THE JOURNAL.

CLEARFIELD, PA., SEPT. 5, 1860.

We understand that one of the school houses in Penn township was destroyed by fire

Robbery .- Last Wednesday night, during the absence of the family, the house of Mr. Henry W. Parks in this borough was entered and robbed of about \$10 in money. No clue to the perpetrator has yet been discovered.

MRS. ALEX. IRVIN, of our town, will please accept our thanks for a basket of excellent apples she sent us a few days since.

Our thanks are also due to Mr. John S. Hoyt, of Lawrence township, for a bushel of very good apples which he presented us one day last week.

Oil Company .- The stockholders of the Susquehanna Oil Company met on Saturday the 1st of Sept., 1860, at the house of John Reiter in Covington township, and organized by electing the following officers :- John Reiter, President; John Gilliland and Lorenz Hartlein, Vice Presidents: J. C. McCloskey, Treasurer; and J. W. Potter, Secretary. J. K. Boak, Wm. S. Sankey and F. F. Condriet were elected managers of said company, with power to collect stock and proceed immediafely to work. One hundred dollars were paid in, and the managers employed John Briel to go to Clarion, or some other point in the oil region, to purchase tools, and employ some sees. (A. B. C's.) experienced hand to take charge of the work. Mr. Briel is now on his way, and as soon as he returns the company will commence operations.

AMERICAN TRACT SOCIETY-PENNSYLVANIA BRANCH .- The quarterly report of H. N. Thissell, the superintendent of this Branch, embodies the details of the personal labors, sales, and grants of 91 colporteurs on this field; showing that in the quarter ending June 1, including sales at the depository, they circulated over \$11,400 worth of publications, addressed 677 public meetings, made 42,241 family visits, united in prayer or held religious conversation with 27,316 of those families, 5,924 of which, embracing nearly 30,000 souls, habitually neglect the house of God on the Sabbath. and 2,319 of them had no Bible.

One colporteur, who has labored fourteen years, had visited nearly every family in Blair and Huntingdon courties, and many of them. repeatedly; and in this time had furnished them by sale with 112,000 volumes, or \$14,000 worth, and distributed gratuitously 7,000,000 pages. His circulation had annually increased, and the last quarter it exceeded any quarter since he began his work.

Another, who had visited 384 families, and conversed and prayed with 286 of them during the quarter, relates an account of the conversion of an intelligent gentleman by the blessing of God on the reading of the American

Another, describing the destitution of his field, says religious books would never go into some parts of it unless carried by the colporteur. Persons had shown him tracts and books which he sold them three or four years ago, which had been the means of their conversion. Some had been active in promoting Sabbath-

Seven colporteurs, during their connection with the Society, report the organization of 125 schools. Many other cheering facts might be enumerated, if our limits would permit. During the months of May, June, and July the committee have commissioned 120 colporteurs, including 74 students, to prosecute this work

Will not all who appreciate the gospel as the means of salvation give this work their prayers and efficient cooperation!

A correspondent, writing from Erath County. Texas, under date of Aug. 2d., says :-Foul murders, killing, and fighting, are entirely of too frequent occurrence in this part of the country. I would to Heaven we had ess of it. Ever since last February we have been in one continued state of excitement, owing to the war, the murders, the ravages, and the slaughter of women and children by the neighboring savages. But their most intense hostility has been directed to our live stock; hundreds and I may say thousands of horses have been killed or carried off by them; and such has been the apathy of people at a distance, that they have seemed to regard the accounts as our delusive stories. It is true that our Governor ordered out Minutemen, Rangers, and a Regiment of Cavalry, but they were so slow getting along, and so badly officered, that they have done little or no good, many of the officers of the regiment seeming to regard the whole affair as either visionary, | Borough. uscless, or as an electioneering scheme. And, as the thing has gone off, it has proved an effectual call for all the grand villains and forse-thicives to gather in for their share of the booty. As the vultures gather around a carcass, or as the wolves follow in the wake of Buffaloes, so the rogues have come here.

White men have come in and taken the places of the fierce Cammanches and the prowling Caddos. But the ire and indignation of the more hardy and honest portion has been aroused. Some of those fair-skinned savages have been caught. One in this county has been hung, and I hear that several in Tarrant have shared the same fate (I can't say whether it be true or not); but a very respectable his county and Bosque, have spent nearly a week in investigating the case of the principal rogue, Tucker by name. This Tucker they have turned over to the civil authorities, he having made a clean confession of the whole thing. The examination of the others has been deferred until they can send for more persons. I have no doubt but that the thing will go on lively now for some time. But we here are only acting on the little rogues. There are some big rogues up near the Indiceive these hundreds and thousands of horand dispose of them. These are the fellows we want to get hold of.

HOSTETTER'S STOMACH BITTERS.
It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has in troduced to this country a preparation bearing hi name, which is not a new medicine. but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or Bilious complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Chol-

era Morbus, &c., these Bitters have no equal. Diarrhea, dysentery or flux, so generally con tracted by new settlers, and caused principally by the change of water and diet, will be speedily reg-ulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using HOSTETTER'S STOMACH combs, Tortoise shell, Plain and Fancy and India BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great pre-

paration in the scale of medical science. disease, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the of a thousand flowers, tooth paste, charcoal; Shavuse of HOSTETTER'S RENOWNED BITTER'S. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they nei-ther create nausea nor offend the palate, and render unnecessary any change of diet or interrup tion of ordinary pursuits, but promote sound sleen and healty digestion, and the complaint is remo ved as speedily as is consistent with the produc tion of a thorough and permanent cure.

ing from an enfeebled consitution and infirm body, these Bitters are invaluable as a restorative virtue of the Stomach Bitters, will recommend their use in all cases of weakness.

Caution .- We caution the public against using Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork.
