

THE JOURNAL.

CLEARFIELD, PA., JAN. 26, 1895.

ADMITTED.—J. A. Boyle, Esq., of Ridgway, was last week admitted to the practice of the law in the several Courts of Clearfield county.

COMMITTED.—A man named Joseph Bennett, from the neighborhood of Curwensville, was committed to our County Jail on Monday, on a charge of breach of the peace.

APPOINTED.—Hon. James T. Leonard, of this Borough, has been appointed Prothonotary by Gov. Packer, to fill the vacancy occasioned in that office by the death of George Walters, Esq. The arrangement, we understand, is that the proceeds of the office are to go to the family of Mr. Walters.

TAVERN LICENSES GRANTED.—Peter Bloom, Jordan township; Lyonel W. Weld, Lawrence tp.; H. H. Morrow, Clearfield bor.; James Bloom, Pike tp.; John Miller, Jr., Boggs tp.; Samuel Robinson, Boggs tp.; A. L. Ogden, Lawrence tp., and W. W. Anderson, Penn tp., had Tavern Licenses granted them at the Court last week.

HEAVY SALE.—The Bellefonte papers say that, on the 12th, a tract of 11,000 acres of land, situate in Centre and Clearfield counties, on Moshannon creek, owned by the "Maine Land Company," was sold to S. Christ of Lancaster, Pa., for \$75,500 cash, which is nearly \$5.40 an acre. The land is said to be "wild and hilly but undoubtedly contains mineral wealth sufficient to enrich the purchaser."

"MITE SOCIETY."—A society called the "Mite Society," has been organized by the ladies of the Episcopal church in our town. The society has for its object the raising of a fund to be appropriated to the current expenses of the church, and the promotion of a better social feeling in the community. Each member contributes five cents weekly. The membership is not confined to any particular sect or station—a friend remarked to us, the qualifications required are "a fair moral character and a five-cent piece." The society meets at private houses agreeably to appointment. The next meeting will be held at Mrs. Mosso's on Tuesday evening.

SINGULAR.—On Tuesday night of last week, our venerable friend, G. Philip Guelich, returned home from the Bible Society Meeting in this place, and placing a lamp upon the table, retired without blowing out the flame, having forgotten to do so. In the morning, he was considerably surprised to find that the table had by some means caught fire and was partly burned up and a folded table cloth entirely consumed, but fortunately the coals produced by the burning of the table had fallen into a couple pairs of boots which had incidentally been placed under it, and thus probably the destruction of the house was prevented. This was certainly a providential escape.

CLEARFIELD COUNTY.—By the report of the Auditor General, for the year ending Nov. 30, 1894, it appears that the amount of tax on real and personal property paid into the State Treasury by Clearfield county, during the year, is \$4,753 30. Am't paid on Tavern Licenses, 532 41. Am't paid on Retailer's Licenses, 82 00. Tax on Writs, Wills and Deeds, 469 31. Total, \$5,828 05.

The valuation of Real and Personal Property in the county amounted to \$1,432,615—a amount of tax assessed for State purposes \$2,633 22—number of taxables in 1893, 4,268. The sum of \$1,282 39 was received by the county from the Common School Fund.
