

THE JOURNAL.

CLEARFIELD, PA., JULY 27, 1859.

REMOVAL.—The *Draftsman's Journal* office has been removed to the second story of Robinson's new building, on Market street, nearly opposite our former location. July 27

The Administrator of Geo. Smith, dec'd, offers some valuable real estate for sale.

A camp-meeting is to be held near New Washington, commencing on the 20th day of August.

A. H. Peirce & Bro., near New Washington, want a pair of good work cattle. See advertisement.

We direct the attention of our New Washington subscribers to the advertisement of Dr. A. M. Hills, who will visit that place about the 9th of August. Persons wishing to procure artificial teeth, or have anything in his line attended to, should not fail to give him a call.

ACCIDENT.—On last Wednesday, our venerable and respected friend, Martin Nichols, Sr., was engaged at making some limiment that contained some very combustible articles, which ignited as he was lifting the pan from the stove, and flashing up in a great blaze, severely burned his face and left hand. One of his knees was also blistered.

MORE CANDIDATES.—In addition to the candidates for nomination at the Democratic primary election, mentioned in our last, there have since been announced, David Ross, of Pike, for Treasurer, John P. Dale, of Pike, for Commissioner, and Wm. F. Johnston, of Union, for the Assembly; and we understand that W. Johnston Hemphill of Lawrence is out for Register & Recorder, and "long Frank Pierce," of Bradford, for Prothonotary.

BOARD-KILN BURNED.—On last Saturday the board kiln of Mr. Thomas Kirk, adjoining the village of Luthersburg, took fire and burned up about 8,000 feet of material. The stuff was worth at least \$80,00 to \$100,00, but the loss is more seriously felt on account of the difficulty in procuring well-seasoned material for a new dwelling house, which he was about erecting. Mr. Kirk appears to be peculiarly unfortunate this season, he having had his entire grain crop frozen in the spring.

DISTRESSING OCCURRENCE.—On Friday the 15th inst., while two little girls, daughters of Mr. Joseph White, of Luthersburg, were "saw-sawing," one of them fell to the ground and broke an arm below the elbow. Medical aid was soon procured, and it was thought the arm was doing well, but mortification ensued, and on Friday following—just one week after she fell—the child was consigned to her last rest, having died from the effects of the injury. She was about 8 years of age.

FIRE.—On Monday the 15th inst., about noon, the citizens of Luthersburg were startled by the cry of "fire," and upon hastening into the street saw a dense smoke gushing forth from the fine new building of Mr. F. K. Arnold, which is nearly finished, and it was soon found that the parlor was on fire. By the prompt and energetic efforts of the citizens, the flames were subdued, but not before they had completely charred the wood-work of the room, broken all the glass in the windows and caused the plastering to fall from the walls. A quantity of carpenter's tools were also destroyed. Mr. Arnold's loss will be considerable. If, unfortunately the house had been burned, from its location and the course of the wind, the greater part of the village would have inevitably been burned to the ground. It is not known how the fire originated, unless the shavings in the room were ignited by a careless use of matches or a cigar. Our informant says it seems to be quite fashionable for carpenters in Luthersburg to have a pipe or cigar in their mouths while working in shavings knee-deep, and the only wonder is that within the last few years, the houses were not all burned before they were finished, from a reckless indulgence in smoking.

As the following was accompanied by a gold dollar, "to pay the printing," we give it room, although somewhat late in the season. We take this opportunity, however, of requesting our friends, when they have anything to communicate, to send it at as early a day as possible.

CELEBRATION.—The anniversary of our National birth-day, was celebrated, on the 4th of July, by the Harmony, East Ridge, Mt. Joy and Brunside Sunday Schools, and a large number of citizens. The Harmony school assembled at 9 o'clock, formed into procession and headed by the New Washington military band, marched out to receive and welcome their sister schools, which arrived from different directions. Each school bearing an American flag and many beautiful banners, made a most imposing appearance as they marched to the grounds. Here, Gen. S. C. Hitchin was chosen President, Samuel Sobring and James Gallagher, Esquires, Vice Presidents, and Wm. Hewitt, Secretary. The exercises were opened with prayer by Rev. D. Strayer, who also made some appropriate remarks. The Declaration of Independence was read by Mr. O. Smead, and Mr. J. A. Boice and Mr. J. M'Kee delivered orations, after which dinner was announced. The procession was again formed and marched to the table, where a sumptuous feast was served—three hundred sitting at the first table. A second table was also set, and yet there were provisions left. Closing addresses were delivered by Messrs. L. Boice and J. Boice, after which the procession formed and marched to the church, where they were dismissed by the President. Thus closed the day, as was foreseen an assemblage of 600 people without liquor would end, in peace and harmony.

Blondin has left Niagara. His last feat was to run a wheel-barrow across the river on the rope—hold his hat, and allow Bob Travers, the well known pistol shot, to put a bullet through it, and perform divers other "hantics."

A "swell" in a drawing room wanting a servant, called out, "Where is that blockhead of mine?" A wit replied, "On your shoulders."

AGENTS WANTED EVERYWHERE.
To Agents can be made in every town or village that can be afforded by any other house. It is to larger commissions, it is much easier to get subscribers for my enterprise than any other. My Agents are conducted in every town or village through the public journals, by a New York Gift Store, which are calculated to deceive; who even presume to advertise themselves as the originators of the Gift Book Enterprise, which was first established in Philadelphia, and is now being conducted by myself. This concern, who are proclaiming themselves, "The Oldest in the Business," are indebted to me, not only for their first ideas of conducting the business, but for the most successful method of commencing it. Their statement, that this is "The fifth year of their location in New York," is also false.

It has been thought, on account of the name connected with it (New York Gift Store), that it was a branch of my Original Enterprise; but it is not so, and I wish it distinctly understood, that I am not in any way responsible for their deceptive advertisements, nor for the manner in which New York Gift Store concerns are conducted. Address: In the position I do, as the Originator of the Gift Book Enterprise in the United States—having established it and brought it to its present high position, by constant labor, unwaried application, and large expenditure of money, I desire to do my duty to the public and myself to expose these pretended "originators," who are attempting to impose upon the people. I would here publicly state that these parties have been previously mentioned in my widely known publishing house in the United States. I am in formed by this firm, which is located in this city, that not only will they never be granted in this city, but they will never be granted in any other city. I have therefore taken upon myself to give permission to any person to publish or otherwise to conduct their business or standing. The foregoing can be substantiated to the satisfaction of any person or persons, by the most respectable and reliable persons. July 11, 1859-fm.
