Mr. Ogden, we are told, was in the barn, and seeing the danger, rushed to the house to put out the sparks, but the fire made such rapid headway that his efforts, as well as those of a number of other persons who hastened thither, proved unavailing. We are not able to say what the loss will amount to, but it will probably not be less than \$500 or \$600.

No matter who 433 the Republicans may take up-the Slaveoera-909 920 cy will try the frightening game. 5910 350 OFA Locofoco organ at Harrodsburg says 5911 263 that "the curses sent forth against President | 5913 100 Buchanan will, like young chickens, go home 5915 767 to roost." We guess that on the 4th of next 5921 1100 March old Buck himself, who is no "chicken," but a great curse, will "go home to roost." OF The great question of the day is, not who 249 will be nominated for President at Charleston, 100 but, "What's the price of board, washing and 100 lodging ?" Squatter Sovereignty, the Lecomp-75 on Constitution, Tariff, and even the august "Sambo," all dwindle into insignificance in 100 the presence of that momentous question. Ac. STRIKES .- The recent strike of the shoemakers at Lynn, and other places in the East, has spread to adjacent towns and cities, and as a consequence there is much labor at the present time unemployed. The butchers, daguerreotypists, ambrotypists, painters, and the members of several other trades and profes-78 sions are out for higher wages, and refuse to 234 work longer for their employers. DR. A. M. HILLS, desires us to say that he 408 will be in his office in Clearfield. most of the time from the 1st of March till after the June 429 court ; after which time, he expects to be ab-429 sent for several months. Persons desiring his services will do well to call on him before that time. The Doctor has improved facilities for outting up work, and does it in such a neat 132 and durable manner, that he has obtained a deservedly high reputation as a Dentist among those for whom he has operated. m74t. CHILLS AND FEVER! CHILLS AND FEVER !!-- One of the greatest remedies that has ever been laid efore the public, for Fever and Ague, and which have received the highest enconiums from the press and the people, is Dr. J. Hostetter's Celebra-ted Bitters. Who would endure the tortures arising from this terrible disease, when it can be so 119 easily cured ? Who would endure sleepless nights, burning fevers and icy chills alternately, when a remedy can be obtained for a mere trifle? And yet how many families linger out a painful exis-tence under the deadly blight, and do nothing but 205 gulp down quinine, until it becomes as common as their daily meals, and yet they are not reliev-Ac. None but the foolish and weak would hesitate to procure these valuable Bitters, and save 102 themselves intense agony. Sold by druggists and dealers generally everywhere. ¶ See advertise-250 ment in another column 437 MARRIED: On the 22d of March, by Wm. Porter, Esq., Mr. WM. H.
