We call the attention of persons in want of new and seasonable goods, to Graham & Boynton's advertisement, which will be found in to-day's Journal.

Jesse Beams, of Morris township, whilst recently engaged in cutting timber for Mr. Jas. P. Nelson, cut his knee with a broad axe. He is able to be about again.

We direct the attention of persons in want of Corn, Rye, Oats, Salt, Flour, Fish, &c., to the advertisement of D. J. M'Cann, Philipsburg, who wants dry pine lumber and shingles.

PERRY HOUSE, MARIETTA .- We direct the attention of our raftsmen who visit Marietta. to the advertisement of Mr. Abner M'Michael. who has taken the Perry House, formerly kept by Mrs. Clements.

STILL COMING .- We noticed yesterdy quite a large number of sleds passing along our streets, loaded with grain. It is said that 30 were on the road between Philipsburg and Clearfield in the forenoon.

Wm. Davidson, who has been confined in our jail for some time, on a charge of larceny, was yesterday taken by the Sheriff of Warren county, on a bench warrant, and escorted back to his old quarters in the Warren jail, from which he had escaped several months ago.

DEATH OF WM. Housten .- Our account of the killing of William Housler, at Lock Haven, a few weeks since, seems to have been pretty nearly correct. The Watchman says it firmly believes that he received a blow from a slung shot, as there was nothing where he fell that would produce such a wound as he received. It thinks the officers did wrong in hushing up or covering such a crime. A full investigation into the affair should be demanded.

DASTARDLY ACT .- We learn that some un known person or persons entered a schoolhouse in Lawrence township, a short distance from this place, a few nights since, after the school-mistress and scholars had left, and defiled it in a most shameful manner. Such conduct is disgraceful in the highest degree, and the perpetrators of the deed should be punished to the utmost extent of the law if they can

The closing Years of Life are often rendered wretched by ailments which are trifling in themselves and easily cured if taken in time. Affection of the liver, stomach, and other organs concerned in digestion, are the most frequent. They naturally make the sufferer nervous, irritable and complaining, and relatives and friends are forced to bear the brunt of their ill humor. The use of Hostetter's Celebrated Stomach Bitters will prove an efficient remedy for this evil. it will not only strengthen the whole physical organization, but entirely cure the most obstinate cases of Indigestion, Diarrhea. Dysentery, and Liver complaint. The first physicians in the country are loud in their praise of this preparation. Another recommendation of the Bitters is that it is so palatable to the taste that it may be used even as a beverage. Sold by all druggists.

HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true rourse to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausca, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhea, dysentery or flux. so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dysnensia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great pre-

paration in the scale of medical science. FEVER AND AGUE .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neiher create nausca nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is removed as speedily as is consistent with the produc-

tion of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled consitution and infirm body. these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before to doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend their use in all cases of weakness.

Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see ry reader of that book should purchase a copy. that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle.
