FIRE .- We learn that on Saturday night last, the 22nd, the stable of Mr. Samuel Clark of Curwensville, was entirely consumed by fire, together with four horses, seven sets of harness, jour tons of hay, some straw and other articles. It is supposed that the fire originated from a lantern that Mr. C. had taken to the stable in the evening, and which had been accidentally left standing by him. The probable loss will be some \$800.

us in the belief that just as good and large apples can be raised in Clearfield as in any other section of the State. Mr. Robert Lawhead has a nursery of fine, thrifty trees, which he will dispose of to purchasers, at low prices.

ATTENTION !- Great excitement has prevailed for several days opposite our office, which our "devil" could not account for, so we concluded to investigate the matter. Without further delay we put on our "stove-pipe" hat, lit a "weed." and wended our way across the street, and, imagine our surprise, when we discovered that Mossop had just received from the eastern cities a large and most extensive assortment of Fall and Winter Goods, which, he informed us, he would sell as low as any other establisment of the kind in the county. Having satisfied our curiosity we returned to our sanctum, and informed the "imp" of our discovery; whereupon, he remarked, that Mossop "sells the cheapest goods," and would advise persons to call and examine the stock for themselves.

INJURED .- On Saturday the 22nd, Robert Carman of this place received a severe fall whilst he was engaged in putting tin sheeting on the roof of Smith's new brick building country unmolested. in the north part of town. It appears that Mr. C. was clipping a sheet at the comb of the house, the piece becoming detached nnexpectedly he began to slide down the roof, and not being able to regain a hold, he was precipitated to the ground, a distance of about 22 feet, among some bricks and stones, and injured his back and hips very much. Indeed, his escape from immediate death is almost miraculous, when it is considered that he slid down the roof with so much velocity as to eject him some 16 or 18 feet out from the foot of the building. He is improving as rapidly as could be expected.

ACCIDENT .- On Saturday the 22d, Mr. Mathias Hollopeter of Union township, accompanied by his wife, met with a rather serious accident as they were returning in a buggy from a visit to Bradford township. Just as Mr. H. drove off the Clearfield bridge east of this place, the horse became frightened, jumped to one side, and threw the buggy and its occupants over the embankment, which is about ten feet high. The vehicle was turned upside down, falling on Mrs. H., who received a very severe bruise in the left side and a cut about three inches long on the side of the head, having come in contact with some stones lying at the foot of the embankment. She was prought to town to the house of her sister, Mrs. Bradley, where she is still lying in a critical condition, but it is hoped that she will soon be able to return home. The buggy was much broken, but Mr. H. and the horse escaped without injury.

We see by our western exchanges from Missouri and the west, that a large number of Kansas people are already fleeing from famine and winter. Long trains of wagons, hearing worth on their way to Nebraska and Iowa.

DROWNDED .- A little boy about five years old, son of Mr. Henry Schrack, while walking upon soms logs lying in the basin adjoining

skins, valued at four or five dollars each, for a cat.

IF Professor Shotts made a balloon ascension at Marietta, Ohio, during the last week When about one hundred feet high, the ballooon burst. Shotts came down standing in his basket. Singular as it may seem, the only injury he appears to have sustained was a badly mashed ankle.

OF Stumping for the Presidency don't pay. Van Buren tried it in 1848, and was badly beaten. Gen. Scott next attempted in '52, no better result. Douglas, Breckinridge, Lane & Co., will find it equally unprofitable in 1860. Old Abe is at home, taking his ease, and langhing at them all.

THE CLERGY IN AUSTRIA .- The Roman Catholic clergy in this empire is said by a Catho. lic journal to comprise 13 archbishops, 52 bishops, 700 convents, with 9000 nuns; 276 convents, with 2,900 monks. The total numder of clergy amounts to 28,000 individuals, who posses property valved at \$250,000,000, either personal or in trust for the church.

WALKER SHOT .- The Cahawba, from Havana, 17th inst., has arrived at New Orleans. She reports the arrival of a Spanish vessel at Havana, from Truxillo, with news that General Walker and Colonel Rudler had been shot by the Honduran authorities. The remainder of the fillibuster party were allowed to leave the

Mr. Bell was one of the first settlers in this county, having accompanied his father here in 1795; was the first sheriff of this county, and served two terms in in the State Legislature. About the close of of his second term a warm Presidential contest sprung up between Gen. Jackson and John Q. Adams, and Mr. B. being honest in his political views, could not go for the Democratic nomines, in consequence of which, he was read out of the party and has not been in public life since ; but remained a firm supporter of the opposition party to the end of his life.
