### THE JOURNAL.

CLEARFIELD, PA., AUGUST 29, 1860.

A short advertisement about a Short shoeshop appears in the Journal to-day. We direct attention to it.

By an advertisement in another column of of this paper, it will be seen that our friend Jacob Mock has again taken the Kyler House in Kylertown, and is ready to accommodate customers. Mock is a clever man and a good land-lord.

SEVERE CUT.-Last Thursday, a boy 8 or 10 years of age, son of Mrs. Wm. Mitchell, of Lawrence township, fell on the knife of a cutting-box and cut a gash, some 4 or 5 inches in length, into the back part of one of his legs, between the knee and the hip. The wound is a deep one, and of a rather serious nature.

HARVEST HOME .- Last Thursday the citizens of Brady township had a harvest home celebration, which was well attended, and at which addresses were delivered by Dr. T. J. Boyer, Dr. George Wilson, and Rev. Mr. Vernon. The address of the latter was more particularly directed to the Sabbath School children, and was quite appropriate to the occasion. The proceedings were cut short a little in consequence of a shower of rain coming up suddenly, when the people dispersed.

CAMP-MEETING .- This is the season of camp meetings. Last Friday that of the Methodists was commenced on the land of Josiah R. Read, Esq., in Lawrence township, and is still in operation. On Sunday not less than from 1,200 to 1,500 persons must have been in attendance. We have not learned what progress has been made in the way of conversions. On next Friday, the camp-meeting near Flegal's in Goshen township, will commerce; and on the same day the United Brethren commence one is Bradford township, in the vicinity of Mr. James Turner's residence.

PHILIPSBURG & WATERFOD RAILROAD .- Last Saturday, August 25th, the stockholders in the above road met in Clearfield Borough, and elected Hon. G. R. Barrett President and James T. Leonard, John Patton, Lewis J. Crans, Simon B. Row, James B. Graham, Christopher Kratzer, Jacob Black, Charles L. Lamberton, Isaac G. Gordon, John J. Y. Thompson, William McBride and Richard Mossop, as the Board of Directors. Gen. John Patton was elected by the Board as Vice President, Hon. James T. Leonard Treasurer, and of some other business, the Board adjourned to meet at the call of the President.

MAN FOUND DEAD,-Last Thursday afternoon, August 23d, information was brought to town that a man was lying dead in the road near Nancy Ogden's about a mile and a half east of this place. M. A. Frank, Esq., at once proceeded to the spot and selected a Jury, consisting of Geo. Thorn, John W. Shugert, Henry Evans, Geor. W. Rheem, Henry W. Park and Henry E. Syder, who ascertained that the deceased was a man named Frederick Schindel, who, some months since, was employed as bar keeper at the National Hotel | ples!" in Tyrone City. The Jury rendered a verdict "that said Frederick Schindel, in passing along the public highway in Lawrence township, fell dead; that he had no marks of viotence appearing about his body, and died of the visitation of God, in a natural way." Poor Fred! There is no doubt that the demon Alcohol was his destruction. He was haried on Friday in the grave-yard on the hill, away from kindred and home, with strangers only to pity his sad and mournful end. It is creditable to the officers and others who were called upon to take an active part in the case, that they had him decently interred.

HEAVY ROBBERY .- Last Saturday afternoon, Aug. 25th, our venerable friend Jason Kirk, of Penn township, this county, during a temporary absence from home, had his house robbed of \$1,080. It appears that a stranger, about 6 feet in height, with heavy sandy whiskers, reddish brown coat and black pants, called at the house and informed a small boy and premises at the time, that a number of cattle were in the corn-field, and they had better hurry and turn them out or they would destroy the corn. Whilst the girl and boy were doing this, the scoundrel entered the house, broke open several trunks and two chests, and from one of the latter abstracted the money. About \$600 or \$800 of it was in \$20 gold pieces, \$200 in eagles and half eagles, and the balance in silver. The robbery was not discovered until Mr. Kirk returned from Lumber City, in the evening, when persons were sent in pursuit of the robber, but no arrest, so far as we know, has yet been made. An individual answering the description of the one who sent the boy and girl to the corn-field. was seen in Curwensville towards evening. The cattle had doubtless been turned into the corn by the villain for the purpose of committing the robbery.

Missouri .- The vote for Governor in all but six sparsely-settled counties, sums up thus:-For Jackson, regular Democrat, For Orr, Opposition, For Jackson, Breckinridge bolter, 11,091 For Gardenbire, Republican,

-Claiborne F. Jackson, the Governor elect, was the only regularly nominated candidate in the field; but coming out for Douglas, Hancock Jackson was nominated by a Breckinridge meeting in St. Louis. Mr. Gardenbire withdrew some days before the election, and urged the Republicans to vote for Judge Orr, thereby securing the election of Frank Blair to Congress, and their Legislative ticket in St. Louis. The bulk of the Breckinnidge men voled for C. F. Jackson, to defeat Orr.

In Massachusetts, in Webster County, they have a lake which is unrivaled chowder. The only difficulty is, how to get there-not that the way is not plain enough to horses and oxen, but to men it is difficult—the reason being that they cannot pronounce its name. A great many people have nearly accomplished the lockjaw in the experiment. It is called Lake Chambunagungamang.

August 8 1860 HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the sys tem as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has in troduced to this country a preparation bearing his name, which is not a new medicine. but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, ena-

ble the system to triumph over disease. For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Cholera Morbus, &c., these Bitters have no equal.

Diarrhea, dysentery or flux, so generally con racted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspep-sia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science

FEVER AND AGEE. - This trying and provoking lisease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and men-tally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interrup-tion of ordinary pursuits, but promote sound sleep and healty digestion, and the complaint is remo ved as speedily as is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are sufferng from an enfeebled consitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of he child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before o doing, should ask their physician, who, if he is acquainted with the virtue of the Stemach Bitters, will recommend

their use in all cases of weakness Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, States. Canada. South America, and Germany.
