RIVER NEWS.

THE LUMBER BUSINESS-TWO MEN DROWNED AT LOCK HAVEN-HIGH WATER-RAFTS ADRIFT | the 12th, after creating great consternation in -BRIDGE SWEPT AWAY .- The West Branch of the Susquehanna River has for two weeks past been most of the time in good rafting order, and nearly all the timber, sawed lumber and shingles that had been hauled, have passed down. The quantity, as we have hereto- Lowe are brought to justice. fore stated, will fall considerably short of what it has been for a number of years, and will not are about to commence the erection of a cathsupply the demand. In consequence of this, we have reason to hope that our hard-working Cuba brands, have been made from tobacco and deserving lumbermen will this spring get grown on the Isthmus, near Panama. better prices than they have for the last three or four seasons. We have not heard of any sales having as yet been made at Marietta, which is in all probability owing to the fact of the "flood" having come on very unexpectedly, and that the eastern dealers have scarcely had time to reach that place and look around. At Lock Haven, as we learn by the Watchman of the 17th, a lew rafts changed hands, the prices ranging from 7 to 10 cts. for good pine.

At about 2 o'clock, on Sunday morning the 13th inst., Charles Foulk and L. Spafford were drowned in the river at Lock Haven. They were assisting to assort logs at the boom, and with two other men started in a boat for shore. The boat ran against a rope attached to the boom, causing it to upset and precipitating the men into the water. Two of them were rescued, but Foulk and Stafford lost their lives. The former was a respectable citizen of Lock Haven, and leaves a wife and three childrenthe latter was an industrious man, and was married but a few months. His wife resides | ions with troops, in case of hostilities. in Williamsport, Lycoming county.

It has been reported here that, in consequence of the unusually high water, fourteen rafts broke loose, several days ago, from their moorings at Lock Haven, and went over the dam. This is not at all improbable, for we learn by the Harrisburg Tel -aph of Saturday afternoon, that a violent and and rain storm had been prevailing along the river that day and the night previous, and that a num- that provisions be made for the education of ber of rafts, which were adrift, had passed girls. down during the night and morning, some striking the piers of the bridges and breaking to pieces. VER'S SARSAPARILLA, a compound A remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will io it has been proven by experiment on many of the

worst cases to be found of the following complaints: Scrofula and Scrofulous complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches. Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic affections, Mercurial Disease, Dropsy, Seuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion. Erysipelas, Rose or St. Antho ny's Fire, and indeed the whole class of com-plaints arising from Impurity of the Blood. This compound will be found a great promoter

of health, when taken in the spring, to expel the foul humors which foster in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous seres, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiaed blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the body healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of

life is disordered or altogether overthrown Sarsaparilla has, and deserves much, the renuof accomplishing these ends. But the world has been egregiously deceived by prepara-tions of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of

the virtue of Sarsaparilla, or any thing else. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence bitter and pain ful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have good ground for elieving it has virtues which are irresistable by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiclously taken according to directions on the bottle.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Price \$1 per Bottle; Six Bottles for \$5. AYER'S CHERRY PECTORAL, has won for itself such a renown for the cure of every variety of Throat and Lung complaint, that it is entirely unnecessary for us to recount the evidence virtues, wherever it has been employed As it has long been in constant use throughout this section, we need not do more than assure the people that its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

AYER'S CATHARTIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood. They are sugarcoated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic. Price 25 cents per Box; Five Boxes for \$1.00.

Great numbers of Clergymen. Physicians, Statesmen, and, eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the in-sertion of them. The Agents below named furnish gratis our American Almonae in which they are given; with also full descriptions of the above complaints and the treatment that should be followed for their cure. Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand Aven's and take no others. The sick want the best aid there is for them, and they should have it.

JAMES B. GRAHAM. Grahamton, May 25, 1858. THE "GREAT REPUBLIC" MONTH-LY .- To the Public, the Book and Period-ical Trade, and the Prass.-We have the honor to announce that we shall issue on or about the 1st of A Cowley and W. A. Miller, Professors of December, 1858, so as to be in season to command the early attention of the public and periodical trade, the first number of a new Illustrated Mag-

azine, to be called The Great Republic' Monthly It is intended to make this magazine superior in every respect to anything over before issued in RESPONDENCE-COMMERCIALLAW-are taught, and all this country. The general scope of its character can best be understood by its name. It will be thoroughly national—in no wise sectarian, and wholly impersonal. It will offer to the writers and thinkers of this Union a common field, where they can meet on the highest ground of cotemporary liter-ature. It will aim to gather about it every varie-IMPORTANT INFORMATION .- Students enter ty of intellect. The range of articles will be a wide one, covering, among other grounds, Essays Sketches, Humerons Tales, Stories, Historical Incidents, Reviews, Critiques, Biographies, Scientific Articles, Travels, Table Talk, Dramus, Politics, Poems, Ballads, Stanzas, Sonnets, Music, Correspondence, Gossip, etc., etc. The Magazine will be profusely illustrated in the highest style of wood engraving. The Literary department will present greater variety, combined with more thorough ex-cellence, it is believed, than ever before offered in the American public in a single periodical. Each number will contain an original piece of music, composed expressly for this work. Of the superior excellence of the Magazine in every respect, and of the certainty of its permanent success, very little more need be said. The Terms and general conditions of the magazine will be as follows: Volumes-There will be two volumes a year, of about 700 royal octavo pages each, commen
