CLUB IN WOODWARD .- The Republicans of Woodward township met at Sanburn School house on the evening of the 1st September, for the purpose of forming a Lincoln, Hamlin, Curtin and Patton Club. To MAKE TOMATO CATSUP .- Take one-half bushel of ripe tomatoes, two quarts of onions, one half dozen common size red peppers, (if not quite ripe no matter.) Cut your onions and peppers fine and place them over a good fire to stew, in a pint of water. Wash your tomatoes, cutting up the large ones, and put them all in another kettle with one gallon of water over a slow fire, and boil till soft, stirring often to keep from burning to the kettle. When soft, remove from the fire and strain them through a wire sleve, rubbing them with the bottom of a tin cup or dipper until all but the seeds and skins are pressed through. These place in a cloth strainer, and add the juice to that which you have pressed through the sieve. Add the onions and peppers, boil the whole down one halt over a slow fire, add salt to snit the taste, boil a few a minutes after, and remove from the fire. Then add two quarts of good vinegar, bottle while warm, cork tight, and lay the bottles on the side in a cool place.

This recipe Dr. A. M. Hills furnished us.

Mr. McCall is seriously but not dangerously wounded. A coroner's jury was summoned and rendered a verdict that Mr. Lewis came to his death from a pistol shot in the hands of a man named Charley Logue. The name of his accomplice is Davis. HOSTETTER'S STOMACH BITTERS. It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to ac-complish this desired object, the true rourse to pur-sue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine. but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels, and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, ena-ble the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite. or Bilions complaints, arising from a morbid inaction of the Stomach or Bowels, producing Cramps, Dysentary, Cholic, Chol-era Morbus, &c., these Bitters have no equal.

Diarrhœa, dysentery or flux, so generally con-tracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs. can be cured without fail by using HOSTETTER'S STOMACH BITTERS, as per directions on the bottle. For this disease every physician will recommend Bit-ters of some kind; then why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not to be found a more healthy people than the Germans, from whom this preparation emanated, based upon scientific experiments which have tended to prove the value of this great preparation in the scale of medical science.

FEVER AND AGCE .- This trying and provoking discase, which fixes its relentless grasp on the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driver from the body by the use of HOSTETTER'S ARAMNED BITTER'S. Further, none of the allove-stated diseases can be contracted, even in express situations, if the Bitters are used as pur directions. And as they neither create named nor offend the palate, and render unnecessary any change of dist or interruption of ordinary parenits, but promote sound sleep and healty digestion, and the couplaint is removed as speedily as is convisiont with the production of a thorough and permanent cure

For Persons in Advanced Fears, who are suffering from an enfeebled constantion and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother while nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostot-ter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all ca-ses of debility, and, before o doing, should ask their physician, who, if he is acquainted with the virtue of the Stomach Bitters, will recommend their use in all cases of weakness.

Caution.--We caution the public against using any of the many imitations or counterfeits, but ask for Hastetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork.
