THE RIVER-RAFTING. &c .- During the past three or four days considerable quantities of rain fell in this region, causing a rise in the waters of the Susquehanna and tributaries. Yesterday rafts commenced running, and we have no doubt about all the lumber being got off on this freshet. In a few days, our downriver friends can look out for raftsmen in a-

BEAR CAPTURED .- On the 5th inst., Mr. Robert A. Hall, who recently removed from this county to Unionville, Centre county, captured and a half north of Julian Furnace. He 3rst spied bruin in a field, and as it crawled through the fence, he cast a stone at it, which caused it to squat down. He then threw another stone, which, grazing its head, knocked it over, when he approached it, picked it up, and started off with his prize. He had carried it but a short distance before it revived, but procuring a bag, he put the "varmint" in it, and, assisted by his brother, Mr. Hall succeeded in as finely as any young bear could desire.

BANK IN CLEARFIELD .- During the past week . the persons who had made application to the Legislature for a charter for the Clearfield County Bank, took the preliminary steps towards getting up the institution under the provisions of the new free-banking law. It was agreed that the capital stock should be the minimum amount fixed by the law, if the Attorney General decided that under the notice published they could come down to that figure; if not, that it should be \$100,000. The books were opened on Friday, and \$40,500 of stock subscriptions taken that day and evening. The balance of the stock will doubtless be subscribed in a short time, after which the bank will be opened with as little delay as possible.

Homicide.-Last Thursday, April 5th, a case of homicide occurred at Lumber City, in this county. It appears that a misunderstanding had existed for some time between "devil" John Thompson, as he was usually called, and James Hockenberry, both residents of Bell township, growing out of the fact that the latter had testified against the former in an action for riot, &c., tried in our Quarter Sessions last January a year ago. About dusk, on the evening of the day mentioned, the two met at | the stranger. Davis' tavern in Lumber City; an altercation ensued, and finally Hockenberry said if Thompson did not let him alone that he would hurt him. Hercupon, it is said, Thompson bantered the other in a taunting manner, when Hockenberry seized a gun, which some one had left standing on the porch, and firing, shot Thomp- cause he has lost his situation. She says st son through the body, the ball passing diagonally from the right side up to the left shoulder, causing instantaneous death. Hockenberry was at once apprehended, and on Friday brought to this place and lodged in jail to await trial. He is somewhat advanced in years, and, we believe, has heretofore been regarded as a rather mild and harmless person. Neither of the men, it is thought, was intoxicated when the fatal encounter took place, though platform and a non-committal candidate. they may have taken a drink or two of liquor a short time before.

Threaten them, and they will crouch to your feet like so [many hounds. Only swear that you are going to dissolve the Union, and the timid creatures will get down on all fours, bite the dust, and kiss the rod raised to chastise them." The Senator applied this language to Northern Republicans and Democrats indiscriminately .-As if it is to show that it is no piece of empty him out to view, I predict that he will be foun bravado, the Charlesten papers declare that | behind A Curtin. the houses of that city will never be so closely secured and watched as when the Democratic Convention shall be in session, with its hosts of retainers precipitated upon them.
