## THE JOURNAL.

CLEARFIELD, PA., AUGUST 15, 1860.

By Divine permission, Rev. Samuel Miles will preach in the Baptist church in Clearfield Borough, on next Sabbath, 18th inst., at 11 o'clock A. M.

REV. Dr. Liren, of Phila., will preach in the Baptist church this (Wednesday) evening, ter, t'other evening. and on each succeeding evening during the week. The public are invited to attend.

Music .- We direct attention to the advertisement of Miss Rynder, who proposes to open a school for vocal and instrumental music. We understand that Miss Rynder is an accomplished musician and excellent teacher.

MAIL BAG FOUND .- Last Sunday, whilst the landlord of the Mansion House in this place, was searching for a pair of saddle-bags on the attic story, he found an old mail bag, which was delivered to the postmaster, and on being opened was found to contain several packages of letters, the post-marks dating back three years. How the mail-bag happened to be put on the garret is a mystery.

THE FAIR GROUND .- The committee who have the arranging of the ground on which the Fair of the Agricultural Society is to be held in October, have had it measured off, the track laid out, posts and boards for fencing hauled, and are pushing the work along as rapidly as possible. We understand that the immediate oversight of the grading has been committed to Mr. John McGaughy, who will donbtless see that it is properly done.

Sold .- It seems that we have been regularly "sold" by some wag, who sent us an account of the discovery of an indian burying ground on Carry's Run, which we published in our last issue. The letter was signed E. H. Spencer, but Mr. S. informs us that he knows nothing about the matter, nor did he write the letter. Well-all we can do is to own up, contradict the story, and promise the chap who is the the author of the "sell" that he may himself be punched up with a "sharp stick," some of these days.

P. C. Purviance, ambrotypest, of Clearfield, that he will close his gallery on the 27th Aug., scarce there. inst., for the purpose of making a professional tour, of probably several months duration. Those wishing Ambrotypes, can secure his services during the mean time. DEMOCRATIC NOMINATIONS .- Yesterday was the regular time for the returns to be made of the Democratic primary elections in this county. Dr. John P. Hoyt had a majority of votes for Assembly; Samuel C. Thompson, of Morris, for Commissioner; and B. C. Bowman, of Decatur, for Auditor. For Commissioner 769 votes were polled. Of these, S. C. Thompson had 207, John P. Dale 196, George J. Yoas 122, W. G. Johnston 114, Wm. Chambers 77, tailed to make any return.

AN ITEM FOR HOUSEKEEPERS .- The liquid glue made as a specialty, and extensively advertised as a secret preparation, is very simply made, and costs very little. Eight ounces of glue, dissolved in half a pipt of water, in a wide-mouthed bottle, costs but a few cents. Having dissolved it by immersing the bottle in a vessel of water until the desired result takes place, pour into the mixture twoand-a-half ounces of nitric acid, stirring until all is incorporated. Glue should be used that costs forty cents a pound. The cost of the acid is merely nominal. For a few cents, therefore, any housekeeper may prepare as much of the article as would cost a dollar and a half or two dollars when purchased in little bottles. The Celebrated Prepared Glue, advertized in the papers, is nothing more than this. It is however, a valuable composition, as it never ferments, and will even mend porcelain permanently, provided it does not come in contact with water.

SABBATH SCHOOL Pic-Nic .- Thursday last was a happy day for most of the children of our village-and not only for them; young men and maidens, fathers and mothers, made up the mingled throng, and all gave themselves up to the day at "Liberty Spring." Three Sabbath Schools-Episcopal, Methodist Episcopal, and Lutheran-were fully represented. The Superintendents and Pastors, with their families, and the families of the respective congregations, were present. And his people and children, of the R. Catholic church. The town, in fact, was well represented. Carriages and buggies went and came. depositing their loads. Presently the pile of backets and buckets and bundles of eatables waxed larger and larger. A long L table was at length set; but before sitting down, the refreshments were served to every one. The ladies and gentlemen next occupied the table; and here even Mr. or Col. Presbury of the Girard, or Mr. Paran Stevens of the Continental Hotel, would have nodded approbation. Turkey, and chickens, and pot pie-ham and tongue-weal and mutton roasts-pies, tarts, and last, the' not least, delicious bread and butter; and yet, it is worthy of record, there seemed more on the table when the company arose than appeared at first. A second set dined, and then the children-all were amply served and went off to their plays, but before scattering, they were called together and sung tion behaved admirably.

The two Democratic papers at Richmond talk about "the great issue now before the country." These two organs manage to get up issues oftener than any other couple we ever heard of except the married couple that had twenty-four children in twelve years.

A TERRIBLE TRAGEDY is reported from Council Grove, Kansas. A man named Josiah Tay lor, alias "Cye Smith," who had been married only a month and lived unhappily with his wife, shot her with a pistol, but not fatally .-He then escaped, but was pursued, and when his pursuers were about capturing him, he show himself through the head, dying instantly.

A GOOD ONE .- A few days since says the Emporia (Kansas) News, the wife of one of our citizens went to the cupboard for some eggs which she had placed there the day before, on Friday, August 24th, 1860. Come to the camp when, lo and behold, she found that two of them had literally taken to themselves legs very welcome was the excellent Pastor, with and wings and were fluttering about amongst and wings and were fluttering about amongst the crockery; in other words, two chickens ORPHANS' COURT SALE OF VALUAhad been hatched out by the heat! and were running about on the shelf.

FIRRT HEAVY BET .- The editors and proprietors of the La Crosse (Wis.) Republican and of the Democrat, have bet their offices, papers, types, and everything (value \$4,000) on the election in Illinois and Wisconsin. If Dongchildren were all summoned, and cakes and las carries both States the editor of the Democrat is to take both concerns. If Douglas does Republican is the winner. Property to be delivered on the 4th of March next.

DESTRUCTION BY GRASSHOPPERS .- The Chicago [Ill.] Times says that the prairies in the vicinity of that place fairly swarm with grasshoppers. There seems to be at least seven and custards-floats and flummery-cakes of grasshoppers to everyblade of grass. In some from John Martin by deed dated June 5th. A. PREPARED FOR THE "RAFTSMAN'S JOURNAL." ELK COUNTY .- On Saturday the 4th of Au-Henryhan, was washed from a raft a short distance below the Portland dam, on the Clarion river, and before assistance could reach him, sank to rise no more. The raft had struck a slab-pile which caused it to sink, and Mr. Henryhan and several others were washed off .-The deceased but recently came to this country from Canada where his friends reside, with the exception of one sister who lives at Beech Bottom, a short distance from where the accident occurred. We have just been informed distance below where he was washed off, and taken to Centreville for interment. We also learn that Mr. Daniel Coe, was severely hurt at the sume time and place. Several others barely escaped with their lives.

CAMBRIA COUNTY .- Mr. Samuel Lilly, of engaged in hitching his team to a wagon, and while adjusting the bridles, the horses became frightened and started off at full gallop. Mr. Lilly was knocked down and the horses and wagon passed over him. He was so seriously injured that he survived but a short time. . . . A stone used in the construction of one of the abutments of the bridge crossing Jones and Yenners dam, on the Ebensburg and Cresson trains on the Pennsylvania Railroad on Sun-Rail Road, exhibits on its surface a deep and well defined impression of a human foot enveloped in a moccasin. It is apont 15 inches long, thus proving conclusively ahat "there were giants in those days." It is quite a curiosity and is well worth examining.

Indiana County .- A few days ago a valuable colt, belonging to Isaac Kinter, of Rayne township, in attempting to jump a paling fence, ran one of the palings into its bowels, which caused its death. . . . . HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength generally, everywhere See advertisement in and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all The Bitters operate powerfully who have used it. upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Chol era Morbus, &c., these Bitters have no equal.

Diarrhoea, dysentery or flux, so generally con tracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the rangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGUE .- This trying and provoking disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is remo ved as speedily as is consistent with the produc

tion of a thorough and permanent cure. For Persons in Advanced Years, who are suffering from an enfeebled consitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before o doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend their use in all cases of weakness

Cantion .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork. and observe that our autograph signature is on the

LATEST NEWS FROM HARPER'S FERRY.—Brown, the leader of the Insur-rection, found guilty of Murder and Treason in the First degree. - The above named insurrection caused a great deal of gas to be let off by leading politicians and the political press of this great country, and in fact, the majority of the people of all parties, were more or less excited on reading the first account of the insurrection-some of the papers trying to make political capital out of the ffair and others making light of the matter. But if it had been an Italian strike for Freedom against their lawful sovereign, led on by Mazzinni or Garibaldi, the Press of this country, with but one exception, would call meetings and pass resolutions and solicit subscriptions to aid them in their so called patriotic work; but amidst all this nconsistency there is one man that is not the least interested in the fate of Brown or his companions. and that one is Frank Short of the Short Shoe Shop on Second street, where he will be found at all times ready and willing to wait upon persons calling on him for anything in the Boot, Shoe or Gaiter line. Thankful for past favors he only asks a continuance of the same, and will sell as cheap for each or hides as any other man in the county November 9, 1859. FRANK SHORT.
