RAFFING, WEATHER, &C .- On Wednesday of last week, the weather moderated very much, and with a warm south wind came rain. On Thursday morning the river began to rise rapidly, and in the afternoon the ice broke as far up as Curweneville, and ran down to Mr. Ellis Irwin's dam, where it still remains. On Monday and Tuesday the weather being quite warm and spring-like, ratting was commenced in good carnest along the river, opposite our town. Rod chirts are becoming plenty, and our down river neighbors may look for a regular "swarm" of these jolly "insects," ere dong ; providing, Captain Jack Frost does not "hive" them suddenly.

LAWRENCE COUNTY .- The New Castle Courant of the 22d says: "Considerable excitement is getting up in Lawrence county on the subject of Oil. It is believed that we have as much here as they have in Crawford and Venango, and many persons are preparing to bore for it, several good surface indications having been found. Companies are forming in various section, procuring the necessary tools for boring, and we have no doubt that ere long the matter will be fully tested. We hope to be able to announce soon, that all who have gone into the enterprise have been suc- entirely new, and purchased on the most advantacessful. But if all the stories we hear from the oil region are true and the illuminating goods to the advantage of the buyer. Step in qualities of the article are good as represented, what is to become of all the tallow chandlers and gas companies ? It is said that some of the wells are yielding a gallon of oil per minute, and we hear of discoveries every day, better than anything before heard of. Hundreds are boring, and if all are successful, petroleum will become cheaper than daylight.

FATAL ACCIDENT .- On Tuesday the 21st instant, Mr. John Schnarrs of Karthaus township, was instantly killed by a tree falling on him, whilst engaged at work at some timber an Girard township. M1. S. was 37 years, 4 months and 29 days old, an estimable man, and leaves a wife, nine children, and a large circle of friends to lament his sudden end.

ANOTHER .- We learn that on Thursday the 23d, whilst J. W. Sensenich of New Millport and several others, were engaged in rafting square timber at Bell's rafting ground some two miles below Lumber-City, Mr. S. met with a fatal accident. Several sticks having been rolled over the bank a short distance from the water's edge, they proceeded to put them in ; all of them being on the lower side. The timber, however, started suddenly, and in making their escape Mr. S. slipped and fell on several pieces lying in the water, when one of the sticks which they had started passed entirely over his body, injuring him so severely that he died in about two hours. The other two barely escaped the same fate. Mr. S. was late of Lancaster county, an enterprising and industrious man of about thirty-five years of age, and only needed acquaintance to make friends. He leaves a wife and many warm neighbors to mourn his untimely death.

SERIOUS INJURY .- We have been informed that, on Monday the 20th instant, MP. Greenwood Eaton, (engaged in hauling logs on the Moshannon for Mr. A. J. Ames,) met with a rather serious accident. He had three logs coupled together that would scale about 1000 feet, which he was drawing down the hill with an ox team. The logs started to run upon and endanger the team. Mr.Ames being close by, ran and loosed the oxen from the logs, at called to Mr. Eaton to take care of himse whereupon he stepped aside, threw his arm round a small tree, and standing on his right foot on the root on the side next the road. the first log approached him it ran over a roo and when it had passed its centre the from end dropped down on his foot, the sharp edg cutting it almost off just below the ancle ; or ly a few tendons and a small piece of integr ment on the sole holding it on. Dr. Campbe of Kylertown, was immediately called to dres the wound, who, upon examination, found th injury so serious, as to deem amputation n cessary to save his life. On Tuesday Dr. 1 V. The closing Years of Life are often rendered wretched by ailments which are trifling in themselves and easily cured if taken in time. Affection of the liver. stomach, and other organs concerned in digestion, are the most frequent. They naturally make the sufferer nervous, irritable and complaining, and relatives and friends are forced to bear the brunt of their ill humor. The use of Hostetter's Celebrated Stomach Bitters will prove an efficient remedy for this evil, it will not only strengthen the whole physical organization, but entirely cure the most obstinate cases of Indigestion, Diarrhea. Dysentery, and Liver complaint. The first physicians in the country are loud in their praise of this preparation. Another recommendation of the Bitters is that it is so palatable to the taste that it may be used even as a bever age. Sold by all druggists.

FOSTETTER'S STOMACH BITTERS. . It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to ac-complish this desired object, the true rourse to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producingCramps, Dysentary, Cholic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs. can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their

Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great pre paration in the scale of medical science.

FEVER AND AGUE .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and men-tally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffer-ing from an enfeebled consitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostet-ter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before to doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend their use in all cases of weakness.

Caution .- We caution the public against using any of the many imitations or counterfeits, but ask or Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle. and stamped on the metallic cap covering the cork. and observe that our autograph signature is on the label.
