#### PEOPLE'S MEETING.

A meeting of the People's Party of Clearfield county, will be held in Clearfield Borough on Wednesday evening, June 20th, (Court week,) for the purpose of ratifying the nominations of LINCOLN, HAMLIN AND CURTIN, and for transacting other business connected with the affairs of the party. By order of the County Com.

NAUGLE, across the way, has replenished his stock of Clocks, Watches, Jewelry, &c., which he offers to purchasers at the lowest cash prices. Give him a call.

By DIVINE permission, there will be preaching in the Baptist Church on next Sabbath, June 16th, at 11 o'clock, A. M., by the Rev. Godfrey of the Baptist denomination.

THE CENSUS .- B. D. Hall, Esq., of Karthaus township, the Deputy Marshal for Clearfield county, on Monday commenced the business of his appointment. It was his intention to begin at the lower end of the county and make the tour on foot. Our citizens should do what they can to facilitate the work, and enable him to procure all the information that is desired.

AGRICULTURAL MEETING .- A meeting of the Clearfield County Agricultural Society will be held in the Town Hall in Clearfield Borough, on Monday evening, June 18th, (court week.) The several Vice Presidents are requested to make return to this meeting of any monies they may have received; and their presence is especially desired, as it is proposed then to take action about holding a Fair the coming Fall. ELLIS IRWIN, Prest. N. B. An election of officers will also be held.

ROBBERY .- On Sunday night, the 27th of May, the store of Elvis Irwin of Goshen township, was entered by means of a false key, by some unknown persen or persons and robbed of goods and small change, to the amount of \$75 or \$80. There appears to be a mystery connected with the robbery of Mr. Irwin's store-this being the third time within the year. His entire loss will amount to over \$200. We hope that the thief may be detected and brought to speedy justice, as such an adroit scoundrel should never be permitted to run at large.

HOUSE BURNED .- On Wednesday, the 22d May, a house situate in Lawrence township, on the old pike, belonging to Robert Elder and occupied by Maxwell Rowles took fire and was burned to the ground. Mr. Rowles lost all his household effects and clothing by the fire, which were worth probably \$150. This loss, however small it may seem, will fall heavily on Mr. R., as he is a man of delicate health, and has a wife and six children to support. The house was a log building and worth about \$150. The fire originated on the roof, through which the flue passed.

IMPORTANT TO PROFANE SWEARERS .- It is not generally known that the Revised Penal Code, passed last winter, makes all persons who speak loosely or profanely of God, Christ, the Holy Spirit, or the Bible, liable to an indictment for Blasphemy, the penalty for which is a fine not exceeding one hundred dollars, or imprisonment not exceeding three months, or both, at the discretion of the Court. Persons In the habit of swearing had better be careful, as no officer who regards his oath of office can avoid returning to Court all persons who are guilty of the offence as above specified.

CORNER STONE LAID. - On Monday at noon. the corner stone of the new Court House, in this place, was laid. The stone was placed in the north-east corner of the building. A tin box-containing a list of the names of the officers of the General and State Governments, County and Borough officers, Ministers of the Gospel residing here, a Bible, a number of papers of the past and present day, and many was deposited therein. No ceremonics were had on the occasion, although a number of of the stone.

HAIL STORMS .- A destructive storm, accompanied by rain and hail, passed over the greater portion of this county last Wednesday afternoon. In some sections considerable damage was done. In Bradford township, the growing grain was seriously injured by the hail, and by the rush of the water, which rushed down the hill in torrents. On the "Ridg. peach trees were literally trimmed. Some of the hailstones were of an extraordinary size. Several persons informed us that they picked | ence. up hail measuring from 2 to 31 inches in circumference; and we learn that one was picked up in Curwensville, which measured four ownces ! A noticeable feature of all the storms this season, excepting the last one, is, that instead of becoming cold, the atmosphere grows warm after they have passed away; and hence no damage has thus far resulted from frost.

DOUGLAS BETTER LOOK OUT .- Judging from the universal lamentation of the Democracy on account of the defeat of Mr. Seward at Chicago, and the high enlogiums that Democratic editors and orators are bestowing upon him, it may turn out that the Democratic Na-Jurch and nominate Mr. Seward at Baltimore, by way of clinching the testimony of the professed admiration which has recently sprung up in their breasts for the distinguished Senstor of New York.

The expenses of the Japanese are already making an impression at the State Department. The claim of the Panama Railroad Company for taking the party across the Isthmus is \$3,-850. The cost of building extra cabins and

SETTLED AT LAST .- There has been considerable doubt as to whether Lincoln's first name was Abram or Abraham. We find in the ed six inches in circumference, and weigh- debates between himself and Douglas, published in Ohio as a Republican campaign document, and carefully revised by Lincoln himself, he universally spells his name Abraham. But to settle the matter, the Chicago Journal says :- "We have Mr. Lincoln's authority for saying his name is Abraham."

HOSTETTER'S STOMACH BITTERS. It is a fact that, at some period, every mem-ber of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plan common sense, they may be able so to regulate the sys-tem as to secure permanent health. In order to ac-complish this desired object, the true course to pur-sue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite. or Bilions complaints, arising from a morbid inaction of the Stomach or Bowels, producingCramps, Dysentary, Cholic, Chol-

era Morbus, &c., these Bitters have no equal. Diarrhœa, dysentery or flux. so generally con tracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspep-sia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible ? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science

FEVER AND AGUE .- This trying and provoking discase, which fixes its relentless grasp on the bo-dy of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bit-ters are used as per directions. And as they nei-ther create nausea nor offend the palate, and ren-der unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is removed as speedily as is consistent with the produc-tion of a thorough and permanent cure.

For Persons in Advanced Years, who are suffer-ing from an enfeebled consistation and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these appreciated. And to a mother while hursing these Bitters are indispensable, especially where the mo-ther's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostet-ter's Stomach Bitters, is needed to impart tempo-rary strength and vigor to the system. Ladies rary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before to doing, should ask their physician, who, if he is acquainted with the virtue of the Stemach Bitters, will recommend their use in all cases of weakness. Cantion .- We caution the public against using

any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle and stamped on the metallic cap covering the cork. and observe that our autograph signature is on the label.
