NEW NURSERY BALLADS.

Sing a Song of Charleston! Bottle full of Rye! All the Douglas delegates Rnocked into pi! For when the vote was opened, The South began to sing, "Your little Squatter Sovereign Shan't be our King!

There was a little Senator Who wasn't very wise, He jumped-into Convention. And scratched out both his eyes. And when he found his eyes were out, With all his might and main, He bolted off to Baltimore,

To scratch them in again. A darkey preacher arose to announce his

A school teacher writes; "The spelling class was up. The word 'Rebutter' passed all around: none could tell the definition. At last little Joe Peters near the foot of the class called out, 'I can tell, sir!' 'What is it?' said I. 'It means,' said he, 'to butter on both sides. 'Re signifies a repetition; and if you butter it again you must certainly butter it on both sides!' I caved.

A citizen of Washington, D. C., recently became possessed of \$5 note, with the endorsement. "This is the last of twenty thousand dollars spent in gambling in the fashionable hells of Washington. Young men into whose hands this may fall, beware of dissipation, drunkeness and gambling."

Can any of our fashionable ladies tell why the Lord, when he made Eve from one of Adam' ribs, didn't make a hired girl from one of his fingers or toes ?

HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Chol-era Morbus, &c., these Bitters have no equal.

Diarrhea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspep sia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science. FEVER AND AGUE .- This trying and provoking

disease, which fixes its relentless grasp on the bo-dy of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffer-ing from an enfeebled consitution and infirm body. these Bitters are invaluable as a restorative strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before to doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend

their use in all cases of weakness.

Caution.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork.
