not know that I shall be here long enough to receive an answer.

H. L. HENDERSON. Yours, &c. To John M'Gaughey.

THE SENATOR WHO WON THAT \$180,000 .-Great curiosity is manifested to know the name of the "distinguished Senator" who, according to a recent statement of the Washington correspondent of the Boston 'Post' won \$180,-000 at "faro" in that city, one night shortly before the close of the late session of Congress, an account of which will be found on our outside. An exchange, says the Cincinnati Times, discloses the fact that Hon. James A. Pierce, of Maryland, is the Senatorial blackleg referred to. He is a Democrat.

THE RAFTSMAN'S JOURNAL.

Several weeks ago we mentioned that Mr. H. L. Henderson, who left Clearfield for California in last June, had his leg crushed in a water-wheel derrick. The following extracts from a letter written by Mr. Henderson to Mr.

On motion, Resolved, That the proceedings of this meeting be published in the "Raftsman's Journal' and the "Clearfield Republican." On motion, adjourned to meet on Friday evening, 17th December, 1858.

Tuos. Ross, Prest. A. M. MONTELIUS, Sec'y.

The following communication we did not receive in time to appear in our last paper :

CHERRY-TREE BOROUGH, Nov. 18, 1858. S. B. Row, Esq :- Dear Sir : Thanksgiving passed of about as usual, and services were held in the Presbyterian church. A little circonstance, however, occurred, which might be worth recording. Dr. G. M. Gamble and his worthy lady had invited a number of their friends to their house. After they had partaken of a sumptuous dinner, one after another began to feel a little sick at the stomach, and finally all of the party-some 12 or 15 men, women and children-began to heave. Jonah! what a sight! Imagine to yourself what a time they had of it-they not only lost their dinner, but also their breakfast, and perhaps their supper. The Dr. was the sickest one among the party. They have, however, all recovered, but all look as if they had had the sea-sickness. The affair was mysterious at first, but is plain enough now. It seems that, by mistake, tartar emetic had been used instead of cream of tartar in some of the pastry, and hence the upward tendency of things. The circumstance should serve as a warning to housekcepers, and remind them that there are more tartars than cream of tartar, a fact for which, I have no doubt, some of the party ONE WHO KNOWS. can youch.

FROZEN TO DEATH .- Last Friday, a man named Ellis, a blacksmith by trade, was found frozen to death, several miles beyond Phillipsburg, near the Tyrone road, the face horribly mutilated by a skunk, which was at the time knawing at it, and which led to the discovery of the body. It appears that about a week previous. Ellis and an Irishman were on their way to Philhpsburg; both under the influence of liquor, and having a flask with them. The Irishman, somewhat exhausted, returned in a short time to Radebach's, stating that he could not persuade Ellis to accompany him. The unfortunate man was not seen or heard of until his body was found as mentioned above. An inquest was held, and the foregoing facts elicited. The remains were interred at Phil- that ere soup tied up in anything, or is it lying lipsburg on Saturday.

Last Thursday, the 25th Nov., being the centennial anniversary of the evacuation of Fort Duquesne by the French army and its occupation by the English, the citizens of Fittsburgh and vicinity celebrated it with the greatest enthusiasm. Business was entirely suspended. The procession which paraded the streets was the most gorgeous and imposing that ever took place there. It consisted of the various military companies of the city and neighborhood, the remaining soldiers of the wars of the Revolution and 1812, the Mayor and other officials of the city and county, and the various trades, which were represented by a large number of operatives, with appropriate banners, emblems and devices. The Firemen, Odd Fellows, Turners, Benevolent, Literary and other civic societies also turned out in great numbers. A large number of strangers were also present, and many prominent public men. Addresses were delivered by the Hon. A. W. Loomis, Wm. Wilkins and others, at the Duquesne Depot of the Pennsylvania Railroad, which is located on the spot of old Fort Duquesne.

Jones came home "glorious," and took it into his insane head to try a cold soup, the remain of his dinper, before he went to bed. His wife heard him fumbling about for a while, in vain endeavoring to find it. At last he said, "Wife is around loose ?
