HOSTETTER'S STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the sys-tem as to secure permanent health. In order to accomplish this desired object, the true course to pur-sue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine. but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausca, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Cholera Morbus, &c., these Bitters have no equal. Diarrhea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspep sia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to de-

rangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and men-tally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they noither create nausea nor offend the palate, and ren-der unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is removed as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffer ing from an enfeebled constitution and infirm body these Bitters are invaluable as a restorative of these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the asstem. Ladies rary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend their use in all cases of weakness.

Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle,

ATEST NEWS FROM HARPER'S FERRY .- Brown, the leader of the Insurrection, found guilty of Murder and Treason in the First degree .- The above named 'insurrection' caused a great deal of gas to be let off by leading politicians and the political press of this great country, and in fact, the majority of the people of all parties, were more or less excited on reading the first account of the insurrection—some of the papers trying to make political capital out of the affair and others making light of the matter. But if it had been an Italian strike for Freedom a-gainst their lawful sovereign, led on by Mazzinni or Garibaldi, the Press of this country, with but one exception, would call meetings and pass resolutions and solicit subscriptions to aid them in their so called patriotic work; but amidst all this inconsistency there is one man that is not the least interested in the fate of Brown or his companions, and that one is Frank Short of the Short Shoe Shop on Second street, where he will be found at all times ready and willing to wait upon persons calling on him for anything in the Boot, Shoe or Gaiter line. Thankful for past favors he only asks a continuance of the same, and will sell as cheap for eash or hides as any other man in the county November 9, 1859. FRANK SHORT.
