## THE JOURNAL.

CLEARFIELD, PA., JUNE 29, 1859.

Forty bushels Seed Buckwheat at Mossop's, Dr. A. M. Hills gives notice that he will be absent from his office in Clearfield during the first three weeks in July.

The rains of last week raised the water in the Susquehanna to a good rafting stage, and on Saturday from twenty to thirty rafts passed | ecutor, to pay costs. this place.

It any of our readers want to know where to the Grand Jury. get the best kind of a wagon, wheelbarrow, harrow, grain cradle, &c., they can learn by reading the advertisement of Mr. Wm. R. Brown in another column.

The Clearfield County Agricultural Society held a meeting last Wednesday evening in the Court House. It was addressed by Judge Burnside, Senator Bigler, Gen. Irwin and H. B. Swoope, Esq. Action relative to the proposition for holding a fair this fall, was postponed until September Court.

A nice dinner is a good institution, generally speaking; but when we get an opportunity of partaking of as excellent an one as we did yesterday, in company with several other "distinguished gentlemen," at the Clearfield House, kept by Mr. H. H. Morrow, we thank our lucky stars, and bless the man who invented eating.

OUTRAGEOUS CONDUCT.-We have been reliably informed that on last Saturday evening aweek, several would-be men attended the singing at Paradise school-house, and after its dismissal, conducted themselves in a grossly outrageous manner, and insulted the young ladies on their way home. We have not learned their names, but understand that two or three of them hail from about the brick-yard above town. The genius of such valiant characters ought not to be overlooked-a few weeks training in one of our public institutions might benefit them vastly.

BIBLE SOCIETY MEETING .- A meeting of the Clearfield County Bible Society was held in the Court House in this place on last Thursday evening. Hon. G. R. Barrett delivered an interesting lecture on the Origin and Preservation of the Bible, and its Infldence, Nationally and Individually considered, which was listened to with marked attention. He was followed by H. B. Swoope, Esq., who delivered his lecture on "The Literature of the Bible;" ship road above Osceola in Decatur tp. already well known to our readers by the extracts from other papers published last winter. It is regarded, by those qualified to judge, as a fine effort, presenting in rapid succession the prominent events and ineffable sublimity of the "Book of Books," and its superiority in every respect over all human literary productions. The meeting was also briefly addressed m by His Honor, Judge Burnside, in a happy, perspicuous and impressive manner. Altogether, the meeting was an interesting one.

Proceedings of Court. In the Common Pleas, the following causes

were disposed of last week :-Isaac Thompson vs. John M. Chase .- Trespass q. c. f. Plaintiff claimed for timber cut on land purchased at Treasurer's sale. A YER'S SARSAPARILLA, a compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Scrofula and Scrofulous complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic affections, Mercurial Disease, Dropsy, Seuralgia or Tic Douloureux, Debility, Dyspepsis and Indigestion. Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of com-

plaints arising from Impurity of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which foster in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous seres, through which the system will do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in plimples, erufitions, or seres; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where health, and live longer, for cleansing the blood. Keep the body healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or altogether overthrown. Sarsaparilla has, and deserves much, the repu-

of accomplishing these ends. But the world has been egregiously deceived by prepara-tions of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of he virtue of Sarsaparilla, or any thing else. During late years the public have been misled by large bottles, pretending to give a quart of Ex-tract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick. for they not only contain little, if any, Sarsaparilla, but often no cuative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat, Still we call this compound Sarsaparilla, and believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradica-tion from the system, the remedy should be judi-

ciously taken according to directions on the bottle.
