THE RAFTSMAN'S JOURNAL.

What is that which can be right, but never wrong? An angle.

If a tree were to break a window, what would the window say ? Tree-mend-us.

Why is Berlin the most dissipated city in Europe ? Because it is always on a Spree.

What trees are those which, when the fire is applied to them, are exactly what they were before ? Ashes.

Why is a man climbing up Mount Vesuvius like an Irisman who wishes to kiss his sweetheart ? Because he wants to get at the mouth of the "cratur."

Whiskey is now tested by the distance a man can walk after tasting it. The new liquor called "Tangle-leg," is said to be made of diluted alcohol, nitric acid, boot leg, and tobacco, and will upset a man at a distance of four hundred yards from the demijohn.

Herr Blitz selected from the audience a bright little boy to assist him in his experiments. "Sir," said he, "do you think I could put the sovereign which the lady holds, into your pocket ?". "No," said the boy confidently. "Think not ?" "I know you couldn't." "Why ?" "Cause the pocket is torn out !"

HOSTETTER'S STOMACH BITTERS. It is a fact that, at some period, every mem-ber of the human family is subject to disease or disturbance of the bodily functions; but, with the

aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pur-sue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine. but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, ena-

Diarrhœa, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspep-sia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great pre-

der unnecessary any change of diet or interrup and healty digestion, and the complaint is remo-ved as speedily as is consistent with the produc tion of a thorough and permanent cure. For Persons in Advanced Years, who are suffer

ing from an enfeebled consitution and infirm body. these Bitters are invaluable as a restorative strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before : o doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend their use in all cases of weakness.

Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork.

paration in the scale of medical science FEVER AND AGUE .- This trying and provoking discase, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and rention of ordinary pursuits, but promote sound sleep

ble the system to triumph over disease. For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producingCramps, Dysentary, Cholic, Cholera Morbus, &c., these Bitters have no equal.
