## County Convention.

The members of the People's Party of Clearfield county are requested to meet in convention At the Town Hall in Clearfield,

M., for the purpose of nominating a County ticket, taking action in regard to Congressional and Representative candidates, and transacting such other business as may be deemed necessary. In 1856, the Democrats made a great ado about the "union" electoral ticket formed by the Republicans and Americans. Now, that their party is split asunder, they seem to forget their pretended horror of a "mongrel" ticket, and are trying to unite the two wings it is said, they went so far even as to propose a coalition with the Know Nothings. The Douglasites in Pennsylvania, seeing that the arrangement suggested by the State Committee will be a "buzzard" affair to them, denounce the scheme in unmeasured terms. It remains to be seen whether a compromise can yet be effected. It will, however, make but little difference, as "honest old Abe," will certainly be the next President.

The last Clearfield Republican says it cannot recognize either of the gentlemen nominated at Baltimore, as the candidate of the National Democratic party. We suppose it regards both as sectional candidates; but this, of itself, we are inclined to think, will be a very slight barrier to its support of one or the other, after the editor ascertains that a certain "distinguished Senator," though personally preferring Breckenridge, is not only willing to support either that gentleman or Mr. Douglas to defeat Lincoln, but is said to be ready to ewallow even Bell to bring about that result."

Onio.—The Democracy of Ohio has split in two, just as everywhere else. The Breckin-ridge men seceded from the State Convention held at Columbus on the 4th July, and have resolved to have a State and Electoral ticket for Governor of Michigan, is for Breckinride and Lane,

TRYING TO PATCH IT UP !

The "Democratic" State Committee met in Philadelphia on Monday last a week. There could be preserved. Several propositions elicited. Finally, the following proposition was adopted by a vote of 45 yeas to 15 nays:

"That, if said electoral ticket should be on ascertaining the result in the other States | Penitentiary. of the Union, that, by casting the entire vote of the State of Pennsylvania for S. A. Douglas and H. V. Johnson, it would elect them President and Vice President over Messrs. Lincoln and Hamlin, then said electors shall be under obligations to so cast said vote.

"If, on the other hand, it should appear that said vote would not elect Messrs. Douglas and Johnson, but would elect John C. Breckinridge and Joseph Lane, President and Vice President, over Messrs. Lincoln and Hamlin, then said vote shall be cast for them; and in case the united vote from Pennsylvania would not elect either of their tickets, then the Electors may divide it between them according to their own judgment of what would be best for the country and the Democratic party."

The object aimed at in this arrangement is to take the vote of Pennsylvania from Lircoln and Hamlin, for it will not be pretended that either Douglas or Breckinridge have the remotest chance of an election by the people. It won't accomplish the object.

To the Douglas men it is a sort of "Heads I win; tails you lose" game, and we'll see whether they are fools enough to be sold, body and breeches, to the Administration.

Forney's Press is very severe upon the action of the State Committee, and scouts it with great indignation. We copy a paragraph which shows pretty conclusively that this at tempt of the Administration, through its majority on the Committee-to use the classic language of a friend-"has gone up a spout!"

"This action of the State Committee will be received by the Democrats of the State with contempt and indignation. It is a proclamathe Democratic National Committee, which has demanded the appointment of pure Douglas electoral tickets in all the States. We reticket. They cannot vote for it, as it stands, time to safe its life. without stultifying themselves. They cannot vote for it without voting for Disunionists and Seceders. They cannot vote for it without sanctioning fraud and force in their worst shapes. There is but one rescue from this last shameless act of despotism-and that is, a mass meeting of the Democratic people, to purge the electoral ticket, and to cut loose from the Disunionists forever. There was a masses do not now move in their own defence, it will be because they are indifferent to their own interests, or disgusted with treacherous | Housekeepers should try this remedy. representatives. A fitting finale to this gross betrayal of principle was the Seceders' meeting at Independence Square on the same eve-

ANOTHER QUARREL .- Senator Gwin, of Calfornia, had a quarrel with the President on Saturday a week. The war of words became very violent, and during the altercation the Senator denounced Mr. Buchanan in not very accurately measured language, and concluded by telling the old gentleman that he would never darken the doors of his mansion again. Gwin has hitherto been Buchanan's right-hand man, and this private quarrel will doubtless manifest itself, in time, in California politics. The man who betrayed Broderick has been in turn betrayed. Serves him right.

PLOT AGAINST NAPOLEON AND GARIBALDI .-Commander Bellor, of the French garrison at Florence, is said to be carrying on an investigation in which surprising revelations have transpired. Several of the Roman prelacy a perfect fac simile of the genuine issue. are said to be implicated in a plot to assassi nate the Emperor Napoleon and Garibaldi. 500,000 francs are set on the head of the former and 100,000 francs on that of the latter. FRANCHI and MARIANI were to put the design into execution. How long will the assassin's dagger continue to ally Italians with the bloody barbarism of the dark ages?

Senator Green and Polk, of Missouri, are for Breckinridge and Lane, while the Democratic candidates for Governor and Lieutenant Governor are for Douglas. The bad feeling between the two factions is growing very bitter, and the Breckinridge party have nominated candidates for Governor and Lieutenant Governor, so that there are now two tickets in the field. The prospect now is that Lincoln and Hamlin will carry the State.

Kansas is gloriously avenged! She sees the men who made war upon her now making war upon each other. She stands out, pure and majestic in her unconquerable integrity, while they are crushed, disheartened and demoralized. Kansas will come into the Union soon after the 4th of March next with her banners waving over the dishonored graves of her political enemies. Justice is slow but sure.

A BIG SCREW LOOSE .- Major Thos. P. Campbell, one of the test stump speakers in the of the party by a similar plan. In New York, State, and the leader of Locofocoism in Huntingdon county, has come out in favor Lincoln, Hamlin, Curtin, and a Protective Tariff. His influence will be felt in the present contest, as he is going to take the stump immediately.

> ERIE COUNTY .- The Republicans of Erie county have re-nominated the Hon. Elijah Babbitt for Congress. For Assembly, Henry Teller and Gideon J. Ball are the nominees. This is a strong team, and Eric promises to give three thousand majority for Lincoln, Curtin and the whole ticket.

> The Douglas Democrats at the North declare that Breckinridge has no strength whatever in the North and Northwest; the Breckinridge Democrats in the South say that Douglas has no strength whatever in the South and Southwest. We believe them both.

> The Delaware Inquirer hoists the flag of Breckinridge and Lane-upside down-and calls it the "disunion nomination." While the two wings of the unterrified are fighting in in the Diamond State, the friends of Lincoln will bear off the prize.

> The Breckinridge, Bright and Fitch men of the State of Indiana are so embittered against Douglas that they threaten to defeat Henderick, the democratic can didate for Governor
