THE JOURNAL.

CLEARFIELD, PA., MAY 30, 1860.

Attention is directed to the card of Dr. J. G. Hartswick, in to-day's paper.

REED, WEAVER & Co. have received a fresh supply of Seasonable Goods on Second street. They offer Flour, Bacon, Dried Peaches and Dried Apples at the lowest cash rates.

NEW STORE IN BELL .- H. L. Henderson & Co. advertise in another column of this paper that they have opened a stock of New Goods at the old Smith stand at Bethlehem, in Bell township, which they will sell cheap for cash.

We are requested to state that Rev. Mr. McClure, Tract Agent of the M. E. Church, will preach in the Methodist meeting-house in Clearfield borough at 101 o'clock A. M. on next Sunday, instead of at 5 o'clock P. M., as heretofore announced.

CHANGE OF FIRM .- By a reference to our advertising columns, it will be seen that John Patton has disposed of his store in Curwensvile to H. D. Patton, E. A. Hipple and Daniel Faust, who have received a large stock of seasonable goods which they offer at low rates.

ACCIDENT TO A HORSE .- On Saturday morning, a mare belonging to Sheriff Miller, whilst running in a pasture field near town, slipped and fell in such a manner as to break one of her fore legs between the knee and body. and reads the Scriptures quite fluently." There being no way of relieving the poor animal she was dispatched.

New FIRM .- By an advertisement in another column, it will be seen that John and Jerred F. Irvin have entered into partnership in the Mercantile business in Curwensville, and Summer Goods, which they offer to purchasers on advantageous terms.

CLEARFIELD ACADEMY .- We direct attention to the advertisement of Mr. Charles B. Sandford, who on Monday opened a select school in the Academy in this place. Mr. Sandford has the reputation of being one of the best teachers in the county, and will doubtless render full satisfaction to all who send their children to his school.

HAIL STORM .- Last Saturday afternoon a heavy hail storm passed over the lower part of Lawrence township, and continued in a southeasterly direction beyond Philipsburg. The hail-stones were near the size of hickory-nuts and fell in large quantities. We are not aware ipsburg quite a number of window panes were

CHILD FATALLY BURNED .- Last Wednesday, May 23d, a little daughter of Isaac and Elizacounty, aged about 4 years, whilst playing with matches, set fire to her clothes, and before assistance could be rendered was so seriously burned that she died on Thursday evening. The skin on one of her legs and side was burned to a crisp. Mr. McCloskey was away from home at the time, and his wife had gone into the garden a few moments before the accident occurred to her child.

TRIEVERY .- Some of the good people of Karthaus township, it seems, have of late been subjected to the depredations of a pack of thieves, who thus far have eluded detection. Some three weeks ago, 7 or 8 bushels of buckwheat were stolen from the barn of Henry Yothers; since then 18 bushels of oats and 3 or 4 bushels of buckwheat were stolen from Joseph Yothers; Benj. Gunsaulus had several bushels of chop taken from his barn; and Geo. Heckendorn had five or six hams stolen from him the day after he had purchased them. We trust the rascals who are engaged in this piltering may soon be detected and punished.

Drownen .- On Wednesday, 28d inst., a boy named Teats, son of Wm. Teats, of Karthaus township, this county, was drowned in the Susquehanna near Salt Lick. It seems that he and another boy, named Hammel, had gone to Salt Lick on an errand, and on their return home, formed a small "dog raft" and started down the River. By some means they were thrown from the rait, and young Teats, being unable to swim, was drowned. The other swam to shore, and returned home with the tidings. Search was made, and on Friday the body was found in Buttermilk Falls. It was partly out of the water, with the hands clasped firmly around some bushes at the bank. It seems he had been too much exhausted to reach the shore altogether.

BURGLARY .- On Thursday night, May 23d, the store of E. A. Irvin, at the "corner" in Curwensville, was burglariously entered. The villians first bored a hole large enough to admit a hand, through the basement door, lifted the bar, then did the same thing at a trap-door over the cellar steps, and gained entrance to the ware-room. Failing to open the door between the latter and the store-room, they made their exit, bored through a shutter of the office, and breaking the bolt, raised the window and got into the store in that way. They found but a few dollars of change in the drawers to take, and failed to force open the safe, after rummaging through the goods to find the key. They left two hickory clubs behind them in the office when leaving. A couple of suspicious characters had been seen in the evening about the town, and were not to be seen the next morning. Mr. Irvin got on their track and pursued them to Port Matilda, Centre county, where they took to the mountains and eluded further pursuit. One of these fellows is known to be a man of bad character, and is said to have been once an inmate of the Western Penitentiary. We understand a reward of \$50 is offered for the burglars with such evidence as will lead to their conviction.

From all parts of our county we have cheering reports of the appearance of the grain and CLIPPINGS AND SCRIBBLINGS.

HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to necomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hestetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or Eilious complaints, arising from a morbid inaction of the Stomach er Bowels, producing Cramps, Dysentary, Cholic, Cholera Morbus, &c., these Bitters have no equal. Diarrhea, dysentery or flux. so generally contracted by new settlers, and caused principally by

entirely new, and purchased on the most advanta-geous terms, they feel confident that they can sell goods to the advantage of the buyer. Step in sia, a disease which is probably more prevalent, and examine for yourselves, before purchasing in all its various forms, than any other, and the elsewhere. Remember the new store is the place. cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science

FEVER AND AGUE .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and men-tally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they nei-ther create nausea nor offend the palute, and render unnecessary any change of diet or interrup tion of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is remo ved as speedily as is consistent with the produc-tion of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled consitution and infirm body. these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonie, such as Hostetter's Stomach Bitters, is needed to impart temporary rary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before codoing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend

their use in all cases of weakness. Cantion.—We cantion the public against using any of the many imitations or counterfeits, but ask for Hostetter's Calebrated Scomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork. Feb. 22.
