THE RAFTSMAN'S JOURNAL,

A lot of fellows went on a dear hunt, the other day, in Arkansas, and in less than three hours captured five girls and a woman.

Soon after the battle of Leipsic, a wit observed that Bonaparte must now be in funds, for he had received a check on the Bank of the Elbe.

"Now, Sam, if you don't stop lickin' that lasses, I'll tell the man."

"Gosh !- you tell the man, and I'll lick you and the 'lasses too."

As a general thing, the less a man reads, the more loquacious he is. Put a dozen ignoramuses in a room and they will wrangle all night about the constitutionality of a saw mill.

A Californian writes that they have fire flies so large that they use them to cook by. They set the kettle on their hinder legs, which are bent for the purpose like pot-hooks." Great country that.

"Johnny," said a mother to a son, nine years of age, "go and wash your face; I am ashamed to see you coming to dinner with so dirty a mouth." "I did wash it, mamma," and feeling his upper lip, he added gravely, "I think it must be a moustache coming 1"

An anxious mother in Maine thus writes to her son in California :- "My dear son-come home. A rolling stone never gathers no moss. Your affectionate mother." To which young America replies :- "My dear mother-come here. A setting hen never gets fat. Your affectionate son."

A proposition has been made that Sylvanus Cobb should take the place of Howell Cobb in the Treasury Department and white it up. The great success of Sylvanus in the New York Ledger, and the utter incompetency of Howell to conduct the national finances, causes this to be regarded as one of the greatest political movements of the day.

Some ugly fellow says :- "If you are ever threatened with a handsome man in the family, just take a clothes pounder while he is yet in bed and batter his head to a pomice. From some cause or another, handsome men are generally asses ; they cultivate their hair and complexion so much that they have no time to think of their brains. By the time they reach thirty their heads and hands are equally soft.

The Minutes of the Methodist Episcopal Church North, just issued, show the following figures : Number of conferences, 49; Sunday schools, 11,490; Church members, 956,555 being an increase during the year, 186,840; churches, 9,063; parsonages, 2,407; value of church edifices, 17,560,000; number of traveling preachers, 7,530. The Southern Church has a membership of 655,000; 2,484 traveling, and 4,907 local preachers. Total Methodist membership, North and South, 1,611,555.

Dr. Gustan Linnard's Taste Restorative Troches the Great Substitute for Tobacco - It is a well known and incontrovertable fact that the use of Tobacco is the promoting cause of many of the most severe MENTAL AND PHYSICAL disorders to which the race of man is subject, as cureful anclusis and long and painful experience have clear-ly proven that it containscertain narcotic and peisonous properties most dangerous in their effects, which by entering into the blood derange the functions and operations of the Heart, causing meny to suppose that organ to be seriously diseased. THE "GREAT REPUBLIC" MONTH-LY .- To the Public, the Book and Period-ical Trade, and the Press.-We have the honor to announce that we shall issue on or about the 1st of December, 1858, so as to be in season to command the early attention of the public and periodical trade, the first number of a new Illustrated Magzine. to be called The Great Republic' Monthly. It is intended to make this magazine superior every respect to anything ever before issued in this country. The general scope of its character can best be understood by its name. It will be thoroughly national-in no wise sectarian, and wholly impersonal. It will offer to the writers and thinkers of this Union a common field, where they can meet on the highest ground of cotemporary liter-ature. It will aim to gather about it every variety of intellect. The range of articles will wide one, covering, among other grounds, Essays, Sketches, Humerons Tales, Storles, Historical In-Sketches, Humerons Tales, Stories, Historical Incidents, Reviews, Critiques, Biographies, Scientific Articles, Travels, Table Talk, Dramas, Politics, Poems, Ballads, Stanzas, Sonnets, Music, Corres-pondence, Gossip, etc., etc. The Magazine will be profusely illustrated in the highest style of wood engraving. The Literary department will present greater variety, combined with more thorough exellence, it is believed, than ever before offered in the American public in a single periodical. Each number will contain an original piece of music, composed expressly for this work. Of the superior excellence of the Magazine in every respect, and of the certainty of its permanent success, very little more need be said. The Terms and general

A CARD FROM DR. JAMES M. JAR-RETT, OF THE NEW-YORK LUNG IN-FIRMARY .--- My connection for the past eight years with the above Institution, as Chief Physi-cian, and a twelve years' course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled op-portunities and advantage of pathological research aided not a fittle by a perfect system of Medical Inhalation-has enabled me to arrive at a deciive, direct, and successful course of treatment for the positive and radical cure of all diseases of the Throat, Lungs. and Air-passages. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs of the inegument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of general reatment ; and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both general and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported and after due consideration, 1 have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all. and not confine myself, as heretofore, to those on ly who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that I can now be consulted personally or by letter, on all discases as above, and that the medicines, the same as used in the Institution, prepared to suit each in-dividual case. Inhaling Vapors, Medical Inha-ters. 4c., 4c., will be forwarded by express to any part of the United States or the Canadas. TERMS My terms of treatment by letter are as follows, \$12 per month for each patient, which will riz: include medicine sufficient for one month's use ; also, Inhaling Vapor, and an Inhaling Apparatus. Payment as follows : \$6 to be paid to Express Agent on receipt of the box of Medicine, and the salance S6 at the expiration of the month, if the patient be cured or is entirely savisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For
