It is asserted that a man's finger nails grows their complete length in four months and a half. A man living 70 years renews his nails 180 times. Allowing each nail to be half an inch long, he has grown seven feet and nine inches of finger nail on each finger, and on fingers and thumbs an aggregate of 77ft. 6 inches.

Joseph Charles, one of the oldest and most respected citizens, of St. Louis, Mo., was shot and mortally wounded on the street on the 3d of June, by J. W. Thornton. Thornton was formerly a teller in the Boatmen's Saving's east of the 'Raftsman's Journal' office. Nov 10. Institution, and was tried and acquitted about a year ago on the charge of having stolen \$20,000 from the bank. Mr. Charles was one of the principal witnesses against him, and in revenge for his action in the matter he has been shot. He died the next day.

At Detroit, recently an ox was killed because he could not understand the French language. The team consisting of one English and one French ox, drawing a heavy load and driven by a French driver, was crossing the track when the express train made its appearance. The driver, in great excitement, instantly ordered his oxen to "chuck" (fhe French word for "haw.") The French ox understood him, and turning off the track, saved himself, but the English ox, never having studied the language, pressed further on, and was instantly killed.
