An exchange, in speaking of the treatment a police officer received from a drunken woman, says, she kicked and cuffed him around as if he had been her husband.

"How does this razor cut?" asked a barber of one of his customers, whom he was shaving. "Pretty well, I should think," was the reply, "you have cut me in two places already."

According to correct estimates the amount of our existing interest-bearing obligations to Europe is about five hundred millions of dollars. These figures include railroad, State, municipal, and Federal securities.

A German savant has taken the pains to count the number of hairs existing in four heads of hair, of different colors. He found in a blond 140,409 distinct hairs, in a brown 109,440, in a black 102,960, and in a red 88,740.

An Irishman, going to be hanged, begged that the rope might be tied under his arms instead of around his throat. "For," said Pat, "I am so remarkably ticklish in the throat, that if tied there I shall certainly kill myself with laughter."

"Ma, has aunty got bees in her mouth ?" "No; why do you ask such a question?"

"Cause thar little man, with a heap o' hair on his face, coched hold of her, and said he was going to take the honey from her lips; and she said, 'Well, make haste !' "

Judge Johnson, of Louisville, Kentucky, a few weeks since, in deciding a case before him, said :- A man has no right to whip his wife, but should be severely punished if he were guilty of such an outrage; the women, on the contrary, had the right to whip their husbands whenever they pleased. Judge Johnson is doubtless a favorite with the women since he made this decision.

A singular occurrence, says the Albany Knickerbocker, of the 27th, was discovered in a vault attached to one of our burial grounds on Sunday last. It was that of a female, who was deposited therein for dead some two months since, being found, on opening the coffin, to be lying on her side with one hand under the head. From this it was evident that the woman was alive when placed there, and awaking from the trance into which she had fallen, endeavored to extricate herself from her entombment.
