

THE JOURNAL.

Clearfield, Pa., Sept. 19, 1860.

A MASS MEETING OF THE FRIENDS OF LINCOLN & HAMLIN, CURTIN, PATTON. THE ASSEMBLY AND COUNTY TICKET. Will be held in Clearfield Borough, ON WEDNESDAY EVENING, SEPT. 28th. All are invited to attend.

CHARLES HOLDS has arrived in town with his picture car, and is prepared to take likenesses at any time when called upon. Read his advertisement.

The County Treasurer informs us, that an excellent opportunity will be offered to the merchants of this County to obtain their License during the September Court. Call and See.

To JACOBS.—Sheriff Miller requests us to state that the Jurors summoned for the Second week of the approaching Court, need not attend, as all the causes for that week have been continued.

Dr. A. M. HILLS, Dentist, requests us to say that he will now remain permanently at home until further notice is given, and will be pleased to serve all his friends who may desire anything in his line of business.

REED, WEAVER & Co. have finished a large addition to their store room on Second street, and have now one of the finest retail establishments in the country. They have received a large stock of Seasonable Goods, which they offer to customers on advantageous terms. See advertisement.

TO ALL CONCERNED!—Having frequently been imposed upon in the publication of Auditor's, Executors, Administrators, Stray and Caution Notices, the publishers of the Clearfield Republican and Raftsmans Journal hereby require advance payment for all such advertisements. This rule will be strictly carried out.

THE BIBLE SOCIETY.—The next concert of Public Worship in aid of the work of the Clearfield County Bible Society, will be held in the Episcopal Church in this borough on Sabbath evening next, 23d inst. The Rev Mr. Spottswood will preach. All the congregations and pastors of the borough and neighboring charges are invited to unite.

THE FAIR GROUND.—We are pleased to see that those who had the fixing up of the Fair ground in charge, have pushed the work vigorously. A good fence has been erected, the track finished up, and other improvements made. The gate is left open so that persons can enter at any time and drive over the track, which is in accordance with the wishes of the committee, as that will beat it down and render it solid. We hope our farmers will do their full share in furnishing articles for exhibition, as we understand that there will be a large display in other departments. The Society have been at heavy expense, and every individual should feel it his duty to encourage the enterprise to the full extent of his ability. Some alterations and additions have been made in the premium list, which, as corrected, will be found on the fourth page of this paper. The rules and regulations will be published next week.

Correspondence of the "Raftsmans Journal." SOMERSET, Pa., Sept. 14, 1860. DEAR JOURNAL:—I attended the Ev. Lutheran Synod at Berlin. There were upwards of 30 ministers, and as many lay-delegates, in attendance. They had a very interesting meeting, and transacted a great amount of business. On Wednesday morning the members of the Synod departed for their homes, highly pleased with the manner in which they were entertained by the people of Berlin. Altoona, Blair county, was selected as the place for holding the next Synodical Session.

The towns of Somerset and Berlin have improved a great deal within the last ten years. This county is advancing rapidly in agriculture, which advance is attributable to the interest awakened by the Agricultural Society. We have had several heavy frosts here within the last week; and on Tuesday morning, the 11th, some snow fell. The frosts, however, done but little damage to vegetation.

Yours, &c., S. J. R.

Latest European News.

The steamer Modita arrived off Cape Race on the 14th, with three days later news from Europe. Her latest dates are of the 6th inst. It appears now that Mr. Lindsay is not to visit this country in an official capacity from the English Government, but as a representative of the shipping interests, and will endeavor to induce the American Government to negotiate for the adjustment of various matters pertaining to the shipping interests. A Paris correspondent says that France has just purchased ten large steam transports in the United States. It was said that Sardinia was about to interfere in Naples, and also that Gen. Lamoriciere was to leave for Naples with 30,000 troops to prevent it from becoming a prey to anarchy in view of the fall of the Bourbon dynasty. The Province of Terra Diavoro was in a state of revolt. We have nothing new respecting Garibaldi's movements. He was at Mentefiore. The resignation of the Neapolitan Ministers has not been accepted. The King of Naples was to pay an indemnification of 3,000,000 francs for French losses by the bombardment of Palermo. It was rumored that the Cabinets at Turin were agreed to prevent any invasion of the Church. The French garrison at Rome is to be increased by the addition of 8,500 men. A revolutionary movement had been discovered at Verona, implicating, it is said, a neighboring power. A famine was impending in India. Hostilities had been commenced in China by the English and French. It was reported from Syria that the French detachment had suffered a repulse at the hands of the Druses in Lebanon.

CLIPPINGS AND SCRIBBLINGS.

LOOKS fine.—Graham's new building. Bright—Curtin and Patton's prospects. Large—the Douglas meeting in Gosben. "Navy" man in attendance.

Spirited—the closing scenes of the Democratic meeting at Curwensville. The population of St. Louis is 161,000. That of Cincinnati, is 158,000.

Sixty thousand persons attended a Lincoln mass meeting held at Indianapolis lately. Prentice says that the Democracy regard the country as a great sheep—made to be fleeced.

The town of Mount Vernon, Texas, has been burnt by incendiaries, one of whom has been hung. The census returns of Chicago show a total population of 100,420. The general estimate was that the population would reach 100,000.

The Douglas party in Mississippi have not yet been able to find seven men who are willing to stand up and be shot at, as Douglas claims.

The Vincennes (Indiana) Western Sun says: "The Hog crop will be good, much better than for several years, with abundance of corn to feed them."

An exchange says: The breach in the Connecticut Democracy is complete and unhealable. The party is there split up like a pair of old breeches.

The new name which Mr. Douglas has given himself, "The Little Sucker," explains the anxiety he has for some weeks past displayed in search of his mother.

Tom Sayers is said to have expressed great reverence for the American flag. He says that during the whole fight with Heenan he felt the stripes and saw the stars.

We are too often apt to forget that warning which William Penn so strongly gave us, against the folly of putting our faith in good laws, while we trust their administration to bad men.

The total amount of salaries to city officers paid yearly from the Philadelphia treasury is \$973,860.00. The police department alone costs \$370,000; school teachers' salaries, \$336,050.

A philosopher who had studied out almost everything, says he is satisfied that the reason why girls put out their lips is because they are always willing that theirs should meet yours half way.

There are fools everywhere. Some dirty water left by the Prince of Wales in a basin in his apartments at Quebec, was bottled and sold at four shillings a vial, to some of his toadying admirers.

An Illinois paper states that the peach crop in the lower section of that State is so heavy that a district twenty miles long by five to seven miles wide, will this year yield not less than a million bushels. Some of them will be distilled.

The Yankees are driving a good business out of the dissolution of the Union. They have supplied the arms that have been ordered for Southern arsenals, and now it is reported that the contract for building the new State army in Virginia, has been given to a Massachusetts house, which will doubtless make more out of it than Virginia ever will.

On the 14th, an old man named Yager, living in the Blue Ridge, near Mauck's Tavern, in Page county, Va., hung himself, whilst laboring under the excitement caused by the arrest of his son for horse stealing, and that of another son who attempted to release his brother from jail. This announcement to a daughter so prostrated her, that in a short time death relieved her of sorrow and trouble.

The morals of Hayti, as exhibited by statistics, are shocking. An official Haytian document, giving the number of births, deaths, marriages and divorces in various villages in different parts of the empire during three months, shows that the whole number of children born in those months was 1900, of whom 1740 were born out of wedlock. In Port au Prince, the capital, out of 420 children born, only thirty were legitimate.

FOSTER ON THE STUMP.—Foster took the stump in Somerset county pretty soon after he got out of the woods at Gresson. He was so oscular on that occasion that the Breckinridge and Douglas papers have been quarrelling ever since as to what he really did say. He has not had the courage, since, however, to speak in any other place. He dare not go before the people.

A "Democratic" Meeting was held at Glen Hope on the 13th, which was addressed by I. Test, James K. Kerr and E. R. Brady. They all urged their hearers not to vote for Mr. Lincoln, but failed to mention that any other candidates were in the field, and when reminded of this, Mr. Kerr jumped up and replied that they "had a No. 1 assortment, and the people could take their choice!" Gerritt Smith, John C. Breckinridge, Stephen A. Douglas and John Bell, we believe are spoken of as being candidates, and according to Kerr, Democrat can take which one pleases him best—they are all "No. 1" candidates.

PERSONS afflicted with the Fever and Ague should not spare either time, trouble or expense, to procure Dr. HOSKITER'S CELEBRATED BITTERS, whose beneficial effects upon the system has been clearly proved to those who have been stricken down in a short space of time by this dreadful case, whose cheeks are wan and meagre, and whose nights are sleepless and restless, and whose eyes are dim and sunken; with death staring them in the face, this compound must prove a blessing, snatching them as it were from the mouth of the grave. None can know its true value until they have tested it. When all others have failed, these Bitters have restored the sufferers to pristine health. Its popularity all the Western and Southern parts should introduce them to all families. Sold by druggists and dealers generally everywhere. See advertisement.

MARRIED: On the 16th by Rev. Father Coady, in the Catholic church in this place, Mr. JOHN OWENS to Miss MARGARET KILIAN.

DIED: At New Washington, on the 10th inst., of consumption, SOPHIA STEVENSON, in the 57th year of her age. The deceased united with the M. E. Church at the age of 16. Her end was peaceful. Her life was consecrated to God when but a child, and at its close she had "light in the valley."

To the land where she hath urged her way To the land where dwell the blest, Where the inmates never say, "I am weary, let me rest!"

In Lawrence township, on Thursday, Sept. 13th, of diphtheria, Evy E., daughter of Jacob and Eliza Guellich, aged 1 year and 7 months.

The rose, so well beloved, By us, has been cut down. But now, alas, we should not weep. She is wearing the golden crown.

The day will come, we know not how soon, When we must all appear. Before the awful throne of God, Our sentence then to hear. And may we all be welcomed In That glorious crown to wear. Which we truly do believe, Little Evey now doth bear.

STIRRING TIMES IN PHILADELPHIA!—Exciting Foot Race between the Philadelphia Police and a notorious Forger and counterfeiter, James Buchanan Cross, Sheriff Recaptured! It seems to be the general opinion in Clearfield, that if Cross had worn a pair of Frank Short's French-calf Boots, that he would not have been engaged outside in the market put out at missing his custom, but would announce to all Brookridge, Douglas, Lincoln and Bell men, and women and children in Clearfield, and Sinebawhon in particular, that he is prepared to take any order for Shoes, Slips and Gaiters of any style or pattern, stitched, sewed or pegged, (and as he is a short fellow) on short notice.
